## **Shattered Lantern:**

*The Shattered Lantern* Ronald Rolheiser, 1995 Nietzsche had his mystical madman smash a lantern in the marketplace and announce that God is dead Rolheiser suggests that the way back to a lively faith is not a question of finding the right answers but of living in a certain way The existence of God like the air we breathe need not be proven It is a question of developing good lungs to meet it correctly      **The Holy Longing** Ronald Rolheiser, 2014-03-11 Channeling the deep mysterious desires of our hearts Ronald Rolheiser leads readers from restlessness to peace showing a contemporary path to authentic and healthy spiritual life now featuring a new reader's guide In *The Holy Longing* Ronald Rolheiser probes the question What is spirituality cutting through the misunderstanding and confusion that can often surround this subject with his trademark clarity Using examples and stories relevant for today and with great sensitivity to modern challenges to religious faith he explains the essentials of spiritual life including the importance of community worship the imperatives surrounding social action and the centrality of the Incarnation to outline a Christian spirituality that reflects the yearning and search for meaning at the core of the human experience Essential reading for anyone seeking to understand what Christian spirituality means and how to apply it to their own lives *The Holy Longing* translates the universal struggle for love and integration of spirit into a language accessible to all explaining God and the Church for a world that more often than not doubts the credibility of both      **Faith Seeking Understanding** John M. Shackleford, 2007 *Faith Seeking Understanding* promotes the idea that one can approach an understanding of God through the study of science Religious faith and scientific inquiry should not be seen as competitors diametrically opposed to each other but as complementary ways to assist the human quest for knowledge and deeper meaning of existence Science is viewed primarily as a gift from God The author with his background in both science and theology provides the reader with an understanding of human participation in God's creation John Shackleford explores the scientific evidence for a personal loving God in a positive dialogue between Christian faith and science that will be thought provoking for college and university students along with those interested in how science and religious faith intersect **BOOK JACKET**      **Lanterns of Ash and Blood** DA West, Some curses never sleep Some demand blood In the cursed village of Thornfell lanterns burn red and shadows move on their own Sera Thornfield has spent her life trying to escape the weight of her family's past but when the Lantern Walk awakens a horror long buried in the Ash Veil she is forced to confront the truth the village's sins have never faded They have only been waiting Armed with a blood red lantern and the cryptic words of a long lost scholar Sera ventures into the shifting haunted ruins of *The Shattered Spire* Time bends The dead whisper The walls remember Every step brings her closer to the Harbinger the shadow that cursed her ancestors and now threatens to consume Thornfell forever But the deeper she delves the more the past unravels around her Thornfell's betrayal runs deeper than she ever imagined And the Harbinger isn't the only thing waiting in the dark      *Fathomless* Samantha San Miguel, 2024-09-10 Pure storytelling at its best Kirkus Reviews Starred Review Ghostly
