The Last Honest Man James Risen,2023-05-09 NEW YORK TIMES

*Syndicate Women* Chris M. Smith, 2019-07-02 In *Syndicate Women* sociologist Chris M Smith uncovers a unique historical puzzle women composed a substantial part of Chicago organized crime in the early 1900s but during Prohibition 1920-1933 when criminal opportunities increased and crime was most profitable women were largely excluded During the Prohibition era the markets for organized crime became less territorial and less specialized and criminal organizations were restructured to require relationships with crime bosses These processes began with and reproduced gender inequality The book places organized crime within a gender based theoretical framework while assessing patterns of relationships that have implications for non criminal and more general societal issues around gender As a work of criminology that draws on both historical methods and contemporary social network analysis *Syndicate Women* centers the women who have been erased from analyses of gender and crime and breathes new life into our understanding of the gender gap **J Edgar Hoover** Curt Gentry, 2001-03-06 A study of J Edgar Hoover and how he influenced American politics presidents civil rights movements etc during his fifty years as director of FBI **John F. **American Legacy** C. David Heymann, 2007-07-10 From the moment of their births John and Caroline Kennedy occupied a central position in what is generally regarded as the most famous family in the United States if not the world Even as young children growing up in the White House their most subtle gestures and actions made headlines Yet until now they have not been the subject of a dual biography In that sense this volume represents a first In American Legacy 1 New York Times bestselling author C David Heymann draws upon a voluminous archive of personal interviews to present a telling portrait of John and Caroline Kennedy A longtime biographer of various members of the Kennedy clan including Jackie and Robert Kennedy Heymann covers John s and Caroline s childhood in the White House the dark aftermath of their father s assassination their uneasy adolescence and the many challenges they faced as adults all under the glaring eye of the media He reveals John s and Caroline s loving but at times trying relationship with their larger than life mother as well as Jackie s own emotional struggles romantic relationships and financial concerns following JFK s death Other revelations brought to light for the first time in American Legacy include the assassination attempt made on Jackie just before she gave birth to John JFK Jr s romantic escapades prior to marrying Carolyn Bessette and accounts of the predominantly happy marriage they shared despite criticisms from questionable sources the shocking report of the autopsy performed on John following the tragic plane crash that killed him Carolyn and her sister Lauren Caroline s rise to become one of the wealthiest women in America and her life now as the sole keeper of her family s magnificently complex legacy Utterly compelling and full of new and fascinating details American Legacy overturns much of what we thought we knew about two of the most talked about members of the Kennedy family

**Hidden Power** James Cockayne, 2017-10-01 What should we make of the outsized role organized crime plays in conflict and crisis from drug wars in Mexico to human smuggling in North Africa from the struggle in Crimea to scandals in Kabul How can we deal with the convergence of politics and crime in so called mafia states such as Guinea Bissau North Korea or as some argue Russia Drawing on unpublished government documents and mafia memoirs James Cockayne discovers the strategic logic of organized crime hidden in a century of

forgotten political criminal collaboration in New York Sicily and the Caribbean He reveals states and mafias competing and collaborating in a competition for governmental power He discovers mafias influencing elections changing constitutions organizing domestic insurgencies and transnational terrorism negotiating peace deals and forming governmental joint ventures with ruling groups And he sees mafias working with the US government to spy on American citizens catch Nazis try to assassinate Fidel Castro invade and govern Sicily and playing unappreciated roles in the Bay of Pigs fiasco and the Cuban Missile Crisis     Mafia Princess Antoinette Giancana, Thomas C. Renner, 1984 Growing up in Sam Giancana's family

**Dino** Nick Tosches, 1999-04-13 From dealing blackjack in the small time gangster town of Steubenville Ohio to carousing with the famous Rat Pack in a Hollywood he called home Dean Martin lived in a grandstand guttering life of booze broads and big money He rubbed shoulders with the mob the Kennedys and Hollywood's biggest stars He was one of America's favorite entertainers But no one really knew him Now Nick Tosches reveals the man behind the image the dark side of the American dream It's a wild illuminating sometimes shocking tale of sex ambition heartaches and a life lived hard fast and without apologies

