**Beyond an Angry God** Steve McVey, 2014-08-01 How would your life change if you really believed and could even feel that God is absolutely crazy about you Steve McVey's penetrating new look at the transforming power of God's grace leads you to that change Steve unpacks the biblical revelation of the Trinity as a loving relationship and he highlights the goal of history God intends to include us in that circle of love Steve answers troubling questions that can keep you from fully sensing God's love acceptance and forgiveness such as Why does God look like a bad cop in the Old Testament and a good cop in the New Testament At Calvary was the Father angry at the Son Is He ever angry with me Why do I sometimes feel separated from God abandoned guilty and ashamed Theologians have described the Trinity as perichoresis a dance Are you ready to be swept into the Father's embrace E-Quake Jack W. Hayford, Dolores Hayford, 1999-05-06 Pastor Jack Hayford believes the key to understanding the book of Revelation is to understand and correctly interpret the time and events surrounding the major earthquakes in Revelation In E Quake Pastor Hayford offers a practical study of the book of Revelation not a speculative or sensationalized look at prophecy Readers will understand how this revelation of Jesus Christ affects their lives today He also shows them how to live in what are perhaps the end times how to keep things in perspective how to make sure their value system and priorities are in order and how to apply the teaching of Revelation in practical ways Break Free from Survival Mode Niki Hardy, 2022-01-11 While we're not promised an easy life we are promised an abundant one and that abundance doesn't come in spite of our pain it comes in the midst of it Drawing on her own journey stories of others whose lives have shattered and lessons from often forgotten women of Scripture Hardy offers you seven practical tools for breaking free from survival mode recapturing an abundant life and thriving no matter how broken life seems God War James Axler, 2012-08-07 A deadly war of the gods has broken out and the bravest of rebels Kane is humanity's last hope to halt it Endgame has finally arrived but who will be the winner Original Aging Angry Amanda Smith Barusch, 2024 Never before in the history of humanity have so many people lived to be so very old Throughout our past a few individuals might have made it to old age but mass aging is a new concept for the human species **Sinners in the Hands of an Angry God** Jonathan Edwards, FELIPE CHAVARRO POLANIA, 2019-08-15 Preached at Enfield Connecticut on July 8 1741 this is perhaps the greatest sermon ever preached in America and is certainly among the most well known Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner it is also one of the most controversial Indeed for more than three quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men While it is difficult to read such graphic language there is abundant hope in the sermon's conclusion Edwards puts it this way And now you have an extraordinary opportunity a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon those who were present and actually heard him preach

that day reacted in a decidedly different manner According to the diary of Reverend Stephen Williams who attended the sermon Before the sermon was done there was a great moaning and crying through the whole House what shall I do to be saved oh I am going to hell etc The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction And so in spite of what the scoffers might think or say the amazing and astonishing power of God was manifested among the people that day with many falling not into the hands of an angry God but into the arms of a mighty Savior

above the mountain tops God spared Noah his wife their three sons and their wives Only eight people survived the flood Those eight people produced today s world population of eight billion Hundreds of years later God again looked at the sins of mankind and was disturbed He looked at two of the worst cities Sodom and Gomorrah and decided to destroy four cities in the evil valley Abraham asked God to spare the cities if he could find ten righteous people within the city of Sodom Abraham could only find four righteous people so God destroyed the cities with fire and brimstone Now hundreds of years after Sodom and Gomorrah God is looking at the world today He is deciding how long He will wait before He sends Christ to rapture the church age saints and destroy sinful mankind In the Bible book of Revelation God explains some of the events that will take place during the Tribulation period of seven years I have tried to capture the consequences in this book After these events there will be no reason for God to look from Heaven to earth anymore because Heaven will be on earth It is all there right in the Bible

*Getting God Wrong* G. S. Kohler, 2023-10-06 Reading a tone of voice into printed words especially the personal experience of an email or text can disconnect two people even friends Having one friend reinterpret the way another heard the words with their own tone of voice may lead them into discovering how Jesus seems to hear God differently even though he read the same Bible In *Getting God Wrong* the reader is invited into a conversation on how they taught themselves to misunderstand the One who loves them best Instructions is the same word that gets translated commandments and guidance is the same word sometimes translated law This shift of translations can affect one s emotional engagement with the ideas People have told themselves for centuries that God marched the people of Israel out of four hundred years of slavery out into the desert to tell them Now you ll be my slaves and live under my commandments What if God used a different tone of voice and not the one people usually hear as they read *Getting God Wrong* suggests that God wants people to hear his heart as clearly as Jesus lived it out in front of them Jesus is God s tone of voice
