aren't defined by their trauma their past or their brokenness *The Spiritual Formation of Leaders* Chuck Miller, 2007-12
Why do the demands of leadership often draw leaders away from intimacy with God? What can I do to become a more effective leader? How can I keep from burning out and bailing out? How can we develop effective leaders who are being spiritually transformed as they abide in Christ? Key to answering these questions is the simple but profound truth that we must be the people of God before we do the work of God. That's why *The Spiritual Formation of Leaders* invites you to deeper intimacy with Christ so in Him you will be empowered to enjoy rich community with one another and a life of fruitful ministry. Spiritual leadership formation happens only in God's presence. So come to Jesus. Meet with Him in the Soul Room, walk with Him into the Leadership Room and watch Him work in you and through you for His kingdom. **When God Speaks...Will You Hear?** Kerusso, 2016-02-29
Lost. Lonely. Desperate. Abused. Broken and shattered. Forgotten and overlooked. Sinful and ashamed. No one seeks such places in life but all find them. Some find some of them. The truly unfortunate find all of them. Who reaches out to such people at such times in their lives? Who speaks to them to call them out of the darkness and lead them into the light? God does. Every person has a story. It is the story of their lives that knows joy as well as sorrow and pain as well as celebration. No two stories are exactly alike but they are all similar. What all life stories have in common is that God speaks in all of them. He calls out to all people to show them the way out of their pain and misery. They need only to listen and follow his voice. Love. Hope. Self-worth. Healing. Acceptance and companionship. Being remembered and valued. Forgiven and pure. God has a way of rewriting life stories anyone's even yours. Enter into the middle of a story that unfolds in unexpected places. Enter into story after story and perhaps you will understand your own story and how God is speaking to you.

I'm surrounded by people at church so why do I feel so alone? You show up at church every Sunday. You

see people you know You listen to a sermon together And then you go home feeling just as isolated as you did before What s going on We all know that a church is supposed to be a community The trick is to actually make it one Communities don t happen by chance certainly not in our Lone Ranger culture that values independence and individualism A truly Christian community must be built by intentional practices that allow for deeper connections centered on the unity that can only be found in Christ In A Field Guide for Genuine Community longtime pastor and discipleship trainer Ben Connelly shows you that the biblical model for community is the family of God In twenty five short practical readings he takes you beyond the surface and helps you learn to connect with your brothers and sisters as true family members The church isn t meant to be a collection of strangers God intends for you to find a unified and purposeful household where you truly belong **Sharing**
