Valerio Marchioni Six years ago I got the job I never wanted being the head of the Italian Mafia There's no room to take my position lightly I do whatever is required of me according to the rules passed down from my father including marrying someone I'm not in love with I hold respect for her as the mother of my children and a former member of another Italian family It only takes one night for us to be split apart forever One vulnerable moment when I leave for a business trip gives someone the chance to attack my family Now my pregnant wife is gone without a trace to be found I will find who's responsible and make sure their blood runs through the streets of New York City First I have to send all the women I find in the process home Except for her the woman with nowhere to go Her It only takes one night for me to be taken I should've been safer than anyone Yet I end up on the circuit bounced around from place to place It's only on the day I decide to escape that I'm rescued by him Valerio Marchioni A man I should hate with every fiber in me But then I get to know him I see him for who he really is And by then it's too late I can never leave not even if I wanted to If he discovers who I really am I'll be dead before the men who took his wife **The Encyclopedia of Best Films** Jay Robert Nash,2019-10-23 This all inclusive

A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5 000 three to five star entries: three stars good, four stars excellent, five stars masterpiece. And yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre, i.e. animated, drama, sports, mystery, adventure, etc. as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

Leonore Tiefer, 2018-03-09. Revisits and updates the centrality of the social construction of sexuality especially in the age of Viagra. FSD female sexual dysfunction and the media saturation of sex. Leonore Tiefer is one of the foremost sexologists working in the United States today; she is a well known and respected scholar who writes engagingly and humorously about a wide array of topics in sexuality to appeal to both students and general readers. Revised and updated with new pieces on the medicalization of sex, FSD, female sexual dysfunction, and the politics of sex, as well as classic pieces found in the original edition such as *Am I Normal?* *The Question of Sex*. *Political Aesthetics* Arundhati Virmani, 2015-09-07. *Political Aesthetics* highlights the complex and ambiguous connections of aesthetics with social, cultural, and political experiences in contemporary societies. If today aesthetics seems a rather overused term, mixing a variety of historical realities and complex personal states of being, its relevance as a connecting agent between individual, state, and society is stronger than ever. The actual context of political and economic crisis generates new relations between official imposed aesthetics and the resistance and critiques they trigger. Considered beyond the poles of power and protest, the book examines how traditional or innovative artistic practices may acquire unexpected capacities of subversion. It nourishes the current debate around the new political stakes of aesthetics as an inviolable right of ordinary citizens, an essential element of empowerment and agency in a democratic everyday. It will be of interest to students and scholars of international relations, political culture, and political aesthetics, as well as critical sociology and history. It will also be useful for some broad courses in media studies, cultural studies, and sociology. **Taming The Mafia's Lord Heart** Misty D, 2025-06-16.