**Mr. Chairman** James L. Merriner, 2002-10-11 The story of Dan Rostenkowski's rise and fall provides one of the keys to how power is sought won exercised and distributed in contemporary America argues political journalist James L. Merriner A literal son of the Chicago political machine Rostenkowski was installed in politics by his father Alderman Joseph P. Rostenkowski and by his mentor Mayor Richard J. Daley In his thirty six year congressional career he served nine presidents forming close friendships with many of them His legislative masterpiece was the 1986 tax reform law Eight years later he was indicted on federal charges for misusing tax dollars and campaign funds In his dealings with the man who tumbled dramatically from his high position as chair of the powerful House Ways and Means Committee all the way down to a cell in a federal prison in Wisconsin Merriner finds Rostenkowski candid straightforward and authentic except when it came to his own finances Rostenkowski is not a complex man in need of psychoanalysis on the part of his biographer and Merriner does not indulge in much of that Purely simply and openly Rostenkowski wanted power He wanted wealth He got both and Merriner shows us how Merriner sees mythic qualities in Rostenkowski characterizing him as the tall bold slugger of Carl Sandburg's 1916 poem about Chicago Noting that this master politician climbed to fantastic peaks only to fall hard and fast Merriner points out that Rostenkowski's life ascended from power in the political science sense to tragedy in the classical sense The Justice Department and the electorate sacrificed Rostenkowski as an embodiment of the excesses of big government Like the Greek chorus of tragedy major media reported the scandal to the masses Yet Merriner does not strain to make his subject fit a classical mold He tells instead the story of a great man who was also a little man a statesman and a crook an emotional man an American original This was also a man unbeaten by his troubles a man who emerged from prison unabashed This illustrated biography is not authorized by Rostenkowski who declined Merriner's interview requests after June 1995 His sources are the public record previous interviews with Rostenkowski and with many other sources before and

after 1995 and his own political acumen gained from decades on the political scene      Coup d'Etat Jones, Barry,2015-03-12

Coup d'Etat The Overthrow of an American President is dedicated to all those who believe the real truth behind the JFK assassination has been ignored or worse covered up This project is my attempt to answer three basic questions Why was President Kennedy assassinated Who benefitted And who had the power to cover it up Coup d'Etat makes the case that President John F Kennedy was killed by four powerful forces with interlocking interests all of which were being blocked by the President and his policies The money and accompanying intensity behind these interests united shadowy conspirators in a complicated plot to decapitate Camelot and use a diversion to cover it up afterwards It was a hostile takeover a putsch In effect it was the second American revolution the result being a violent overthrow of a duly elected legitimate government It was a Coup d'Etat      The Good Son Christopher Andersen,2015-06-09 Like many parents and children Jacqueline Kennedy Onassis and JFK Jr shared an intense tender and often tempestuous bond It was quite simply the most important relationship in John's life With riveting insight Andersen reveals how mother and son influenced challenged and supported each other through good times and bad unveiling startling new details about a family we thought we already knew John's reaction to his mother's bout with suicidal depression and growing dependence on prescription drugs the surreal and ultimately catastrophic impact of the Onassis years the premonitions that terrified Jackie about John's fate Jackie's success at keeping John away from his hellraising cousins and his complicated relationship with the rest of the clan the power she wielded over his affairs with Madonna Sarah Jessica Parker Daryl Hannah and others how John privately handled the scandalous revelations about his parents marriage the secrets about John's own turbulent marriage and his senseless death Bittersweet provocative thoughtful and inspiring this is the often heartbreaking tale of two lives tested by history and tragedy From publisher description      **The Bay of Pigs** Howard Jones,2008 Jones provides an account of President Eisenhower's disastrous attempt to overthrow Fidel Castro He examines the train of missteps and self deceptions that led to the invasion of the Bay of Pigs by U S trained exiles      Sinatra in Hollywood Tom Santopietro,2009-11-10 Hollywood legend Academy Award winning actor and recipient of the Golden Globe Award for lifetime achievement in film Frank Sinatra carved out one of the biggest careers in the history of Hollywood yet paradoxically his screen legacy has been overshadowed by his extraordinary achievements as a singer and recording artist Until now With the publication of Sinatra in Hollywood an analytical yet deeply personal look at the screen legend of Frank Sinatra Sinatra's standing as a significant indeed legendary screen actor has now been placed in full perspective Examining each of Sinatra's seventy film appearances in depth Tom Santopietro traces the arc of his astonishing six decade run as a film actor from his rise to stardom in boy next door musical films like Anchors Aweigh and On the Town through his fall from grace with legendary flops like The Kissing Bandit to the near mythic comeback with his Oscar winning performance in From Here to Eternity Laced throughout with Sinatra's own observations on his film work Sinatra in Hollywood deals head on with his tumultuous marriages to Ava Gardner and Mia

Farrow and directly addresses the rumors of Mob involvement in Sinatra's Hollywood career. Ranging from the specifics of his controversial acting nickname of One Take Charlie to the iconic Rat Pack film *Ocean's Eleven* from the groundbreaking performance in *The Manchurian Candidate* to the moving and elegiac late career roles as tough yet vulnerable detectives, the myths and personal foibles are stripped away, placing the focus squarely on the work. Oftentimes brilliant, occasionally off-kilter, but always compelling, Frank Sinatra, the film icon who registered as nothing less than emblematic of The American Century, here receives his full due as the serious artist he was. The actor about whom director Billy Wilder emphatically stated, "Frank Sinatra is beyond talent."
