**Survival in Paradise** Manfred Wolf, 2014-04-10 *Survival in Paradise Sketches From a Refugee Life in Curaao* is a funny moving memoir of growing up in the Caribbean West Indies in the aftermath of World War Two. The narrative covers Manfred's childhood and adolescent years in Suriname and Curacao between 1942 to 1951, focusing on his development between the ages of eight and seventeen. In doing so, it renders through specific moments the long sad shadow cast by the war over the refugees. In Curacao, the Wolf family's life was shaped by three occasionally clashing cultures: colonial Dutch, native Curaaoan, and of course the refugee culture itself. The family found itself surrounded by a joyous tropical culture, one to which as a boy Manfred yearned to belong. Meanwhile, his parents each in their own way brooded about the horrors so recently experienced and never fully left behind. *Harper's New Monthly Magazine*, 1852

**Through a glass, darkly** Dickie Twort, 2012-01-03 A story of dissemblance. The title derives from a Biblical quote which beautifully expresses the perplexity of our condition: namely that we have to live even though none of the reference points we get our bearings from really makes complete sense. I have used those images and ideas which interest me most: European history, cycling, physics, sitting in cafes, as metaphors for the ephemeral nature of this world, and also as metaphors for each other. I enjoy playing with the contradictions and confusions this generates, but also with the linkages which to me, at any rate, make some kind of sense of it all. *John Joseph Mathews*

Michael Snyder, 2017-05-11 John Joseph Mathews 1894-1979 is one of Oklahoma's most revered twentieth-century authors. An Osage Indian, he was also one of the first Indigenous authors to gain national renown. Yet fame did not come easily to Mathews, and his personality was full of contradictions. In this captivating biography, Michael Snyder provides the first book-length account of this fascinating figure. Known as Jo to all his friends, Mathews had a multifaceted identity: A novelist, naturalist, biographer, historian, and tribal preservationist, he was a true man of letters. Snyder draws on a wealth of sources, many of them previously untapped, to narrate Mathews's story. Much of the writer's family life, especially his two marriages and his relationships with his two children and two stepchildren, is explored here for the first time. Born in the town of Pawhuska in Indian Territory, Mathews attended the University of Oklahoma before venturing abroad and earning a second degree from Oxford. He served as a flight instructor during World War I, traveled across Europe and northern Africa, and bought and sold land in California. A proud Osage who devoted himself to preserving Osage culture, Mathews also served as tribal councilman and cultural historian for the Osage Nation. Like many gifted artists, Mathews was not without flaws. And perhaps in the eyes of some critics, he occupies a nebulous space in literary history. Through insightful analysis of his major works, especially his semiautobiographical novel *Sundown* and his meditative *Talking to the Moon*, Snyder revises this impression. The story he tells of one remarkable individual is also the story of the Osage Nation, the state of Oklahoma, and Native America in the twentieth century. *n+1*, *Number One: Negation*, **Sight Reading Schumann**

Lee Passarello, 2007 **Motor Age**, 1914 *Twenty Thousand Mornings* John Joseph Mathews, 2012-10-10 When John

Joseph Mathews 1894 1979 began his career as a writer in the 1930s he was one of only a small number of Native American authors writing for a national audience Today he is widely recognized as a founder and shaper of twentieth century Native American literature *Twenty Thousand Mornings* is Mathews s intimate chronicle of his formative years Written in 1965 67 but only recently discovered this work captures Osage life in pre statehood Oklahoma and recounts many remarkable events in early twentieth century history Born in Pawhuska Osage Nation Mathews was the only surviving son of a mixed blood Osage father and a French American mother Within these pages he lovingly depicts his close relationships with family members and friends Yet always drawn to solitude and the natural world he wanders the Osage Hills in search of tranquil swimming holes and new adventures Overturning misguided critical attempts to confine Mathews to either Indian or white identity *Twenty Thousand Mornings* shows him as a young man of his time He goes to dances and movies attends the brand new University of Oklahoma and joins the Air Service as a flight instructor during World War I spawning a lifelong fascination with aviation His accounts of wartime experiences include unforgettable descriptions of his first solo flight and growing skill in night flying Eventually Mathews gives up piloting to become a student again this time at Oxford University where he begins to mature as an intellectual In her insightful introduction and explanatory notes Susan Kalter places Mathews s work in the context of his life and career as a novelist historian naturalist and scholar Kalter draws on his unpublished diaries revealing aspects of his personal life that have previously been misunderstood In addressing the significance of this posthumous work she posits that *Twenty Thousand Mornings* will challenge defy and perhaps redefine studies of American Indian autobiography
