**Maddon's Rock** Hammond Innes, 2016-11-15 The chilling story of desperate men on a doomed ship during World War II from Great Britain's leading adventure novelist Financial Times For three weeks Cpl James Landon Vardy has waited in Murmansk a frozen northern port of the Soviet Union hoping a ship will come to take him home He's British in Russia to help with the war effort and as he shivers in the icy port he dreams of spring in England Finally a miracle a ship But when Vardy boards the Trikkala he has no idea he's stepping into hell From the first day Vardy senses the Trikkala is doomed Her officers are drunk her lifeboats are leaky and the mysterious crates supposedly carrying machine parts actually contain a fortune in silver bullion In the early hours of a frigid morning on the North Sea Vardy realizes the ship is peeling away from its convoy into dangerous waters a suicidal decision that takes the Trikkala directly into a minefield The Trikkala might never reach port but Vardy's adventure is just beginning In the tradition of *The Caine Mutiny* and *Mutiny on the Bounty* Maddon's *Rock* is a marvelously realistic story of corruption crime and justice on the high seas **Maddon's Rock** Hammond Innes, 1968

**Maddon's Rock** Hammond Innes, 1960 *Maddon's Rock. supernatural element to the team's repeated losses that kept fans suffering but also served to strengthen their loyalty. Three hard hitting thrillers from the author of *The Wreck of the Mary Deare* and Great Britain's leading adventure novelist. Financial Times British novelist Hammond Innes was perhaps best known for his nautical mystery *The Wreck of the Mary Deare* which was made into a film starring Gary Cooper and Charlton Heston. But the prolific writer, World War II veteran and dedicated yachtsman wrote over thirty novels of adventure and suspense during his long career. The collected fiction gathered here follows three very different quests and spans the locales of Western Australia, the North Sea and the Arabian Desert. As always for sheer excitement, Hammond Innes will be hard to beat. *Daphne du Maurier's Golden Soak*. In this tenacious adventure, Alec Falls, a ruined and unscrupulous tin miner, travels to the forbidding desert of Western Australia in search of the legendary abandoned gold mine known as Golden Soak. Kirkus Reviews. But the mine is empty, the land is dry, and the people of the desert feed on men like Falls. To make the fortune he craves, he must pull water from the sand and gold from thin air. As good as any story can be. *The Times* London. Maddon's *Rock Stranded* in a Russian port for weeks during World War II. Corporal James Vardy finally boards the *Trikkala* hoping to return to England. But quickly he senses the vessel is doomed. Her officers are drunk, her lifeboats are leaky, and the mysterious crates supposedly carrying machine parts actually contain a fortune in silver bullion. On the North Sea, he realizes the ship is peeling away from its convoy, a suicidal decision that takes the *Trikkala* and Vardy directly into troubled waters. Also published in the United States as *Gale Warnings*. Exciting a new high in action adventure in a story of modern piracy, treasure raising, false charges of mutiny, and a fighting finish. Kirkus Reviews. *The Doomed Oasis*. Col Charles Stanley Whitaker is a legendary figure who made his fortune in the oil fields of the Arabian Desert, becoming more Bedouin than British. Three years ago, his illegitimate nineteen-year-old son David Thomas embarked on a quest to find him. Now David has seemingly vanished into the desert. Unraveling the mystery of his disappearance will culminate in the oasis town of Saraifa, where water is as valuable as oil and life can be cheap. The writing shines as vivid and sharp as the desert sun. Gavin Lyall.

A sweeping adventure set in the Arabian Desert where the shadow of British colonialism threatens to destroy a father and son. Three years ago, nineteen-year-old David Thomas beat his father to death. Actually, David only punched the old man, but it was hard enough to cause him to have a fatal stroke. And the man wasn't really David's father at all. The fight started because David learned that his true father was Col Charles Stanley Whitaker, a legendary figure who made his fortune in the oil fields of the Arabian Desert. With the help of George Grant, a lawyer he'd just met, David escaped the police and set out to find his real father. But like so many travelers before him, he was swallowed by the desert and never seen again. Now Grant is working
