Jason Miller,2015-02-03 Since Martin Luther King Jr s I Have a Dream speech some scholars have privately suspected that King s dream was connected to Langston Hughes s poetry Drawing on archival materials including notes correspondence and marginalia W Jason Miller provides a completely original and compelling argument that Hughes s influence on King s rhetoric was in fact evident in more than just the one famous speech King s staff had been wiretapped by J Edgar Hoover and suffered accusations of communist influence so quoting or naming the leader of the Harlem Renaissance who had his own reputation as a communist would only have intensified the threats against the civil rights activist Thus the link was purposefully veiled through careful allusions in King s orations In *Origins of the Dream*

Miller lifts that veil and shows how Hughes's revolutionary poetry became a measurable inflection in King's voice. He contends that by employing Hughes's metaphors in his speeches, King negotiated a political climate that sought to silence the poet's subversive voice. By separating Hughes's identity from his poems, King helped the nation unconsciously embrace the incendiary ideas behind his poetry. DeCastro, 2013-11-01 A young girl sets off on an adventure, leaving the new world, the only world she knows, or so she thinks. She stumbles upon the old county of Kings, where she discovers old notebooks of fascinating poetry. The writings lead her through a transforming and enlightening experience. But most of all, it becomes a self-revelation. This book places readers in a post-apocalyptic world, utilizing art to capture vivid emotions, thoughts, beliefs, and stories of a past life. Captivating scenes transition the reader into the works of four distinct poets. They each take the reader on an intimate journey, told through their own eyes. They all have different principles, but they all share a common link that binds them together. The young girl is intrigued and would enjoy finding out who these poets are. **Soul Transformation** Donald W Ekstrand,2012-09 The three steps of salvation in a nutshell are these becoming a Christian living the Christian life and going to heaven Theologians refer to these three steps as Justification Sanctification and Glorification The first and third steps are instantaneous experiences but the second step sanctification is a life long process whereby the Holy Spirit works in the believer s life to bring about practical holiness and transform his character into the likeness of Christ It is this second step of salvation with which the believer struggles because it requires putting to death the deeds of the body saying no to our sin nature and obeying the promptings of the Holy Spirit saying yes to God this is the

essence of spiritual warfare Sadly most churches in the West today pretty much ignore the issue of Sanctification and just focus on Justification either out of ignorance about what Scripture teaches or out of fear that living a holy life is essentially legalism But living a life of obedience to Christ in the power of the Holy Spirit has nothing to do with legalism legalists think they gain favor with God by being good but believers obey Christ out of gratitude because they already have favor with God The key to sanctified living is gratitude The Bible emphatically describes God as being both loving and holy yet western Christianity primarily focuses on God s love and says almost nothing at all about His holiness As such the central message of most churches is one of love and forgiveness with scarcely a word being said about holiness and death to sin and self Satan is thrilled with our one dimensional Christianity because it essentially leaves believers lukewarm impotent and ineffectual This book presents God s blueprint for spiritual development and portrays the transformational experiences every believer goes through in life they include ups and downs highs and lows peaks and valleys joy and suffering victory and defeat these experiences are the norm for every believer none of us get a painless trouble free road to glory Incidentally the material presented in this book reflects the teachings of the most respected Christian theologians since the reformation individuals the evangelical community has long recognized as being pillars of the faith To our lamentable regret however these teachings no longer have a prominent place in the vast majority of churches in the West It is time for believers in America today to reconsider the fullness of God s call upon their lives Donald W Ekstrand is a retired pastor adjunct professor and author Dr Ekstrand holds degrees in finance business education theology and divinity and is a graduate of Arizona State University Talbot School of Theology and Western Seminary He has served as pastor teacher ministry consultant and executive administrator for more than 40 years Don and his wife Barbara have two grown daughters and reside in Phoenix Arizona
