The Magdalene Cipher Jim Hougan, 2002      *American Culture Transformed* B. Tucker, P. Walton, 2012-07-31 The bombing of the Twin Towers in New York on September 11 2001 marked a major turning point in modern American culture Authors Bruce Tucker and Priscilla L Walton examine critical moments in the aftermath of 9 11 arguing that commentators abandoned complexity seeking to reduce events to their simplest signification      **Conceptual Odysseys** Griselda Pollock, 2007-10-24 The theoretical turn within the arts and humanities in the 1970s and 1980s has for many had its day with work produced under its rubric all too often feeling tired or even downright lazy In its place whilst hazarding against an outright rejection of theory this book introduced by Mieke Bal presents work by a new generation of scholars responding directly to Bal s idea of the travelling concept By taking a concept from one discipline and with a genuine understanding of its origin thoughtfully applying this in a new context exciting new possibilities are opened up for analysis of artworks and other cultural objects Here we find these travelling concepts employed in fresh explorations of subjects as diverse as the paintings of Poussin and of Adam Elsheimer Chantal Akerman s film the Museum of the French Revolution and the work of German Jewish painter Charlotte Salomon This is a uniquely illuminating contribution to the edgy territorial conflicts between visual culture art history and cultural studies      Holy Misogyny April D. DeConick, 2011-09-22 In Holy Misogyny bible scholar April DeConick wants real answers to the questions that are rarely whispered from the pulpits of the contemporary Christian churches Why is God male Why are women associated with sin Why can t women be priests Drawing on her extensive knowledge of the early Christian literature she seeks to understand the conflicts over sex and gender in the early church what they were and what was at stake She explains how these ancient conflicts have shaped contemporary Christianity and its promotion of male exclusivity and superiority in terms of God church leadership and the bed DeConick s detective work uncovers old aspects of Christianity before later doctrines and dogmas were imposed upon the churches and the earlier teachings about the female were distorted Holy Misogyny shows how the female was systematically erased from the Christian tradition and why She concludes that the distortion and erasure of the female is the result of ancient misogyny made divine writ a holy misogyny that remains with us today      **Noli Me Tangere** Jean-Luc Nancy, Pascale-Anne Brault, Michael Naas, 2009-08-25 Christian parables have retained their force well beyond the sphere of religion indeed they share with much of modern literature their status as a form of address Who hath ears to hear let him hear There is no message without there first being or more subtly without there also being in the message itself an address to a capacity or an aptitude for listening This is not an exhortation of the kind Pay attention Rather it is a warning if you do not understand the message will go away The scene in the Gospel of John in which the newly risen Christ enjoins the Magdalene Noli me tangere a key moment in the general parable made up of his life is a particularly good example of this sudden appearance in which a vanishing plays itself out Resurrected he speaks makes an appeal and leaves Do not touch me Beyond the Christ story this

everyday phrase says something important about touching in general It points to the place where touching must not touch in order to carry out its touch its art its tact its grace The title essay of this volume is both a contribution to Nancy s project of a deconstruction of Christianity and an exemplum of his remarkable writings on art in analyses of Noli me tangere paintings by such painters as Rembrandt Drer Titian Pontormo Bronzino and Correggio It is also in tacit dialogue with Jacques Derrida s monumental tribute to Nancy s work in *Le toucher* Jean Luc Nancy For the English language edition Nancy has added an unpublished essay on the Magdalene and the English translation of *In Heaven and on the Earth* a remarkable lecture he gave in a series designed to address children between six and twelve years of age Closely aligned with his entire project of the deconstruction of Christianity this lecture may give the most accesible account of his ideas about God Rosenborg Carl Christian Thorwaldus Andersen,1867 *Rosenborg. an old painting a Madonna and Child that has been in your family for years It is beautiful serene and spellbinding It hangs on your wall and for a long time you take it for granted But curiosity to know more about it gradually grows until it becomes irresistible You call in the experts They get excited What if that old family painting was thought to be by a pupil of Leonardo da Vinci or even the great master himself You start researching communicating with academics and institutions all over the world The results of your research are nothing short of astounding What would you do if that painting pointed to one of the greatest heresies of our time And what if it revealed an incredible story that the Roman Catholic Church has been desperate to keep secret at all costs for centuries Da Vinci's Last Commission by Fiona McLaren is one of the most astonishing detective stories in the history of art It is also an account of the courage and tenacity of a woman who challenged the international art establishment orthodox history and the Church in her quest for the truth

