Madness Chaos And Violence Therapy With Families At The Brink:

Madness, Chaos, and Violence John Brendler, Michael Silver, Madlynn Haber, John Sargent, 1998-01-01 Argues that the key to successful treatment of families is not to relieve symptoms but rather to induce a crisis by actually amplifying stress Demonstrates how in the context of a trusting therapeutic relationship crisis can be used to create a dynamic tension that can catalyze transformation Shows the reader how the therapist challenges the family's rules traditions exposes hidden coalitions attacks destructive entanglements Using dramatic case vignettes to illustrate their therapeutic principles the authors demonstrate how these challenges help the family learn new interactions discover unknown strengths *Children*

in Family Contexts Lee Combrinck-Graham, 2013-12-17 Now in a fully revised and updated second edition this text and professional resource provides a practical guide to family based therapy for childhood emotional and behavioral problems Presented are innovative assessment and treatment strategies that take into account children's developmental needs different family forms health and environmental challenges and relationships with larger systems Reflecting 15 years of clinical advances and the changing contexts of family life the second edition features many new chapters and new authors New topics include gene environment interactions integrating family therapy with child pharmacotherapy working with foster families and treating disrupted attachments **The Adolescent in Family Therapy** Joseph A. Micucci, 2009-07-20

Rich with clinical wisdom this successful text and practitioner guide offers a comprehensive framework for treating adolescent problems in the family context Even as teenagers become increasingly independent Joseph Micucci shows they still need parental guidance and nurturance By strengthening family relationships clinicians can alleviate symptoms and promote behavioral change Vivid examples and session transcripts illustrate specific strategies for treating eating disorders depression anxiety defiance underachievement and other frequently encountered challenges Weaving together family therapy techniques with ideas from psychodynamic and cognitive behavioral approaches the book has a pragmatic focus on effective interventions for getting adolescent development back on track New to This Edition Thoroughly updated to reflect current research and reader feedback Chapter on adolescent anxiety disorders Expanded coverage of attachment issues lesbian gay and bisexual youth and racial and ethnic identity New case material one of the book's most popular features

Couples Barbara Jo Brothers, 2014-04-23 *Couples Building Bridges* shows therapists how to successfully apply basic principles of human interaction and communication to help facilitate intimate connections between people Using the approaches in this book you will see how the bridge between couples materializes naturally as a result of the combination of respect truth careful observations awareness and shared information Contributors in *Couples Building Bridges* encourage therapists to bring their own behavior into awareness to see themselves as the major instrument of change in the therapy process and to recognize that work must begin with themselves before starting to work with couples However the book stresses that therapy is not something performed on a couple but rather a process geared toward increasing the range of
