Nelson M. Rodriguez, William F. Pinar

Shared Experience Women Men And The History Of Gender:

To Read My Heart Lucia McMahon, Deborah Schriver, 2015-08-19 The Journal of Rachel Van Dyke a compelling primary document previously unpublished offers insights into the life and mind of a seventeen year old young woman while also providing a fascinating window into the cultural and social landscape of the early national period Rachel was a thoughtful intelligent observer and her journal is an important account of upper and middle class life in the growing city of New Brunswick New Jersey Her entries reveal her remarkably studied views on social customs marriage gender roles friendship and religion The journal is dominated by two interrelated themes Rachel s desire to broaden her knowledge and her friendship with her teacher Ebenezer Grosvenor Since Ebenezer was both her teacher and her romantic interest it is impossible to distinguish between the themes of education and romance that dominate her writings On several occasions Rachel and Ebenezer exchanged their private journals with each other During these exchanges Ebenezer added comments in the margins of Rachel s journal producing areas of written conversation between them The marginalia adds to the complexity of the journal and provides evidence of and insight into Rachel s romantic and intellectual relationship with him The written interactions between Rachel and Ebenezer together with discussions of friendship and courtship rituals provided throughout the journal enrich our understanding of social life during the early national period *To Read My Heart* will be of interest to students of American history women s studies and nineteenth century literature all readers will be captivated by the rich expression and emotional experience of the journal Whether she is relating the story of a young friend s wedding the death of a small boy or the capture of a slave in Guinea Rachel s pages have universal appeal as she seeks to understand her own role as an emerging adult

Queering Straight Teachers Nelson M. Rodriguez, William F. Pinar, 2007 Much of the focus of anti homophobic anti heterosexist educational theory curriculum and pedagogy has examined the impact of homophobia and heterosexism on gay lesbian bisexual and transgender GLBT students and teachers Such a focus has provided numerous theoretical and pedagogical insights and has informed important changes in educational policy *Queering Straight Teachers* Discourse and Identity in Education remains deeply committed to the social justice project of improving the lives of GLBT students and teachers However in contrast with much of the previous scholarship *Queering Straight Teachers* shifts the focus from an analysis of the GLBT Other to a critical examination of what it might mean in theory and in practice to queer straight teachers and the implications this has for challenging institutionalized heteronormativity in education This book will be useful in courses on educational foundations curriculum studies multicultural education queer theory gay and lesbian studies and critical theory

Intellectual Manhood Timothy J. Williams, 2015-03-09 In this in depth and detailed history Timothy J Williams reveals that antebellum southern higher education did more than train future secessionists and proslavery ideologues It also fostered a growing world of intellectualism flexible enough to marry the era s middle class value system to the honor bound worldview of the southern gentry By focusing on the students perspective and drawing from a rich trove of

their letters diaries essays speeches and memoirs Williams narrates the under examined story of education and manhood at the University of North Carolina the nation s first public university Every aspect of student life is considered from the formal classroom and the vibrant curriculum of private literary societies to students personal relationships with each other their families young women and college slaves In each of these areas Williams sheds new light on the cultural and intellectual history of young southern men and in the process dispels commonly held misunderstandings of southern history Williams s fresh perspective reveals that students of this era produced a distinctly southern form of intellectual masculinity and maturity that laid the foundation for the formulation of the post Civil War South

