Madame Tussaud Waxworker Extraordinary:

Madame Tussaud, Waxworker Extraordinary Anita Leslie, Pauline Chapman, 1978 Throughout the terror of the French Revolution she moulded the heads of distinguished victims of the guillotine starting with the king and queen She came to England in 1802 and stayed until her death Waxworks Michelle E. Bloom, 2003 London 1921 The world's greatest wax sculptor watches in horror as flames consume his museum and melt his uncannily lifelike creations Twelve years later he opens a wax museum in New York Crippled, disfigured and driven mad by the fire he resorts to body snatching and murder to populate his displays preserving the bodies in wax In a thousand years you will be as lovely as you are now he assures one victim In The Mystery of the Wax Museum 1933 director Michael Curtiz perfectly captures the macabre essence of realistic wax figures that have excited the darker aspects of the public's imagination ever since Madame Tussaud established her famous museum in London in 1802 Artists too have been fascinated by wax sculptures seeing in them and in the unique properties of wax itself an eerie metaphoric power with which to address sexual anxiety fears of mortality and other morbid subjects In Waxworks Michelle E. Bloom explores the motif of the wax figure in European and American literature and art In particular she connects the myth of Pygmalion to the obsession with wax statues of women in the nineteenth century fetishization of prostitutes and female corpses and as depicted in such wax fictions as Dickens's The Old Curiosity Shop 1841 Filmmakers too have sought inspiration from wax museums and Bloom analyzes works from the silent era to such waxwork-themed Hollywood horror films as Mad Love 1935 and House of Wax 1953 Bringing her discussion to the present Bloom examines the work of contemporary artists who use the medium of wax in ways never imagined by Madame Tussaud As extravagant new wax museums open in Las Vegas Times Square and Paris Waxwork offers a provocative cultural history of this enduring and disturbing art form Dickens and the Rise of Divorce Kelly Hager, 2016-04-08 Questioning a literary history that since Ian Watt's Rise of the Novel has privileged the courtship plot Kelly Hager proposes an equally powerful but overlooked narrative focusing on the failed marriage Hager maps the legal history of marriage and divorce providing crucial background as she reveals the prevalence of the failed marriage plot in eighteenth and nineteenth century British novels Dickens's novels emerge as representative case studies in their preoccupations with the disintegration of marriage the far reaching and disastrous effects of the doctrine of coverture and the comic spectacular and monstrous possibilities afforded by the failed marriage plot Setting his narratives alongside the writings of liberal reformers like John Stuart Mill and the seemingly conservative agendas of Caroline Norton Eliza Lynn Linton and Sarah Stickney Ellis Hager also offers a more contextualized account of the competing strands of the Woman Question In the course of her revisionist readings of Dickens's novels Hager uncovers a Dickens who is neither the conservative agent of the patriarchy nor a novelistic Jeremy Bentham and reveals that tipping the marriage plot on its head forces us to adjust our understanding of the complexities of Victorian proto feminism **Her Majesty's League of Remarkable Young Ladies** Alison D. Stegert, 2023-08-03 Plots spies and

Women and the Material Culture of Death BethFowkes Tobin, 2017-07-05 Examining the compelling and often poignant connection between women and the material culture of death this collection focuses on the objects women make the images they keep the practices they use or are responsible for and the places they inhabit and construct through ritual and custom Women's material practices ranging from wearing mourning

jewelry to dressing the dead stitching memorial samplers to constructing skull boxes collecting funeral programs to collecting and studying diseased hearts making and collecting taxidermies and making sculptures honoring the death are explored in this collection as well as women's affective responses and sentimental labor that mark their expected and unexpected participation in the social practices surrounding death and the dead The largely invisible work involved in commemorating and constructing narratives and memorials about the dead from family members and friends to national figures calls attention to the role women as memory keepers for families local communities and the nation Women have tended to work collaboratively making collecting and sharing objects that conveyed sentiments about the deceased whether human or animal as well as the identity of mourners Death is about loss and many of the mourning practices that women have traditionally and are currently engaged in are about dealing with private grief and public loss as well as working to mitigate the more general anxiety that death engenders about the impermanence of life **Chambers's Journal** ,1901

Chambers's Journal of Popular Literature, Science and Arts ,1878 **Severed** Frances Larson,2014-11-06 Our history is littered with heads Over the centuries they have decorated our churches festooned our city walls and filled our museums they have been props for artists and specimens for laboratory scientists trophies for soldiers and items of barter Today as videos of decapitations circulate online and cryonicists promise that our heads may one day live on without our bodies the severed head is as contentious and compelling as ever From shrunken heads to trophies of war from memento mori to Damien Hirst's *With Dead Head* from grave robbing phrenologists to enterprising scientists Larson explores the bizarre often gruesome and confounding history of the severed head Its story is our story **Wax Museum Movies** George Higham,2020-09-18 Spanning over a century of cinema and comprised of 127 films this book analyzes the cinematic incarnations of the uncanniest place on earth wax museums Nothing is as it seems at a wax museum It is a place of wonder horror and mystery Will the figures come to life at night or are they very much dead with corpses hidden beneath their waxen shells Is the genius hand that molded them secretly scarred by a terrible tragedy longing for revenge Or is it a sinner's sanctum harboring criminals with countless places to hide in plain sight This chronological analysis includes essential behind the scenes information in addition to authoritative research comparing the creation of real wax figures to the reel ones seen onscreen Publicly accessible or hidden away in a maniac's lair wax museums have provided the perfect settings for films of all genres to thrillingly play out on the big screen since the dawn of cinema **Magic and Illusion in the Movies** George Higham,2024-11-13 From top hats to top secrets this book is a celebration of illusion technology and mechanisms of trickery through a genre crossing selection of films Heroes villains spies con men and madmen magicians all have utilized complex constructs and trickery in thrilling cinematic adventures from the earliest days of cinema to the present Current blockbusters such as *Spider Man* *Far from Home* and the *Mission Impossible* series feature amazing acts of deception often appearing far fetched that are in fact surprisingly close to today's technology Along with the James Bond saga classics such

as *The Wizard of Oz* *Nightmare Alley* and *The Sting* are joined by a host of other movies superficially seeming to be very different yet proving there is more than meets the eye **How Not to Write a Play** Walter Kerr, 1996 Most young playwrights nowadays want to learn how to write a play This seems to me to be a mistake Thus begins the first chapter of Walter Kerr's fascinating book on the art of playwriting Taking an about face look at the creative process with chapters such as *How to Spoil a Good Story* Mr Kerr leads us through the exciting and daring adventure of successfully bringing a play to fulfillment There is no point in pretending that this is not going to be an argumentative book or that overemphasis isn't going to crop up pretty frequently in the chapters that follow The face of our theater is so familiar to us that we shall never see its features without blowing them up a bit one by one And it does seem to me that we had better do some arguing quick Walter Kerr drama critic playwright teacher director and winner of a Pulitzer Prize for Drama Criticism served as drama critic for the New York Herald Tribune and was chief critic for the Sunday New York Times until his retirement from back cover
