Tales of a Female Nomad
Rita Golden Gelman, 2007-12-18
The true story of an ordinary woman living an extraordinary existence all over the world. Gelman doesn't just observe the cultures she visits; she participates in them, becoming emotionally involved in the people's lives. This is an amazing travelogue. Booklist: At the age of forty-eight, on the verge of a divorce, Rita Golden Gelman left an elegant life in L.A. to follow her dream of travelling the world, connecting with people in cultures all over the globe. In 1986, Rita sold her possessions and became a nomad, living in a Zapotec village in Mexico, sleeping with sea lions on the Galapagos Islands, and residing everywhere from thatched huts to regal palaces. She has observed orangutans in the rain forest of Borneo, visited trance healers and dens of black magic, and cooked with women on fires all over the world. Rita's example encourages us all to dust off our dreams and rediscover the joy, the exuberance, and the hidden spirit that so many of us bury when we become adults.

Seer's Blood
Doranna Durgin, 2011-01-01
A mountain community under siege rediscovers its lost roots and its magic in the grit of an outcast girl, the heart of a stranger, and the mystical touch of lost seer's blood. A book once honored by Andre Norton in the Gryphon Award. When Blaine Kendrick discovers strangers in Shadow Hollers, she thinks they've come to trade. She couldn't be more wrong. When Dacey Childers comes to Shadow Hollers, Blaine's family thinks he's there to hunt game. They couldn't be more wrong. When the Annekteh come to Shadow Hollers, they think the isolated community living there has no way to resist their invasion. They're pretty much right on target. But the last man of the lost seer's blood has returned, and is about to draw Blaine into his magic, his adventure, and the most dangerous hunt she could ever imagine. With this book, Doranna Durgin displays her customary precision in plot, tangled yet plausible, with tension that fairly hums from the page, setting richly rendered and full of fresh, original details that truly delight, and characterization thoughtful, layered, and well able to drive the plot. *Seer's Blood* is low fantasy at its very best, showing how great events affect people on a small scale.

Hypatia's Hoard
SEER'S BLOOD is a fast-paced magical adventure. Doranna Durgin imbues her characters with heart and soul, making the reader care about them in ways that are rare in fiction. Alan Meitlowski, BookHound.

Doranna Durgin has been quietly turning out low-key but very intriguing fantasy novels, of which this is the newest and in many ways the best. *SF Chronicle*: The author creates high adventure with a subtle touch of romance here. Durgin's writing is full of mountain flavor, and her characters, both human and canine, are strong and clear. This is an intense story that should appeal to fantasy fans.

VOYA: On the surface, Doranna Durgin's *SEER'S BLOOD* is Blaine's coming-of-age story in the deep hills of Appalachia, but this time of evil, and Durgin's exactly right ear for dialect and regionalisms, make it so much more. Readers will find themselves immersed in a world where self-reliance and resilience is brutally interrupted by evil.

in men's clothing and the return of magic to the lonely hollows The fear and isolation associated with early mountain life is captured in this almost cultural study of Americana with its complex picture of love and loss And the hounds oh my Right along with Blaine I fell in love with the hounds This is a delicious read Cynthia Felice Author of Downtime **The Friend**, 1874
