Macmillan Of Earliest Christian Meditations:

The Macmillan Book of Earliest Christian Meditations F. Forrester Church, Terrence J. Mulry, 1989 **Being Alive and Having to Die** Dan Cryer, 2011-10-25 One of the year's Top Ten Books on Religion and Spirituality Booklist Being Alive and Having to Die is the story of the remarkable public and private journey of Reverend Forrest Church the scholar activist and preacher whose death became a way to celebrate life Through his pulpit at the prestigious Unitarian Church of All Souls in New York Reverend Forrest Church became a champion of liberal religion and a leading opponent of the religious right An inspired preacher a thoughtful theologian and an eloquent public intellectual Church built a congregation committed to social service for people in need while writing twenty five books hosting a cable television program and being featured in People Esquire New York Magazine and on numerous national television and radio appearances Being Alive and Having to Die works on two levels as an examination of liberal religion during the past 30 years of conservative ascendancy and as a fascinating personal story Church grew up the son of Senator Frank Church of Idaho famous for combating the Vietnam War in the 1960s and the CIA in the 1970s Like many sons of powerful fathers he rebelled and took a different path in life which led him to his own prominence Then in 1991 at the height of his fame he fell in love with a married parishioner and nearly lost his pulpit Eventually he regained his stature overcame a long secret alcoholism wrote his best books and found himself diagnosed with terminal cancer His three year public journey toward death brought into focus the preciousness of life not only for himself but for his ministry Based on extraordinary access to Church and over 200 interviews with family friends and colleagues Dan Cryer bears witness to a full fascinating at times controversial life Being Alive and Having to Die is an honest look at an imperfect man and his lasting influence on modern faith **The Cathedral of the World** Forrest Church, 2010-10-12 Described by Cornel West as a towering public intellectual and the leading universalist philosopher of his generation Forrest Church was one of the preeminent liberal theologians of our time His final gift The Cathedral of the World draws from the entire span of Church's life's work to leave behind a clear statement of his universalist theology and liberal faith Giving new voice to the power of liberal religion Church invites all seekers to enter the Cathedral of the World home to many windows but only one Light *Nag Hammadi Bibliography 1970-1994* David Scholer, 2020-10-26 This is a sequel to the immensely useful Nag Hammadi Bibliography 1948 1969 which was the first volume to appear in the Nag Hammadi Studies series The volume provides a complete integration of Supplements I XXIV to the Bibliography as published in Novum Testamentum 1971 1997 with additions and corrections In total the update contains over 6092 entries Nag Hammadi and Gnostic studies continue to be of critical importance for the study of ancient religions in the Graeco Roman world and for the study of the world of early Christianity and the present bibliography provides an indispensable reference tool for work in these fields *Lifecraft* Forrest Church, 2011-06-01 The Art of Meaning in the Everyday A joyous book on the art of finding meaning in daily life Forrest Church challenges much of the modern search for meaning indeed the entire thrust of modern

theology Love & Death F. Forrester Church, 2008 On a February day in 2008 Forrest Church sent a letter to the members of his congregation informing them that he had terminal cancer his life would now be measured in months not years In that remarkable letter he wrote In more than one respect I feel very lucky He went on to promise that he would sum up his thoughts on the topics that had been so pervasive in his worklove and deathin a final book Church has been justly celebrated as a writer of American history but his works of spiritual guidance have been especially valued for their insight and inspiration As a minister Church defined religion as our human response to the dual reality of being alive and having to die The goal of life he tells us is to live in such a way that our lives will prove worth dying for This last book in his impressive oeuvre is imbued with ideas and exemplars for achieving that goal The stories he offersdrawn from his own experiences and from the lives of his friends family and parishionersare both engrossing and enlightening Forrest Church s final work may be his most lasting gift to his readers Forrest Church a deeply spiritual but always practical visionary is a minister to us all with this moving and instructive book on the lessons of life and death A lovely important book Tom Brokaw Truly a gift one that will echo in my own preaching and teaching and in my own life as well Like Moses gazing at the Promised Land he would not enter Forrest Church blesses us with his eloquence his faith and mostly his love Rabbi Harold Kushner author of When Bad Things Happen to Good People Love but it is also so much more Love Death a meditation on the end of life is really a book about lifea book that shows us how to love ourselves and others how to know God how to live I read it with inexpressible gratitude James Atlas author of My Life in the Middle Ages Forrest Church is one of our great prophetic intellectuals and compassionate voices His poignant and wise words on the two ultimate realities of our journeylove and deathreveal his grand courage and vision Cornel West author of Race Matters This beautiful book by a matchless preacher poet and author is Forrest Church in his finest hour Senator George McGovern Life Lines Forrest Church, 1997-09-17 In this eloquent personal hopeful book writer and minister Forrest Church explores the lifelines that can sustain us in times of trouble deeper connections to neighbor and stranger a better understanding of human limits and a larger view of our place in the universe

