Encyclopedia of Italian Literary Studies: A-J Gaetana Marrone,2007 Publisher description **Italian Women's Autobiographical Writings in the Twentieth Century** Ursula Fanning,2017-09-07 This book highlights the centrality of the autobiographical enterprise to Italian women's writing through the twentieth century a century that has frequently been referred to as the century of the self Ursula Fanning addresses the thorny issue of essentialism potentially involved in underlining links between women's writing and autobiographical modes and ultimately rejects it in favor of an argument based on the cultural linguistic and literary marginalization of women writers within the Italian context It is concerned with Italian women writers various ways of grappling with constructions of subjectivity throughout the century and sets out to explore them Fanning reads autobiographical writing as subject to many of the same constraints as fiction and in doing so draws attention to the significance of the recurring use of the terms pure and impure in many critical and theoretical discussions of the autobiographical where pure is used to suggest a truthful representation of a life while impure suggests the messy undertaking of mixing lived experience with fiction Recurring patterns and paradigms are found in the works of the various writers considered eighteen in all and these paradigms are analyzed through close readings of their works These close readings offer insights into approaches to the constructions of subjectivity in the narratives and are informed by feminist theories The chapters focus on selves in relationship taking their lead from the patterns unfolding in the writers work hence the subjects are constructed as daughters with different views of the self in relation to fathers and mothers within the confines of the romantic relationship which involves reconsiderations and rewritings of the romance plot as maternal subjects and as writers with an eye on their relationship to the literary canon as well as to the relationship with readers This book argues that there is such a thing as gendered subjectivity and that its constructions may be traced through the texts analyzed **Identità femminile e psicoanalisi** Caterina Arcidiacono,1996 *Great Italian Stories* Various,2024-01-11 A spellbinding selection of short stories in the original Italian alongside their English translations This new dual language edition of ten stories selected from The Penguin Book of Italian Short Stories celebrates some of the very best twentieth century literature from Italy Each story appears in the original Italian alongside an expert English translation providing unique cultural insight and literary inspiration for language learners Ranging from a spellbinding tale of the supernatural to a powerful portrait of post war Italy this revelatory collection includes works from beloved authors Italo Calvino Fausta Cialente Alba de Céspedes Grazia Deledda Natalia Ginzburg Elsa Morante Lalla Romano Umberto Saba Alberto Savinio and Elio Vittorini **Due in una. Dal legame madre-figlia alla relazione terapeutica donna-donna** Anna Cotugno,1999 **From Margins to Mainstream** Carol Lazzaro-Weiss,2011-09-16 Carol Lazzaro Weiss studies the

fiction of twenty five contemporary Italian women writers Arguing for a notion of gender and genre she runs counter to many Anglo American and French feminist theorists who contend that traditional genres cannot readily serve as vehicles for feminist expression

The New Italian Novel Zygmunt G. Bara?ski,Lino Pertile,1997-01-01 Since the late 1960 s there have been many important Italian writers whose work remains unknown outside Italy This ground breaking book offers general critical introductions to fifteen contemporary novelists whose work is of an international calibre

Del genere sessuale Adele Nunziante-Cesaro,1996 possibile definire in psicanalisi ci che femminile e ci che maschile Qual il percorso dell identit di genere nei due sessi a partire dall essere nati da donna e quali le conseguenze che si riverberano nello sviluppo I vari saggi di questo volume tendono a dare risposta a questi e altri interrogativi dando vita via via ad una teorizzazione psicoanalitica della differenza e delle differenze nella formazione dell identit di genere

Writing Mothers and Daughters Adalgisa Giorgio,2002 The psychoanalytic discovery of the importance of the preoedipal mother daughter bond in the 1970s had an important impact on feminist literature This book offers a systematic study of this theme in western European fiction

Le strutture elementari della parentela Claude Lévi-Strauss,2003

Corporeal Bonds Patrizia Sambuco,2012-06-11 The mother daughter relationship is a popular theme in contemporary Italian writing but has never before been analysed in a comprehensive book length study In *Corporeal Bonds* Patrizia Sambuco analyses novels by authors such as Elsa Morante Francesca Sanvitale Mariateresa Di Lascia and Elena Ferrante each of which is narrated from the daughter s point of view and depicts the daughter s bond with the mother Highlighting the recurrent images throughout these works Sambuco traces these back to alternative forms of communication between mother and daughter as well as to the female body Sambuco also explores the attempts of the daughter narrators to define a female self that is outside the constrictions of patriarchal society Through these investigations *Corporeal Bonds* identifies a strong connection between the ideas of post Lacanian critical theorists Italian feminist thinkers and the stories within the novels

Speculative Identities Rita Wilson,2017-12-02 Since the early 1980s the novel has been deemed by many Italian women writers to be the most apt vehicle for creating positive images of the future of women The novel becomes the space for confession while at the same time allowing greater expressive freedom There is no longer one voice for the feminine role and by creating heroines who are also intellectuals these authors offer their readers models of alternative versions of self This study is a partial inventory of the new women s narrative and aims to provide a broad literary framework through which both the general reader and the student can appreciate the characteristics and innovations of contemporary Italian women s fiction The writers chosen for this study Ginerva Bompiani Edith Bruck Paola Capriolo Francesca Duranti Rosetta Loy Giuliana Morandini Marta Morazzoni Anna Maria Ortese Sandra Petrignanni Fabrizia Ramondino Elisabetta Rasy and Francesca Sanvitale have achieved both critical acclaim and public recognition and their texts show the richness of voices topics and structures in Italian women s writing today