American Masculinities: A Historical Encyclopedia Bret Carroll, 2003-10-14 This is a highly recommended purchase for undergraduate medium sized and large public libraries wishing to provide a substantial introduction to the field of men s studies Reference User Services Quarterly Pleasing layout and good cross references make Carroll s compendium a welcome addition to collections serving readers of all ages Highly recommended CHOICE An excellent index well chosen photographs and illustrations and an extensive bibliography add further value American Masculinities is well worth what would otherwise be too hefty a price for many libraries because no other encyclopedia comes close to covering this growing field so well American Reference Books Annual American Masculinities A Historical Encyclopedia is a first of its kind reference detailing developments in the growing field of men s studies This up to date analytical review serves as a marker of how the field has evolved over the last decade especially since the 1993 publication of Anthony Rotundo s American Manhood This seminal book opened new vistas for exploration and research into American History society and culture Weaving the fabric of American history American Masculinities illustrates how American political leaders have often used the rhetoric of manliness to underscore the presumed moral righteousness and ostensibly protective purposes of their policies Seeing U S history in terms of gender archetypes readers will gain a richer and deeper understanding of America s democratic political system domestic and foreign policies and capitalist economic system as well as the private sphere of the home and domestic life The contributors to American Masculinities share the assumption that men s lives have been grounded fundamentally in gender that is in their awareness of themselves as males Their approach goes beyond scholarship which traditionally looks at men and women in terms of what they do and how they have influenced a given field or era Rather this important work delves into the psychological core of manhood which is shaped not only by biology but also by history society and culture Encapsulating the current state of scholarly interpretation within the field of Men s Studies American Masculinities A Historical Encyclopedia is designed to help students and scholars advance their studies develop new questions for research and stimulate new ways of exploring the history of American life Key Features Reader s Guide facilitates browsing by topic and easy access to information Extensive name place and concept index gives users an additional means of locating topics of interest More than 250 entries each with suggestions for further reading Cross references direct users to related information Comprehensive

bibliography includes a list of sources organized by categories in the field Topics Covered Arts Literature and Popular Culture Body Health and Sexuality Class Ethnic Racial and Religious Identities Concepts and Theories Family and Fatherhood General History Icons and Symbols Leisure and Work Movements and Organizations People Political and Social Issues About the Editor Bret E Carroll is Associate Professor of History at California State University Stanislaus He received his Ph D from Cornell University in 1991 He is author of The Routledge Historical Atlas of Religion in America 1997 Spiritualism in Antebellum America 1997 and several articles on nineteenth century masculinity The Horrors of the Half-Known Life G.J. Barker-Benfield,2004-11-23 Now a classic in the field The Horrors of the Half Known Life is an important foundational text in the construction of masculinity female identity and the history of midwifery *The Greenwood Encyclopedia of Daily Life in America* Randall M. Miller,2008-12-30 The course of daily life in the United States has been a product of tradition environment and circumstance How did the Civil War alter the lives of women both white and black left alone on southern farms How did the Great Depression change the lives of working class families in eastern cities How did the discovery of gold in California transform the lives of native American Hispanic and white communities in western territories Organized by time period as spelled out in the National Standards for U S History these four volumes effectively analyze the diverse whole of American experience examining the domestic economic intellectual material political recreational and religious life of the American people between 1763 and 2005 Working under the editorial direction of general editor Randall M Miller professor of history at St Joseph s University a group of expert volume editors carefully integrate material drawn from volumes in Greenwood s highly successful Daily Life Through History series with new material researched and written by themselves and other scholars The four volumes cover the following periods The War of Independence and Antebellum Expansion and Reform 1763 1861 The Civil War Reconstruction and the Industrialization of America 1861 1900 The Emergence of Modern America World War I and the Great Depression 1900 1940 and Wartime Postwar and Contemporary America 1940 Present Each volume includes a selection of primary documents a timeline of important events during the period images illustrating the text and extensive bibliography of further information resources both print and electronic and a detailed subject index Thicker Than Water Leonore Davidoff,2012 A pioneering new study of nineteenth century kinship and family relations focusing on the British middle class and highlighting both the similarities and the differences in relations between brothers and sisters in the past and in the present *John Winthrop* Francis J. Bremer,2005 Providing a path breaking treatment of the first governor of the Massachusetts Bay Colony Bremer explores the life of America s forgotten Founding Father 18 halftones line illustrations **The Other Significant Others** Rhaina Cohen,2024-02-13 NATIONAL BESTSELLER AN INDIE BESTSELLER The Other Significant Others fundamentally it s become my new Bible Trevor Noah An arresting work of compassion and insight Lori Gottlieb I loved and recommend The Other Significant Others to everybody Ezra Klein I feel like I ve been waiting for this book for my entire adult life Anne Helen

