Telling It like It Is It is a deliverance of the mind to think freely It is breaking the chains that have enslaved the mind body and soul for several generations It is telling like it has never been told before It will enlighten the human intellect in a world filled with madness and in a society that has lied repeatedly that all men are created equally There is corruption in our society that intertwines and connects to every individual in America The root cause of this corruption is fueled by the act of greed to gain power money and sex Tell it Like it is Chuck Stone,1967 **The Madman's Tale** John Katzenbach,2005-03-01

It s been twenty years since Western State Hospital was closed down and the last of its inmates reintegrated into society Francis Petrel was barely out of his teens when his family committed him to the asylum after his erratic behavior culminated in a terrifying outburst Now middle aged he leads an aimless solitary life housed in a cheap apartment periodically tended to by his sisters and perpetually medicated to quiet the chorus of voices in his head But a reunion on the grounds of the shuttered institution stirs something deep in Francis s troubled mind dark memories he thought he had laid to rest about the grisly events that led to Western State Hospital s demise It begins in 1979 when twenty one year old Petrel descends into the state run purgatory of an overcrowded understaffed Massachusetts mental hospital Surrounded by inmates roaming the halls like drugged zombies and raving behind locked doors well meaning orderlies jaded nurses and patronizing doctors Francis finds friendship with a motley assortment of fellow patients a would be Napoleon a wise ex firefighter and a man obsessed with battling imagined devils But there s nothing imaginary about the young nurse found sexually assaulted and brutally murdered late one night after lights out The police suspect an inmate while patients whisper about visions of a white shrouded angel But the striking and mysterious prosecuting attorney who arrives to investigate has her own chilling theory about the grim telltale signature left on the victim s body a string of unsolved sex killings and a very real devil who by chance or design has come to turn a madhouse into a slaughterhouse Now with the past

creeping back to haunt his thoughts and nothing but a pencil and the bare walls of his bleak apartment Francis surrenders to the overwhelming need to tell the story of those nightmarish days But because the crime was never solved it s a story doomed to remain unfinished Until like Francis s long buried recollections the killer resurfaces with a vengeance A tour de force narrative journey through the eerily unpredictable mind of an utterly unusual hero The Madman s Tale will keep even the most astute thriller reader uncertain unnerved and unable to resist the tantalizing twists and turns of this fiendishly suspenseful shadow show
