

Mackenzie King

WJ Hussar

Mackenzie King:

William Lyon Mackenzie King, Volume 1, 1874-1923 Robert Dawson, 1958-12-15 When William Lyon Mackenzie King retired in 1948 he had held office as Prime Minister of Canada for a total of 7829 days a longer term of service than that of any other Prime Minister in the history of the British Commonwealth Like Roosevelt his contemporary of many momentous years he was greatly admired and greatly hated but none dispute the tremendous influence he exerted on the history of his country or indeed his place in world history In this official biography great days of Canadian history are given life and meaning and at the centre of all the events is a phenomenal personality gifted with intelligence intrepidity and luck with amazing insight into his times and the nature of his political occupation The biography based largely on sources hitherto unavailable permits the reader to witness the unfolding of important events as a chief participant himself saw them and to view far reaching decisions through the eyes of the man who made them for Mackenzie King speaks in his own words through much of these volumes They allow us to observe an extraordinarily complex and powerful personality at work In this first volume Mackenzie King's life and political career are traced up to the firm establishment of his first administration as Prime Minister The forces in his background education and early interests which eventually led him into politics are brought out vividly It is both fascinating and touching for instance to observe in letters and personal papers the intimate family relationships which so largely determined what Mackenzie King became Once public service had been chosen he displayed such talents that a leading role seems almost inevitable to all who knew him The Many Lives of William Lyon Mackenzie King Barry Cahill, 2023-05-10 W L Mackenzie King 1874 1950 was Canada's longest serving best known and certainly most unusual prime minister The keeper of a famous series of candid personal diaries he is a gift to the biographer King did not live long enough to write his planned memoirs and his official biography remains long unfinished As a result some 24 biographies of him have been published with different purposes and from different perspectives They are a study in extreme contrasts This is a critical collective history of those works published between 1922 and 2014 *The Age of Mackenzie King* Ferns, Henry, Bernard Ostry, 1976 William Lyon Mackenzie King played a vital role in shaping Canadian politics economics and international relations from 1900 to the present His importance is indicated by the energy of Liberal party historians in creating an official version of life Winston Churchill and Mackenzie King Terry Reardon, 2012-10-06 Born just two weeks apart in 1874 Winston Churchill and William Lyon Mackenzie King took different paths to achieve their objective of a parliamentary career Churchill through military exploits and King via academic excellence When he became prime minister King realized that Canada had to progress from a subservient position to an independent one Thus when the Second World War broke out Canada's parliament made its own decision to be a participant King had been highly critical of Churchill's vehement anti Nazi stance in the 1930s However when Churchill became prime minister King and Canada gave him whole hearted support King changed his opinion of Churchill and this developed into almost hero worship as the war progressed

Not just a chronicle of the relationship between these two men during the 50 years they knew each other this book also examines their influence on the progress of their countries during that period W.L. Mackenzie King ,1998-12-15 This comprehensive bibliography on William Lyon Mackenzie King the most prominent Canadian politician in the first half of the twentieth century will be an invaluable reference tool for researchers in archives and libraries as well as for political scientists historians journalists and book collectors In this volume Henderson provides comprehensive lists of books articles and other material written by King or about him and his era and includes a series of appendices relating to studies on King and miscellaneous material pertaining to his life and career In addition Henderson provides a list of unsigned articles by King that appeared in newspapers and periodicals and of sound recordings and motion picture footage relating to him Finally he identifies all forewords and prefaces written by King plays written about him and books and poems dedicated to him