Petersen Why do we assume romantic relationships are more important than friendships What do we lose when we expect a spouse to meet all our needs And what can we learn about commitment love and family from people who put deep friendship at the center of their lives In *The Other Significant Others* NPR's Rhaina Cohen invites us into the lives of people who have defied convention by choosing a friend as a life partner these are friends who are home co owners co parents or each other's caregivers Their riveting stories unsettle widespread assumptions about relationships including the idea that sex is a defining feature of partnership and that people who raise kids together should be in a romantic relationship Platonic partners from different walks of life spanning age and religion gender and sexuality and more reveal how freeing and challenging it can be to embrace a relationship model that society doesn't recognize And they show that orienting your world around friends isn't limited to daydreams and episodes of *The Golden Girls* but actually possible in real life Based on years of original reporting and striking social science research Cohen argues that we undermine romantic relationships by expecting too much of them while we diminish friendships by expecting too little of them She traces how throughout history our society hasn't always fixated on marriage as the greatest source of meaning or even love At a time when many Americans are spending large stretches of their lives single widowed or divorced or feeling the effects of the loneliness epidemic Cohen insists that we recognize the many forms of profound connection that can anchor our lives A rousing and incisive book *The Other Significant Others* challenges us to ask what we want from our relationships not just what we're supposed to want and transforms how we define a fulfilling life

Lethal Imagination Michael A. Bellesiles, 1999-03 Examining the role of violence in America's past this collection of essays explores its history and development from slave patrols in the colonial South to gun ownership in the 20th century The contributors focus not only on individual acts such as domestic violence murder duelling frontier vigilantism and rape but also on group and state led acts such as lynchings slave uprisings the establishment of rifle clubs legal sanctions of heterosexual aggression and invasive medical experiments on women's bodies [Chinese Femininities](#), [Chinese Masculinities](#) Susan Brownell, Jeffrey N. Wasserstrom, 2002 Chinese Literature Lydia H. Liu *A Companion to Colonial America* Daniel Vickers, 2008-04-15 *A Companion to Colonial America* consists of twenty three original essays by expert historians on the key issues and topics in American colonial history Each essay surveys the scholarship and prevailing interpretations in these key areas discussing the differing arguments and assessing their merits Coverage includes politics religion migration gender ecology and many others **Go If You Think it Your Duty** James Madison Bowler, Elizabeth Caleff Bowler, Andrea R. Foroughi, 2008 A fascinating firsthand account of life during the U.S. Civil War as told by a husband and wife through the letters they shared with one another [Introducing Gender and Women's Studies](#) Diane Richardson, Victoria Robinson, 2020-04-22 At a time where after decades of progress in gender and sexual rights people in many parts of the world are facing new forms of resistance and opposition to gender equality this timely publication confirms the continuing importance and relevance of gender and women's studies The fifth edition of this best selling textbook

provides a comprehensive overview of key issues and debates in gender and feminist theory With fully revised chapters written by specialists across a range of core topics including sexuality race bodies family masculinity methodologies and migration this clearly written but rigorous collection examines contemporary debates and provides helpful examples and questions to consider Furthermore it continues to reflect the shift from women s studies to gender studies incorporating coverage of masculinity throughout as well as discussing live debates such as around global activism transgender rights and the environment It continues to be an indispensable resource for students academics and anyone interested in this lively field

New to this Edition A new chapter on gender and migration Expanded discussion of transgender rights as well as masculinity studies Brings seven new contributors to the collection with newly authored chapters on Gender and Environment Gender and Education Gender and Sexuality and Gender and Race Fully revised and updated with new material and new case examples Greater attention to intersectional approaches and international reach

Across the Great Divide Matthew Basso, Laura McCall, Dee Garceau, 2013-10-18 In *Across the Great Divide* some of our leading historians look to both the history of masculinity in the West and to the ways that this experience has been represented in movies popular music dime store novels and folklore

The Power of Feminist Theory Amy Allen, 2025-06-17 In this new second edition of *The Power of Feminist Theory* Domination Resistance Solidarity Amy Allen diagnoses the inadequacies of previous feminist conceptions of power and draws on the work of a diverse group of theorists of power including Michel Foucault Judith Butler bell hooks and Hannah Arendt in order to construct a new feminist conception of power The conception of power developed in this book enables readers to theorize domination resistance and solidarity and perhaps more importantly to do so in a way that illuminates the interrelatedness of these three modalities of power The new edition of this foundational text includes substantial new material on intersectionality and power transnational feminism and power in relation to homonationalism and neo imperialism and empowerment feminism It addresses important criticisms of Foucault Arendt and Butler that have been raised by Black feminists critical philosophers of race postcolonial theorists and Marxists *The Power of Feminist Theory* Domination Resistance Solidarity is an essential text for students engaging with feminist analyses of power feminist theory and feminist political thought

