Macroeconomics John E. Lunn, 1997 **Macroeconomics: A Contemporary Introduction** William A. McEachern, 2011-01-01 McEachern teaches by example It is the text that uses examples and illustrations that students will recognize when they show up for class the first day because they already have at least 17 years of personal experience with economic choices institutions and events Taking a just in time approach by introducing material just as it is needed to develop an argument **MACROECONOMICS A CONTEMPORARY INTRODUCTION** Ninth Edition truly leads by example In a decidedly user friendly tone McEachern assumes that students are already intuitively familiar with many economic concepts through their own life experiences These life experiences are then explained to students as economic concepts with clear and interesting exposition relevant case studies and a clean focused design The text s major applications take the form of Case Studies that are meant to be read and therefore are integrated into the flow of each chapter With this ninth edition the book s well crafted approach is enhanced with resources such as Aplia and CourseMate that will help your students improve their understanding and help you streamline tasks and save valuable time Important Notice Media content referenced within the product description or the product text may not be available in the ebook version

Western Civilization Jackson J. Spielvogel, 2005 This narrative weaves the political economic social religious intellectual cultural and military aspects of history Each chapter offers a substantial introduction and conclusion providing students a context for these disparate themes The author includes excerpts of over 200 primary sources including official documents poems and songs that enliven the past while introducing students to source material that forms the basis of historical scholarship <http://www.wadsworth.com>

[Introduction to Criminal Justice](#) Larry J. Siegel, 2005 This best selling text presents criminal justice as a dynamic ever changing field emphasizing how the concepts and processes of criminal justice are constantly evolving Authors Siegel and Senna emphasize a comprehensive and balanced approach to the three major areas of criminal justice police courts and corrections and to theory research and policy issues with a focus on generating students interest in the criminal justice field This text is the ultimate tool for complete student preparation and provides all of the up to date coverage of structural and procedural changes in the criminal justice system that instructors require ultimately helping students understand the critical issues in the field and the impact they have on the system

Essentials of Cultural Anthropology Garrick Alan Bailey, James Peoples, 2002 This text is a brief more affordable version of the Peoples and Bailey **HUMANITY AN INTRODUCTION TO CULTURAL ANTHROPOLOGY** Fifth Edition 2000 Its coverage of core topics smaller size and economical price make it well suited for instructors who wish to adopt a

core text along with supplemental texts such as readers and ethnographies The text shares in a briefer format the same rich characteristics that made HUMANITY a best seller over the years strong scholarship rich ethnographic examples and a unique focus on modern ethnicity and the survival of indigenous peoples Macroeconomics A.
