The Lost Life of Eva Braun Angela Lambert,2014-09-02 Eva Braun is one of history s most famous nonentities She has been dismissed as a racist feathered headed shop girl yet sixty two years after her death her name is still instantly recognizable She left her convent school at the age of seventeen and met Hitler a few months later She became his mistress before she was twenty How did unsophisticated little Fraulein Braun twenty three years his junior hold the most powerful man in Europe in an exclusive sexual relationship that lasted from 1932 until their joint suicide Were they really lovers and what were the background influences and psychological tensions of the middle class Catholic girl from Munich who shared his intimate life How can her ordinariness and apparent decency be reconciled with an unshakeable loyalty to the monster she loved She left almost no personal material or documents but her private diary and photograph albums show that her life with Hitler far from being a luxurious sinecure caused her emotional torture His chauffeur called her the unhappiest woman in Germany The Führer humiliated her in public while the top Nazis wives living in his privileged enclave on a Bavarian mountainside despised her Yet Albert Speer said She has been much maligned She was very shy modest A man s woman gay gentle and kind incredibly undemanding a restful sort of girl And her love for Hitler as she proved in the end was beyond question Eva loved the Führer not for his power nor because thanks to him she lived in luxury His material gifts were nothing compared with the one thing she really wanted his child She remained invisible and unknown a nonperson They were never seen in public together and she never saw him alone except in the bedroom yet their long relationship was a sort of marriage Angela Lambert reveals a woman the world never knew until the last twenty four hours of her life In the small hours of April 29 1945 as Allied troops raced to capture Berlin and the bunker below the Reichskanzlei where the defeated Nazi leaders were hiding Eva Braun finally achieved her life s ambition by becoming Hitler s wife Next day they both swallowed cyanide and died instantly She was young healthy and thirty three years old Based on detailed new research this is an authoritative biography only the second life of Eva written in English

Speculations on German History Barry Emslie,2015 Provocative and spiced with humor this book uses a cultural studies approach to examine the fraught relationship in German history between material reality and ideology German history never loses its fascination It is exceptionally varied contradictory and raises difficult problems for the historian In a material sense there have been a great many Germanies so that it was long unclear what Germany would amount to geopolitically while German intellectuals fought constantly over the ideas of Germany Provocative and spiced with humor *Speculations* tackles Germany s successes and

catastrophes in view of this fraught relationship between material reality and ideology Concentrating on the period from Friedrich the Great until today the book is less a conventional history than an extended essay It moves freely within the chosen period and because of its cultural studies disposition devotes a great deal of attention to German writers artists and intellectuals It looks at the ways in which German historians have attempted to come to terms with their own varying notions of nation culture and race An underlying philosophical assumption is that history is not one dominant narrative but a struggle between competing simultaneous narratives like all those Germanies of the past and of the mind history is plural Barry Emslie pursues this agenda into the present arguing that there has been an unprecedented qualitative change in the Federal Republic in the quarter century since unification Barry Emslie lives and teaches in Berlin He is the author of *Richard Wagner and the Centrality of Love* Boydell Press 2010 and *Narrative and Truth An Ethical and Dynamic Paradigm for the Humanities* Palgrave Macmillan 2012