Mackenzie King Louise Reynolds,2005 Dead men they say tell the most interesting tales In Mackenzie King s case that is certainly true While he did not write his own life story because time simply ran out he did leave behind his extensive diaries and personal letters which are an author s dream come true Many writers accessed this material with the result that more has been written about King than about any other Canadian Prime Minister The primary interest was in him as a politician and as a result the personal side of his life was either neglected or used to ridicule his memory You need only mention his name and you are told of his intense love for his mother of his interest in spiritualism to the extent of talking to the departed including his little dogs and then there were the reconstructed ruins at his summer house in Kingsmere It does not go much deeper than that What might have been learned about King s personal life had he written his autobiography At one time he had considered doing this saying I should write my own memoirs when the right time comes not lay bare my soul before others Had he written it would surely have been a heavily censored story It is difficult to think that he would have told the reader of his storms of passion or details of his sessions at the little table This book Mackenzie King Friends Lovers takes the reader into its confidence introducing first his family background then his closest friends male and female As well there is a chapter on his association with the various Governors General of Canada from 1900 to 1950 Yes knowing King s life story as we now do it would be interesting to learn how he would have written about it Spiritualism seems to be on the decline but has anyone consulted the weegieboard recently **A Very Double Life** C. P. Stacey,1985 A shrewd politician whose private life was one of bizzare and obsessive drives sex life love affairs seances Mackenzie King J. L. Granatstein,1977

William Lyon Mackenzie King, Volume III, 1932-1939 H. Blair Neatby,1976-12-15 Aided by meticulous knowledge of the former Prime Minister s diary and with characteristic conciseness and clarity H Blair Neatby has written the impressive and long awaited third volume of the official biography of Mackenzie King He carefully and judiciously untangles a complexity of issues in Canadian political history to produce definitive accounts of controversies that have engaged the attention of Canadian historians for years Beginning the story in 1932 this volume treats the depression years when King was first in

Opposition and then the years after 1935 when he was once again Prime Minister it is a masterly analysis of how one of the most enigmatic figures in Canadian history made shrewd and critical political decisions Attention is paid in turn to his clearly successful tactics as Leader of the Opposition the election campaign of 1935 a wide range of his domestic policies including those on unemployment inflation relief and trade and to a series of international crises the Ethiopian crisis the Spanish Civil War Anschluss and Munich that culminated in the Second World War At all times King s overriding concern was to preserve national unity at home and to avoid commitments abroad either through the British Commonwealth or the League of Nations We see King in his relations with other Canadian leaders Aberhart Pattullo Hepburn Duplessis and Bennett and with world leaders Roosevelt Baldwin Chamberlain and Hitler We also see the personal side of the man and the link between the private and the public figure William Lyon Mackenzie King Volume III is an accomplished piece of historical writing progressing in a controlled way through a profusion of incident and accident it brings to completion the outstanding biography of a consummate politician

LIFE ,1953-03-23 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use

Mackenzie King Emil Ludwig,1944

Advocating Overlord Philip Padgett,2018-05-01 Well there it is It won t work but you must bloody well make it said the chief of Britain s military leaders when he gave orders to begin planning for what became known as Operation Overlord While many view D Day as one of the most successful operations of World War II most aren t aware of the intensive year of planning and political tension between the Allies that preceded the amphibious military landing on June 6 1944 This intriguing history reveals how President Franklin D Roosevelt while on a fishing trip in the middle of World War II altered his attitude toward Winston Churchill and became an advocate for Operation Overlord Philip Padgett challenges the known narrative of this watershed moment in history and illuminates the diplomatic link between Normandy and the atomic bomb He shows how the Allies came to agree on a liberation strategy that began with D Day and the difficult forging of British and American scientific cooperation that produced the atomic bomb At its core this story is about how a new generation of leaders found the courage to step beyond national biases in a truly allied endeavor to carry out one of history s most successful military operations

