Mackerel Plaza:

The Mackerel Plaza Peter De Vries, 2014-10-21 An irresistible comedy about faith desire and middle class morality from the man described by Kingsley Amis as the funniest serious writer to be found on either side of the Atlantic Pity the poor reverend Andrew Mackerel of the People's Liberal Church of Avalon Connecticut His is the first split level church in America a bastion of modern thought and sophisticated virtue yet even his prosperous parishioners are not immune to the backsliding evangelism infecting other parts of the country One misguided congregant wants to sing hymns to hospital patients Another goes so far as to put up a billboard with the message Jesus Saves written in phosphorescent green and orange letters How is Mackerel supposed to write sermons with a vulgarity like that staring him in the face Worse yet the recently widowed pastor has fallen in love with Molly Calico a former actress turned city hall clerk well before the church is ready to stop mourning Mackerel's saintly wife Plans are under way for a shopping mall and memorial plaza commemorating the dear departed and Mackerel must go to ever greater lengths to keep his new romance a secret and his new paramour happy Meanwhile it is becoming clear that his devoted sister in law Hester has plans of her own when it comes to the reverend's matrimonial future As Mackerel twists and turns to get what he wants and avoid what he does not the plot of this rollicking portrait of suburban piety kicks into high and hilarious gear

Long, 2014-03-11 Tsunamis earthquakes famines diseases wars these and other devastating forces lead Christians to ask painful questions Is God all powerful Is God good How can God allow so much innocent human suffering These questions taken together have been called the theodicy problem and in this book Thomas Long explores what preachers can and should say in response he offers biblically based approaches to preaching on theodicy guided by Jesus parable of the wheat and the tares and the greatest theodicy text in Scripture The book of Job from book jacket

American Literature in Transition, 1950-1960 Steven Belletto, 2017-12-28 American Literature in Transition 1950-1960 explores the under recognized complexity and variety of 1950s American literature by focalizing discussions through a series of keywords and formats that encourage readers to draw fresh connections among literary form and concepts institutions cultures and social phenomena important to the decade The first section draws attention to the relationship between literature and cultural phenomena that were new to the 1950s The second section demonstrates the range of subject positions important in the 1950s but still not visible in many accounts of the era The third section explores key literary schools or movements associated with the decade and explains how and why they developed at this particular cultural moment The final section focuses on specific forms or genres that

grew to special prominence during the 1950s Taken together the chapters in the four sections not only encourage us to rethink familiar texts and figures in new lights but they also propose new archives for future study of the decade

The Conservative Sensibility George F. Will,2019-06-04 The Pulitzer Prize winning columnist s astonishing and enthralling New York Times bestseller and Notable Book about how the Founders belief in natural rights created a great American political tradition Booklist easily one of the best books on American Conservatism ever written Jonah Goldberg For more than four decades George F Will has attempted to discern the principles of the Western political tradition and apply them to America s civic life Today the stakes could hardly be higher Vital questions about the nature of man of rights of equality of majority rule are bubbling just beneath the surface of daily events in America The Founders vision articulated first in the Declaration of Independence and carried out in the Constitution gave the new republic a framework for government unique in world history Their beliefs in natural rights limited government religious freedom and in human virtue and dignity ushered in two centuries of American prosperity Now as Will shows conservatism is under threat both from progressives and elements inside the Republican Party America has become an administrative state while destructive trends have overtaken family life and higher education Semi autonomous executive agencies wield essentially unaccountable power Congress has failed in its duty to exercise its legislative powers And the executive branch has slipped the Constitution s leash In the intellectual battle between the vision of Founding Fathers like James Madison who advanced the notion of natural rights that pre exist government and the progressivism advanced by Woodrow Wilson the Founders have been losing It s time to reverse America s political fortunes Expansive intellectually thrilling and written with the erudite wit that has made Will beloved by millions of readers *The Conservative Sensibility* is an extraordinary new book from one of America s most celebrated political writers