Encyclopedia of Early Christianity Everett Ferguson, 2013-10-08 First published in 1997 What s new in the Second Edition Some 250 new entries twenty five percent more than in the first edition plus twenty five new expert contributors Bibliographies are greatly expanded and updated throughout More focus on biblical books and philosophical schools their influence on early Christianity and their use by patristic writers More information about the Jewish and pagan environment of early Christianity Greatly enlarged coverage of the eastern expansion of the faith throughout Asia including persons and literature More extensive treatment of saints monasticism worship practices and modern scholars Greater emphasis on social history and more theme articles More illustrations maps and plans Additional articles on geographical regions Expanded chronological table Also includes maps *Religionless Religion* Clyde Edward Brown, 2009-06-08 In these perilous times when the very survival of the human species is at stake there is a desperate need for wisdom to provide guidance The sacred

literature of the world's major religious traditions is a source for such wisdom but it has largely been misinterpreted and misunderstood and thus instead of being a source for wisdom it has been a source for confusion and conflict. The ancient scriptures for the most part were written in a language which is quite different from ordinary language. It is a mythological language which is symbolic and therefore its meaning is hidden. In the Bible for example there are many narratives that appear to be historical but they are history that has been mythologized and therefore their surface meaning is not their real meaning. Clyde Edward Brown clearly illustrates that the correct interpretation of the world's religious texts would lead to a different concept of religion. Instead of belief in the literal truth of texts that have been misinterpreted the emphasis would be on having those religious values such as social and economic justice which are common to all religions. **One Prayer at a Time** F. Forrester Church, Terrence J. Mulry, 1989. Spiritual strength and support are at the core of these prayers inspired by the twelve step program a universal plan employed by people recovering from alcoholism and other dependencies. Represents all religions. **Earliest Christian Meditations** F. Forrester Church, Terrence J. Mulry, 1989. A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31. The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc agnostic and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease.

The Cross and the Eucharist in Early Christianity Daniel Cardó, 2019-01-24. An investigation on ancient sources patristic and liturgical on the Cross and the Eucharist that sheds light on contemporary discussions. **The Early Church at Work and Worship, Vol I** Everett Ferguson, 2014-08-28. Many recognise Everett Ferguson as the definitive voice on early Christianity patristic writing and ecclesiology. The Early Church at Work and Worship is a challenging collection broad in scope and formidable in depth. This is the first volume of Ferguson's collected essays and includes some of his most memorable work especially on laying on of hands. Practices of Ordination and attitudes to religious schism in antiquity are analysed by the scholar in this collection which not only includes articles and publications from various sources but also

previously unpublished material The Early Church at Work and Worship - Volume 1 Everett Ferguson, 2013-01-22 This is the first volume of Ferguson's collected essays and includes some of his most memorable work especially on laying on of hands New Testament Abstracts ,1989 **A Eucharist Sourcebook** J. Robert Baker, Barbara Budde, 1999 The Sourcebook series of anthologies gathers prose and poetry hymns and prayers from various times and traditions all centered on a particular theme from the seasons of the church year to the foundational moments in the life of a Christian Each collection offers a treasury of wisdom for use in homilies prayer services and personal meditation **The Father's Son** James T. O'Connor, 2001-12-27 Drawing from the living font of divine Revelation the author of The Father's Son intends to clearly present the timeless truths about the God Man Jesus of Nazareth truths as they are given to us in scripture and tradition and interpreted by the Church The Father's Son will be of value not only to seminarians and college students but to anyone else interested in learning more about Jesus Christ the Son of God true God and true man The Cumulative Book Index ,1900 A world list of books in the English language *A Cumulated Index to the Books of ..* ,1900