Let the Eastern Bastards Freeze in the Dark Mary Janigan,2013-08-27 The first big book on one of the most overlooked episodes in Canadian history and the origin of today s greatest national debate Let the Eastern Bastards Freeze in the Dark relives the 1918 attempt by 3 premiers to wrest control of their natural resources away from Ottawa and end their role as second class provinces The oil sands Global warming The National Energy Program Though these seem like modern Canadian subjects Mary Janigan reveals them to be a legacy of longstanding regional rivalry Something of a Third Solitude since entering Confederation the West has long been overshadowed by Canada s other great national debate But as the conflict over natural resources and their effect on climate

change heats up 150 years of antipathy are coming to a head Janigan takes readers back to a pivotal moment in 1918 when Canada's western premiers descended on Ottawa determined to control their own future and as Margaret MacMillan did in Paris 1919 she deftly illustrates how the results reverberate to this day **Canada between Vichy and Free France, 1940-1945** Olivier Courteaux, 2013-01-01 The relationship between Canada and France has always been complicated by the Canadian federal government's relations with Quebec In this first study of Franco-Canadian relations during the Second World War Olivier Courteaux demonstrates how Canada's wartime foreign policy was shaped by the country's internal divides As Courteaux shows Quebec's vocal nationalist minority came to openly support France's fascist Vichy regime and resented Canada's involvement in a British war while English Canada was largely sympathetic to de Gaulle's Free French movement and accepted its duty to aid embattled Mother Britain Meanwhile on the world stage Canada deftly juggled ties with both French factions to appease Great Britain and the United States before eventually giving full support to the Free French movement Courteaux concludes this extensively detailed study by illustrating Canada's vital role in helping France reassert its position on the global stage after 1944 Filled with international intrigue and larger than life characters Canada between Vichy and Free France adds greatly to our comprehension of Canada's foreign relations and political history

Health Insurance and Canadian Public Policy Malcolm G. Taylor, Allan Maslove, 2009-04 Medicare in Canada is not only this country's most treasured social program it has become a defining national characteristic Even with recent concerns over flaws in the system long wait times shortages of key service providers leading to questions about the possible benefits of a two-tiered approach the consensus is that single payer publicly funded health care has worked for forty years to provide Canadians with accessible high quality services at a much lower cost than in the mainly for-profit system to the south

House of Commons Debates, Official Report Canada. Parliament. House of Commons, 1924 The Order of Canada Christopher P. McCreery, 2005-12-15 In 1966 a project to create a national honour for Canadians was begun The first recipients of the Order of Canada were announced a year later and in the nearly forty years since the Order has become a symbol familiar to and respected by people from across the country The spirit that motivates the Order of Canada celebration inclusion and democracy was born of the memories of Canada's earlier experience with honours From initial distrust and misunderstanding to the awakening of a national identity the development of the Order reflects the relationship Canadians have with their country their government their culture and their heroes The Order itself is a product of national identity politics and history reflected by the significance of its recipients accomplishments Indeed the Order's history is as fascinating as the more than 4000 Canadians who have received it This first book length history of the Order of Canada and first major work on Canadian honours by Christopher McCreery is a celebration of the Order and a close examination of its unique design and various early incarnations McCreery provides both a history of the Order's beginnings and a more general overview of trends in Canadian honours Extensively illustrated with never before published photographs The Order of

Canada Its Origins History and Developments pays tribute to the individuals who felt the need for a system of recognition for Canadians Electronic Format Disclaimer Images removed at the request of the rights holder

Anglo-American Relations in the 1920s B. J. C. McKercher,1991-06-18 This collection examines the complex struggle for supremacy conducted between the United States and Britain in the decade following World War I The aim is to throw light on a crucial period in the history of British and American foreign policy and on 20th century international affairs *Searching for W.P.M. Kennedy*

Martin L. Friedland,2020-04-06 In this highly entertaining biography W P M Kennedy emerges as a complicated yet compelling figure in the academic and legal history of Canada

Savoir Faire, Savoir Vivre Christopher McCreery,2014-12-20 A richly illustrated history of The Rideau Club which was founded 150 years ago by Sir John A Macdonald and Sir George E Cartier A highly accessible account of the Club s history and enduring place in the nation s capital and the story of its evolution with vignettes of how certain members made and continue to make it a very special place

Mackenzie King Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Mackenzie King**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
