Sleek Sword Babatunde R. Ajimoti, 2018-01-19 Sometime ago in a hospital where I was practicing a friend of mine gave us a
 riddle He asked us to guess a powerful plague that is greater than HIV AIDS and worse than cancer His clue was This
 condition targets the heart of man We all gave up after mentioning some heart diseases but could not decode his riddle He
 cleared his throat and said Deception is the canker that can destroy the body soul and spirit of a man All terrible sicknesses
 in life can only destroy the body but not be able to kill the spirit and soul Hence deception is greater than HIV AIDS and
 worse than cancer Mr Deception could be described in many ways He is a rapist many people have been violently defiled
 physically financially economically and spiritually through his activities The trauma left in the life of his victims has made
 some people miserable for the rest of their days on earth This monster has made mincemeat of wise men and women
 Ironically this evil monster could be seen wearing a mask in many unusual places His leprous fingers could be found turning
 families upside down and pitting best friends against one another Mr Deception will jeopardize the future generation through
 his nefarious work He could use the government against ordinary citizens and pulpits against the pews Mr Deception is
 becoming more sinister and deadly and has become a tool in the hands of the enemy of our soul He is perfect in what he does
 and is a smooth operator What our adversary the devil is doing today through deception mimics the events in chapter one of
 the book of Daniel Satan targets the children of God with the nuclear weapon of deception His ultimate goal is to deny them

the presence of God in eternity Everyone needs to brace up to wage war against deception without which it may be difficult to fight the good fight of faith
