Lentz, 1997 Since Hopalong Cassidy and the Lone Ranger blazed their first trails on television in 1949, Westerns have been the genre of choice for 180 series. From *Adventures of Briscoe County* through *Zorro* and *Son*, this comprehensive reference work covers all 180 Western series. Each entry opens with a listing of the broadcast history of the series, including original network, day, and time. This is followed by a listing of the regular cast members and a brief premise of the series. The individual episodes are then covered with the title, original air date, leading guest stars, and a brief synopsis given. An exhaustive index completes the work. **The Literary World**, 1881 **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie, 1904 An author-subject index to selected general-interest periodicals of reference value in libraries.
