The Incredible Canadian Bruce Hutchison,1952 *Mackenzie King, the Incredible Canadian. [A Biography. With Plates, Including a Portrait.]*, 1953 *The Incredible Canadian* Bruce Hutchison,2003-01-01 Mackenzie King Bruce Hutchison,1953 Mackenzie King in the Age of the Dictators Roy MacLaren,2019-05-15 Until the outbreak of hostilities in 1939 Mackenzie King prided himself on never publicly saying anything derogatory about Hitler or Mussolini unequivocally supporting the appeasement policies of British prime minister Neville Chamberlain and regarding Hitler as a benign fellow mystic In *Mackenzie King in the Age of the Dictators* Roy MacLaren leads readers through the political labyrinth that led to Canada's involvement in the Second World War and its awakening as a forceful nation on the world stage Prime Minister King's fascination with foreign affairs extended from helping President Theodore Roosevelt exclude little yellow men from North America in 1908 to his conviction that appeasement of Hitler and Mussolini should be the cornerstone of Canada's foreign and imperial policies in the 1930s If war could be avoided King thought national unity could be preserved MacLaren draws extensively from King's diaries and letters and contemporary sources from Britain the United States and Canada to describe how King strove to reconcile French Canadian isolationism with English Canadians commitment to the British Commonwealth King MacLaren explains was convinced by the controversies of the First World War that another such conflagration would be disruptive to Canada When King finally had to recognize that the Liberals electoral fortunes depended on English Canada having greater voting power than French Canada he did not reflect on whether a higher morality and intellectual integrity should transcend his anxieties about national unity A focused view of an important period in Canadian history replete with insightful stories vignettes and anecdotes *Mackenzie King in the Age of the Dictators* shows Canada flexing its foreign policy under King's cautious eye and ultimately ineffective guiding hand **W.L. Mackenzie King**,1998-12-15 This comprehensive bibliography on William Lyon Mackenzie King the most prominent Canadian politician in the first half of the twentieth century will be an invaluable reference tool for researchers in archives and libraries as well as for political scientists historians journalists and book collectors In this volume Henderson provides comprehensive lists of books articles and other material written by King or about him and his era and includes a series of appendices relating to studies on King and miscellaneous material pertaining to his life and career In addition Henderson provides a list of unsigned articles by King that appeared in newspapers and periodicals and of sound recordings and motion picture footage relating to him Finally he identifies all forewords and prefaces written by King plays written about him and books and poems dedicated to him

Mackenzie King. The incredible Canadian.)Ersch. erstmals 1952 m. d. Tit.: The incredible Canadian William Bruce Hutchison,1953 *Mackenzie King, the Incredible Canadian, by Bruce Hutchison* Bruce Hutchison,1953 Winston Churchill and Mackenzie King Terry Reardon,2012-10-06 The story of the complex relationship between two world leaders during one of the greatest crises in human history Born just two weeks apart in 1874 Winston Churchill and William Lyon

Mackenzie King had much in common Both forged long parliamentary careers and each led his country to victory in World War II A BBC poll deemed Winston Churchill the greatest Briton of all time and Mackenzie King has been judged by a group of historians as the greatest Canadian prime minister Their parallel careers fostered a working relationship that lasted almost fifty years It was not always an easy relationship however Churchill famous for his drink and cigars was impetuous and charismatic an extrovert King a teetotaler during WWII was noted for considering all options before cautiously proceeding Fate threw this ill matched pair together For the first time the vital relationship between these two very different men is explored in depth It is the story not just of two extraordinary leaders but also of the changing bonds between Britain and Canada

Four Days in Hitler's Germany Robert Teigrob,2019-05-23 In 1937 Canadian Prime Minister Mackenzie King travelled to Nazi Germany in an attempt to prevent a war that to many observers seemed inevitable The men King communed with in Berlin including Adolf Hitler assured him of the Nazi regime's peaceful intentions and King not only found their pledges sincere but even hoped for personal friendships with many of the regime's top officials Four Days in Hitler's Germany is a clearly written and engaging story that reveals why King believed that the greatest threat to peace would come from those individuals who intended to thwart the Nazi agenda which as King saw it was concerned primarily with justifiable German territorial and diplomatic readjustments Mackenzie King was certainly not alone in misreading the omens in the 1930s but it would be difficult to find a democratic leader who missed the mark by a wider margin This book seeks to explain the sources and outcomes of King's misperceptions and diplomatic failures and follows him as he returns to Germany to tour the appalling aftermath of the very war he had tried to prevent

A History of Canadian External Relations G.P. de T. Glazebrook,1966-01-01 **Zombie Army** Daniel Byers,2016-07-21 *Zombie Army* tells the story of Canada's Second World War military conscripts reluctant soldiers pejoratively referred to as zombies for their perceived similarity to the mindless movie monsters of the 1930s As Byers argues although conscripts were only liable for home defence they also soon came to be a steady source of recruits for active duty overseas While Canadian generals were criticized for championing an overseas army too large to maintain through voluntary enlistment leading inevitably to calls to send conscripts to Europe until now there has been little satisfactory explanation for why military leaders pushed for and why politicians accepted such a sizeable overseas force In the first full length book on the subject in almost forty years Byers combines underused and newly discovered records to argue that

although conscripts were only liable for home defence they soon became a steady source of recruits from which the army found volunteers to serve overseas He also challenges the traditional nationalist dominated impression that Quebec participated only grudgingly in the war

Mobilize! Larry D. Rose, 2013-10-28 Why was Canada not preparing for the Second World War when the rest of the world was ready to meet Hitler's threats Despite Canada's active participation in the First World War which many claimed made Canada a nation the country was almost defenceless in September 1939 when war was declared again Larry D Rose a long time journalist and a military specialist examines the military's own failures the hidden agenda of Prime Minister William Lyon Mackenzie King and the divisions within Canada leading up to Canada's entry into the war He suggests that the lack of preparedness was directly responsible for two of Canada's costliest military defeats the battle of Hong Kong and Dieppe

Canada, 1955

O.D. Skelton Norman Hillmer, 2013-11-01 O D Skelton The Work of the World 1923-1941 is a lively and compelling trip through the letters diary entries and official memoranda of O D Skelton one of the most important and influential civil servants in twentieth century Canada Skelton was a towering foreign policy advisor to Canada's prime ministers and a lonely advocate for the country's independence from Great Britain His accounts detail his work as he co-operated and clashed with William Lyon Mackenzie King and R B Bennett over Canada's participation in the international arena Norman Hillmer's selection and assessment of Skelton's writings offer a behind the scenes look at the inner workings of the federal government as Skelton systematically built up the Department of External Affairs and the Canadian diplomatic service as instruments of the national interest confronted the Manchurian Ethiopian and Czech crises of the 1930s aligned himself with senior francophone politicians such as Ernest Lapointe and Raoul Dandurand and watched in despair as Europe and Asia descended into war Providing avenues into a time when Canada was struggling to define itself this collection shows the ways in which O D Skelton pushed the country onto the global stage