The Unity of Men's Souls: A Deeper Look into Our Shared Experiences Pasquale De Marco, 2025-07-15 This groundbreaking book offers a fresh and insightful perspective on the lives of men Drawing on a wealth of social science research it delves into the unseen patterns of male behavior revealing the common threads that connect men across cultures and generations Through a comprehensive analysis of studies this book uncovers the hidden truths about men s lives shedding light on the complexities of the male experience It explores the unique challenges and triumphs that men face from the power of male friendships to the struggles of isolation from the changing landscape of masculinity to the emotional lives of men This book provides a nuanced and comprehensive portrait of men s lives challenging stereotypes and preconceived notions It reveals the often overlooked strengths and vulnerabilities of men and

examines the impact of societal expectations on men's behavior and well-being. This book is a call to action urging men to embrace their full potential and to challenge the narrow definitions of masculinity that have long held them back. It is also a call for greater understanding and empathy between men and women, recognizing that true equality can only be achieved when we see each other as fellow human beings united by our shared experiences. In the pages of this book, you will discover a new perspective on men's lives, one that is both enlightening and empowering. This book is an essential read for anyone who seeks a deeper understanding of themselves, their relationships, and the world around them. This book offers a fresh and insightful perspective on the lives of men, making it a must-read for anyone seeking a deeper understanding of themselves, their relationships, and the world around them. If you like this book, write a review.

IBSS: Anthropology: 1999 Compiled by the British Library of Political and Economic Science, 2000-12-07. IBSS is the essential tool for librarians, university departments, research institutions, and any public or private institution whose work requires access to up-to-date and comprehensive knowledge of the social sciences.

Mere Equals Lucia McMahon, 2012-08-22. In *Mere Equals*, Lucia McMahon narrates a story about how a generation of young women who enjoyed access to new educational opportunities made sense of their individual and social identities in an American nation marked by stark political inequality between the sexes. McMahon's archival research into the private documents of middling and well-to-do Americans in northern states illuminates educated women's experiences with particular life stages and relationship arcs: friendship, family, courtship, marriage, and motherhood. In their personal and social relationships, educated women attempted to live as the mere equals of men. Their often-frustrated efforts reveal how early national Americans grappled with the competing issues of women's intellectual equality and sexual difference. In the new nation, a pioneering society pushing westward and unmooring itself from established institutions, often enlisted women's labor outside the home and in areas that we would deem public. Yet as a matter of law, women lacked most rights of citizenship, and this subordination was authorized by an ideology of sexual difference. What women and men said about education, how they valued it, and how they used it to place themselves and others within social hierarchies is a highly useful way to understand the ongoing negotiation between equality and difference. In public documents, difference overwhelmed equality because the formal exclusion of women from political activity and from economic parity required justification. McMahon tracks the ways in which this public disparity took hold in private communications. By the 1830s, separate and gendered spheres were firmly in place. This was the social and political heritage with which women's rights activists would contend for the rest of the century.

Student Companion to Willa Cather Linda De Roche, 2006-06-30. Willa Cather's elegiac tales of the pioneer experience on the American frontier continue to captivate new generations of readers. Written especially for students, this critical introduction offers insightful yet accessible criticism of Cather's most widely read novels. A full chapter examines each work with full discussions of character, development, thematic concerns, plot, critical reception, and historical contexts. Students will find this book a valuable guide to

this great American author The volume covers such enduring works as *Alexander's Bridge* *O Pioneers!* *The Song of the Lark* *My Ántonia* *The Professor's House* *Death Comes for the Archbishop* and *Shadows on the Rock* Each chapter is devoted to an individual novel and provides a full discussion of character development thematic concerns and plot structure The introduction to each novel traces its genesis and its critical reception at the time of publication The historical context sections place Cather's vision of the pioneer spirit and achievement within the context of a rapidly changing America that was in the process of abandoning its traditional values and thus risking its source of greatness Students will find this book a valuable guide to Cather's works
