Madame Butterfly:

Madame Butterfly John Luther Long, 2002 These novellas appeared at the height of fin de siècle American fascination with Japanese culture Usually dismissed by critics because of their stereotypical treatment of Asian women they have been paired here to show how they defined and redefined contemporary misconceptions of the Orient **Madama Butterfly** Burton, Fisher D. Publishing Staff, 2000-04 **Madame Butterfly** Jan van Rij, 2001 The true and tragic tale behind the popular opera *Madama Butterfly/Madam Butterfly* Giacomo Puccini, 2018-01-01 Madama Butterfly is one of the most popular operas of all time despite its disastrous premiere after which it was immediately withdrawn and revised This guide explores how and why the libretto was softened to suit the tastes of European opera goers and the different variants are set out side by side Professor Jean Pierre Lehmann introduces the story and shows how the theme of a Japanese girl deserted by a heartless foreigner became a classic Since John Luther Long's novella on which the opera was based is included as well it is possible to judge how successful Puccini was in catching its essence in his hauntingly beautiful score Contents Images of the Orient John Pierre Lehmann Tribulations of a Score Julian Smith Madame Butterfly John Luther Long Madama Butterfly Libretto by Giuseppe Giacosa and Luigi Illica after the book by John Luther Long and the play by David Belasco Madam Butterfly English version based on that of R H Elkin **Starcrossed** Brian Burke-Gaffney, 2003-01-01 Giacomo Puccini's opera Madame Butterfly has enjoyed tremendous popularity in Europe and America since its debut in 1904 and has also inspired a global level debate about whether the tragic heroine Cho Cho san is based on a real life model As the setting of the opera Nagasaki holds answers to this mostly ill informed debate and yet has remained virtually silent on the topic in large part because the story of Madame Butterfly was created by and for Westerners and evokes cultural stereotypes that are absurd if not repugnant to many Japanese This book delves into the history of Nagasaki and into the literature from which the opera springs based on a wide variety of primary sources in both Japanese and Western languages It looks at the controversy about the identity of the opera's heroine and presents compelling evidence that in fact there was no real life Cho Cho san Penetrating beyond the discussion of Madame Butterfly as a work of art Burke Gaffney discusses the opera in the context of its importance as a window on Japan's changing relationship with Europe and America from the seventeenth century through the post World War II period and as a vehicle for persisting misconceptions about Japan in particular and Asia in general Finally the book looks at the present state of Nagasaki sites related to the development of Madame Butterfly and demonstrates that despite the cultural disparities evoked by the opera buried in the history of Nagasaki are many untold tales of true international romance and cooperation **A Vision of the Orient** J. L. Wisenthal, Sherrill E. Grace, Melinda Boyd, 2006-01-01 Best known as the story from the 1904 Puccini opera the compelling modern myth of Madame Butterfly has been read watched and re interpreted for many years This volume examines the Madame Butterfly narrative in a variety of cultural contexts literary musical theatrical cinematic historical and political **Madame Butterfly** John Luther Long, 1903

M. Butterfly David Henry Hwang, 2017-11-28 Winner of the Tony Award for Best Play nominated for the Pulitzer Prize for Drama and soon to be back on Broadway in a revival directed by the Lion King's Julie Taymor starring Clive Owen A brilliant play of ideas a visionary work that bridges the history and culture of two worlds Frank Rich New York Times Based on a true story that stunned the world and inspired by Giacomo Puccini's opera *Madama Butterfly* *M. Butterfly* was an immediate sensation when it premiered in 1988 It opens in the cramped prison cell where diplomat Rene Gallimard is being held captive by the French government and by his own illusions He recalls a time when Song Liling the beautiful Chinese diva touched him with a love as vivid as seductive and as elusive as a butterfly How could he have known that his true love was in fact a spy for the Chinese government and a man disguised as a woman The diplomat relives the twenty year affair from the temptation to the seduction from its consummation to the scandal that ultimately consumed them both *M. Butterfly* is one of the most compelling explosive and slyly humorous dramas ever to light the Broadway stage a work of unrivaled brilliance illuminating the conflict between men and women the differences between East and West racial stereotypes and the shadows we cast around our most cherished illusions The original cast included John Lithgow as Gallimard and BD Wong as Song Liling During the show's 777 performance run David Dukes Anthony Hopkins Tony Randall and John Rubinstein were also cast as Gallimard Hwang adapted the play for a 1993 film directed by David Cronenberg starring Jeremy Irons and John Lone

TEXT OF THE BROADWAY REVIVAL *The Hypersexuality of Race* Celine Parreñas Shimizu, 2007-07-30 A study of the Asian woman as sexual icon in visual culture

The Melancholy of Race Anne Anlin Cheng, 2000-11-30 In this groundbreaking interdisciplinary study Anne Anlin Cheng argues that we have to understand racial grief not only as the result of racism but also as a foundation for racial identity The *Melancholy of Race* proposes that racial identification is itself already a melancholic act a social category that is imaginatively supported through a dynamic of loss and compensation by which the racial other is at once rejected and retained Using psychoanalytic theories on mourning and melancholia as inroads into her subject Cheng offers a closely observed and carefully reasoned account of the minority experience as expressed in works of art by and about Asian Americans and African Americans She argues that the racial minority and dominant American culture both suffer from racial melancholia and that this insight is crucial to a productive reimagining of progressive politics Her discussion ranges from *Flower Drum Song* to *M. Butterfly* *Brown v Board of Education* to Anna Deavere Smith's *Twilight and Invisible Man* to *The Woman Warrior* in the process demonstrating that racial melancholia permeates our fantasies of citizenship assimilation and social health Her investigations reveal the common interests that social legal and literary histories of race have always shared with psychoanalysis and situates Asian American and African American identities in relation to one another within the larger process of American racialization A provocative look at a timely subject this study is essential reading for anyone interested in race studies critical theory or psychoanalysis

Berrong,2003-01-01 Writing at first anonymously and later under the pen name Pierre Loti French author Julien Viaud 1850 1923 produced a series of fictions that sympathetically portrayed male same sex desire and its accompanying societal conflicts Due to the constraints of the time Viaud had to develop various strategies for discussing his subject covertly his success in doing so is demonstrated by the great critical and commercial success he enjoyed during his lifetime which included his election to the French Academy at age forty one Richard Berrong presents a gay reading of the novels and novellas of Julien Viaud chronologically tracing his development of a distinct homosexual identity and the strategies that he employed to discuss it in a way that would not be obvious to the general public In so doing Berrong asserts that Viaud's development of a homosexual identity undermined and realigned dominant constructions of masculinity presented the need for gay community and elaborated the role of literature for gay men The first book length gay reading of Viaud's corpus this work will make an important contribution not only to the study of Viaud but also to the study of gay and lesbian history culture and literature **UNEXAMINED·EXPLORATION·SUBVERSION The Representation of Chinese Identity in David Henry Hwang's plays** Bin Xie,2020-12-10
