Madonna as Postmodern Myth Georges-Claude Guilbert,2002-11-11 Madonna has long been accepted as a pop culture icon but this text postulates a greater cultural importance by analyzing her as a postmodern myth This work examines how Madonna methodically discovered and constructed herself often rewriting her past the nature and extent of her ambition and the means she used to reach her goals It also details the way in which she organized her own cult borrowing from the gay community devised her artistic output and cunningly targeted different audiences It also studies the fundamental contradiction virgin or vamp saint or prostitute that fuels Madonna s career and describes how Madonna reflects today s society its contradictions and its attitudes toward sexuality and religion *'Rock On': Women, Ageing and Popular Music* Abigail Gardner,2016-03-16 For female pop stars whose star bodies and star performances are undisputedly the objects of a sexualized external gaze the process of ageing in public poses particular challenges Taking a broadly feminist perspective Rock On women ageing and popular music shifts popular music studies in a new direction Focussing on British American and Latina women performers and ageing the collection investigates the cultural work performed by artists such as Shirley Bassey Petula Clark Madonna Celia Cruz Grace Jones and Courtney Love The study crosses generations of performers and audiences enabling an examination of changing socio historical contexts and an exploration of the relationships at play between performance strategies star persona and the popular music press For instance the strategies employed by Madonna and Grace Jones to engage with the processes and issues related to public ageing are not the same as those employed by Courtney Love or Celia Cruz The essays in this insightful collection reflect on the ways that artists and fans destabilise both the linear trajectories and the compelling weight of expectations regarding ageing by employing different modalities of resistance through persona re invention nostalgia postmodern intertextuality and even early death as the ultimate denial of age **Culture Wars** Roger Chapman,2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today *Women in Music* Karin Pendle,Melinda Boyd,2005-09-19 First published in 2006 Routledge is an imprint of Taylor Francis an Informa company *The Popular Music Teaching Handbook* B. Lee Cooper,Rebecca A. Condon,2004-04-30 The function of print resources as instructional guides and descriptors of popular music pedagogy are addressed in this concise volume Increasingly public school teachers and college level faculty members are introducing and utilizing music related educational approaches in their classrooms

This book lists reports dealing with popular music resources as classroom teaching materials and will stimulate further thought among students and teachers. It focuses on the growing spectrum of published scholarship available to instructors in specific teaching fields: art, geography, social studies, urban studies, and so on, as well as on the multitude of general resources including biographical directories and encyclopedias of artist profiles. Building on two recent publications, *Teaching with Popular Music Resources: A Bibliography of Interdisciplinary Instructional Approaches* (Popular Music and Society XXII no 2, Summer 1998) and *American Culture Interpreted through Popular Music: Interdisciplinary Teaching Approaches* (Bowling Green State University Popular Press, 2000), this volume focuses on the growing spectrum of published scholarship that is available to instructors in specific teaching fields: art, geography, social studies, urban studies, and so on, as well as on the multitude of general resources including biographical directories and encyclopedias of artist profiles.

Feeling Italian
Thomas J. Ferraro, 2005-05 Southern Italian emigration to the United States peaked a full century ago; descendants are now fourth and fifth generation, dispersed from their old industrial neighborhoods, professionalized and fully integrated into the melting pot. Surely the social historians are right: Italian Americans are fading into the twilight of their ethnicity. So why is the American imagination enthralled by The Sopranos and other portraits of Italian-ness?

Female Celebrity and Ageing
Deborah Jermyn, 2016-04-29 Female Celebrity and Ageing Back in the Spotlight interrogates the myriad ways in which celebrity culture constructs highly visible ideologies of femininity and ageing, and how ageing female celebrities have negotiated the media in a variety of industrial, historical, and national contexts. In the era when the baby boomers have started drawing their pensions, the boundaries of what constitutes old age have never seemed more fluid, and ageing has never been presented by advertisers and marketers in a more dynamic fashion. However, the fact remains that ageing is still widely feared, and growing old is an inherently gendered process in which ageing women are paradoxically both rendered invisible and subjected to damning scrutiny. Nowhere is this conflicting state of affairs more evident than in celebrity culture, where ageing female stars are praised for growing old gracefully one moment and condemned for letting themselves go the next when they fail to age appropriately. Examining a variety of themes and ageing women in the spotlight, from Barbara Stanwyck to Madonna to Charlotte Rampling, the essays collected here forge new critical and conceptual insights into how women grow older in the media and the implications of this for what Susan Sontag memorably called the double standard of ageing. This book is based on a special issue of *Celebrity Studies*.

Fashion-Wise
Maria Vaccarella, Jacquelyn Foltyn, 2019-01-04 This volume was first published by Interdisciplinary Press in 2013. Fashion-Wise offers an interdisciplinary and transcultural approach to the phenomenon of fashion, investigating its historical, socio-political, and artistic aspects. The chapters collected in the volume discuss fashion in the contexts of personal and national identity, gender politics, phenomenology, psychoanalysis, history, consumer culture, ethics, education, performance studies, authenticity, disability studies, sport, and celebrity culture. The authors included in this seven-part volume not only comment on the ways in which we have been consuming fashion across

Madonna Companion Introduction

In today's digital age, the availability of Madonna Companion books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Madonna Companion books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Madonna Companion books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Madonna Companion versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Madonna Companion books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Madonna Companion books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Madonna Companion books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Madonna Companion books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Madonna Companion books and manuals for download and embark on your journey of knowledge?
