**Made in Norway** Kjell Habert, Arild Lillebø, 1988      **History of the Norwegian People in America** Olaf Morgan Norlie, 1925 Background history of Norway immigration organizations and people in Norweigna America      **Permanent Establishment** Arvid Aage Skaar, 2020-06-19 A new edition of the preeminent work on the permanent establishment PE is a major event in tax law scholarship Taking into account changes in judicial and administrative practice as well as the Organisation for Economic Co operation and Development s OECD s and the United Nation s UN s work in the three decades since the first edition the present study brings the analysis up to date with the current internationally accepted interpretation of PE The analysis is based on more than 720 cases from more than 20 countries in addition to the OECD and UN model treaties and more than 630 books articles and official documents The increased significance of the digital economy has rendered the traditional concept of PE inadequate for the allocation of taxing jurisdiction over the modern mobile or digital international business The author s in depth analysis explains the legal elements of the PE principle with attention to their continuing benefit and their shortcomings criteria defining a PE place of business location right of use duration business connection business activity ordinary course of business evidence of a right of use to a place of business business activities included in the PE concept of the tax treaties identification of projects offshore and onshore UN model treaty deviations from the OECD agency clause distinction between jurisdictions with significant natural resources and countries possessing the capital technology and know how necessary to explore and exploit these resources and how policies in each country may erode the PE concept The book provides many synopses of court decisions and administrative rulings upon which the analysis is based In addition to cases previously published in law reports and other publications a number of unpublished decisions are included A key word index makes it easy to find what is needed in any particular matter The PE principle in one version or another is used in several thousand tax treaties in force today This updated comprehensive study reveals the obligations imposed through the use of PE in tax treaties and will continue to be of immeasurable value to tax practitioners and scholars worldwide In addition the discussion of whether the notion of PE is an appropriate criterion for taxing jurisdiction in international fiscal law today provides authoritative and insightful food for thought      **History of the Norwegian People** Knut Gjerset, 1915      Norway's War Robert Ferguson, 2025-03-27 In the early morning of 9 April 1940 a fleet of German battleships entered the Oslofjord Norwegian artillery delayed them long enough for King Haakon VII and his cabinet to escape to England but there was no stopping the Nazi Blitzkrieg Norway stood on the cusp of a traumatic five year occupation whose aftershocks would continue to trouble its national consciousness long after the defeated Germans departed in May 1945 Robert Ferguson tells the extraordinary and relatively little known story of the occupation and its judicial aftermath He focuses in particular on German attempts to use a Norwegian Nazi administration under Vidkun Quisling to impose a National Socialist revolution on the country and on the many brave and ingenious ways in which the Norwegians

resisted Ferguson describes the occupation in all its aspects from Nazi terror to non violent resistance from censorship to sabotage via a series of heterogeneous but interlinked narratives Key players in the occupation and its wider story including the pitiless Reichskommissar Josef Terboven the Norwegian crime writer turned SS strongman Jonas Lie the principled Lutheran bishop Eivind Berggrav and the enigmatic double agent Gunnar Waaler are drawn in memorably vivid colours A riveting account of the Second World War s forgotten occupation Norway s War evokes in moving fashion the moral and physical courage of a people who faced with the brutal tyranny of a totalitarian invader refused to be cowed