The Suicide of

Christian Theology John Warwick Montgomery, 2018-01-26 A forceful scholarly call to return to the solid ground of the ancient creeds of Christianity Dr Montgomery's incisive observations on Barth Bultmann Tillich de Chardin Pike and others may rankle some readers on occasion But there can never be any question about the mental acumen he brings to bear upon his subject or the skill with which he pens his views Montgomery is so obviously at home in the area of the theological and so conversant with the convictions of his fellow theologians that he certainly must be reckoned with Not content with only analyzing the suicide of theology the author also gives a proposal for its resurrection *Oxford Dictionary of Humorous Quotations* Gyles Brandreth, 2013-10-17 Writer broadcaster and wit Gyles Brandreth has completely revised Ned Sherrin's classic collection of wisecracks one liners and anecdotes Add sparkle to your speeches and presentations or just enjoy a good laugh in company with Oscar Wilde Mark Twain Joan Rivers Kathy Lette Frankie Boyle and friends The Gospel of Matthew and Its Readers Howard W. Clarke, 2003-08-07 The Gospel of Matthew and Its Readers is a biblical commentary with a difference Howard Clarke first establishes contemporary scholarship's mainstream view of Matthew's Gospel and then presents a sampling of the ways this text has been read understood and applied through two millennia By referring forward to Matthew's readers rather than back to the text's composers the book exploits the tensions between what contemporary scholars understand to be the intent of the author of Matthew and the quite different indeed often eccentric and bizarre ways this text has been understood assimilated and applied over the years The commentary is a testament to the ambiguities and elasticity of the text and a cogent reminder that interpretations are not fixed nor texts immutably relevant And unlike other commentaries this one gives space to those who have questioned rejected or even ridiculed Matthew's messages since Bible bashing like Bible thumping is a historically significant part of the experience of reading the Bible **Comfort Me with Apples** Peter De Vries, 2014-10-21 A laugh out loud novel about teenage pretensions and adult delusions from an author whom the New York Times has called a Balzac of the station wagon set Chick Swallow and his best friend Nickie Sherman are teenage boulevardiers of Decency Connecticut devotees of Oscar Wilde who spend their evenings crafting perverse aphorisms in an ice cream parlor There is only one thing worse than not having children opines Chick and that is having them Unrepentant aesthetes someday soon they will be in Paris or New York far removed from the mainstream Then the unthinkable happens Marriage Family Dinner parties For Chick a job at the local newspaper writing an advice column punctuated by blandly inspirational Pepigrams To turn stumbling blocks into stepping stones pick up your feet For Nickie an unlikely career in law enforcement But just when it seems that their lives have settled down before they could even begin Chick begins an affair with Mrs Thicknesse a newspaper music critic of ample girth and means and a whole brouhaha breaks loose blackmail forgery secret sleuthing lawsuits There is drama in suburbia after all and Chick and Nickie are up to their necks in it A wild witty tale of friendship marriage and infidelity Comfort Me with Apples is full of the brilliant wordplay and delicious ironies that made Peter de Vries one of the best comic novelists that America has ever produced Commentary

The Fifties Spiritual Marketplace Robert S. Ellwood, 1997 Ellwood frames his detailed and lively account with the provocative idea of the fifties as a supply side free enterprise spiritual marketplace with heady competition between religious groups and leaders and with church attendance at a record high

Mahaney, 2014-04-30 Responding to the perennial temptation to tame the message about Jesus leaders such as John MacArthur John Piper Thabiti Anyabwile and R C Sproul challenge Christians to hold fast to the faith by emphasizing the importance of maintaining a pure and unadulterated view of the gospel Whether it s looking back at the New Testament and the church fathers or forward to the church s continued mission of faithful biblical preaching and thoughtful cultural engagement the contributors draw on their extensive ministry experience to offer readers a thoughtful plea for safeguarding the message of the gospel in the midst of our pluralistic world *Without a Stitch in Time* Peter De Vries, 2014-11-17 Harking from the golden age of fiction set in American suburbia the school of John Updike and Cheever this work from the great American humorist Peter De Vries looks with laughter upon its lawns its cocktails and its slightly unreal feeling of comfort *Without a Stitch in Time* a selection of forty six articles and stories written for the New Yorker between 1943 and 1973 offers pun filled autobiographical vignettes that reveal the source of De Vries s nervous wit the cognitive dissonance between his Calvinist upbringing in 1920s Chicago and the all too perfect postwar world Noted as much for his verbal fluidity and wordplay as for his ability to see humor through pain De Vries will delight both new readers and old in this uproarious modern masterpiece *This Life, This World: New Essays on Marilynne Robinson's Housekeeping, Gilead, and Home*, 2015-09-29 This book explores the author s award winning novels while also engaging her non fiction As the first book devoted entirely to Robinson and to her diverse contributions to literature and scholarship *This Life This World* familiarizes readers with the major currents in her thought and moves scholarly dialogue into new theoretical directions An interdisciplinary group the contributors bring to their subject a diversity of perspectives Romanticism ecocriticism medicine and literature religion and literature theology American Studies critical race theory and feminist and gender studies that reflects the amplitude and fecundity of Robinson s art and thought The book begins with an annotated timeline and concludes with a substantive written interview with Robinson wherein she reflects on her work and its reception A tremendous resource for Robinson enthusiasts and for readers interested in the questions she raises in her fiction and non fiction
