advice literature and at the reception of such transgressive popular films as Basic Instinct Thelma and Louise and Natural Born Killers to demonstrate that the most profoundly capitalist feminist theories have always been the most culturally authoritative A more encouraging vision emerges in the book s second half where a record of conversations about sex and gender with young people and of their responses to products designed for their consumption takes the reader through some of today s most radical youth cultures and suggests new directions for gender studies **Bedtime Stories** Trey Ellis,2008-02-05 How is a single dad supposed to navigate a new girlfriend into and out of his California king bed without his son or daughter noticing For Trey Ellis raising children while trying to find his way through the unfamiliar nuances of the contemporary dating scene as a single father has been a a sometimes nerve racking challenge A Don Juan with a heart of gold Ellis tracks both his sexy life as a swinging single father his dates have included a model a French actress and even an Italian contessa and his nurturing and loving relationship with his two young children The result is Bedtime Stories a charmingly poignant and hilarious story that shows what happens when the glamorous life of an LA singleton collides with the life of a less than glamorous dad who eats frozen dinners and changes dirty diapers