**Dress in Mediterranean Antiquity** Alicia J. Batten, Kelly Olson, 2021-03-25 Insights from anthropology religious studies biblical studies sociology classics and Jewish studies are here combined to provide a cutting edge guide to dress and religion in the Greco Roman World and the Mediterranean basin Clothing jewellery cosmetics and hairstyles are among the many aspects examined to show the variety of functions of dress in communication and in both establishing and defending identity The volume begins by reviewing how scholars in the fields of classics anthropology religious studies and sociology examine dress The second section then looks at materials including depictions of clothing in sculpture and in Egyptian mummy portraits The third and largest part of the book then examines dress in specific contexts beginning with Greece and Rome and going on to Jewish and Christian dress with a specific focus on the intersection between dress clothing and religion By combining essays from over twenty scholars from different disciplinary backgrounds the book provides a unique overview of different approaches to and contexts of dress in one volume leading to a greater understanding of dress both within ancient societies and in the contemporary world

*Grail Knights of North America* Michael Anderson Bradley, 1998 A decade ago Michael Bradley published the Canadian bestseller *Holy Grail Across the Atlantic* Hounslow Press 1988 presenting the astounding evidence that a European settlement in Canada had been established in Nova Scotia ninety four years before Columbus and ninety nine years before John Cabot Incredibly mediaeval documents and maps showed that this settlement had been founded by refugee Knights Templar from Scotland knights who had been created for the sole purpose of guarding the Holy Grail Bradley presented evidence that these Grail believing religious refugees and their knightly protectors had been instrumental in discovering settling and influencing the development of New France and later the fledgling American Republic The book was automatically ridiculed by conventional North American historians while at the same time serving as the model for European works e g *The Sword and the Grail* by Britain's Andrew Sinclair Michael Bradley's investigation stimulated some serious professional and academic researchers to join his quest to find further evidence of the Knights Templar in Canada and the United States Now in 1998 comes the publication of the long awaited sequel to *Holy Grail Across the Atlantic* *Grail*

Knights of North America Realizing from mediaeval documents that the initial Nova Scotia refuge of AD 1398 must have harboured many Grail believers and that the secret colony must have expanded Bradley began to trace evidence of Grail Knights from Nova Scotia through New Brunswick to the St Lawrence River and on to the Great Lakes as far as Niagara New York State and central Pennsylvania Evidence of their presence has been uncovered on both the Canadian and American sides of this great waterway Bradley poses compelling questions about his discoveries and offers plausible and provocative answers as we travel with him and his companions both academic and amateur along the trail of the Grail Knights of North America

**Chemical Wedding** Bruce Dickinson, Julian Doyle, 2008 Jack Parsons was a brilliant chemist member of Cal Tech propulsion unit that invented the rocket fuel used for the US space flight to the moon He was also a fanatical believer in the Magyck of Aleister Crowley the aging occultist who considered himself The Beast incarnate In 1947 Jack Parsons and L Ron Hubbard were performing Crowley s mystic rituals in a house in Pasadena California Parsons wrote excitedly to his occult leader Crowley I have had the most devastating experience of my life I have been in direct touch with One who is most Holy and Beautiful as mentioned in your Book of the Law First instructions were received through Lafayette Ron Hubbard the seer I have followed them to the letter There was a desire for incarnation I am to act as an instructor guardian guide for nine months then it will be loosed on the world Crowley wrote despairingly to a disciple about Parsons It appears that he has given away both his girl and his money to this writer of science fiction and is now invoking my ritual to produce a Moonchild I am fairly frantic Nine months later while being visited by two students from Cambridge Aleister Crowley died of cardiac degeneration Missing from his personal possessions was his magical diaries and his pocket watch His funeral took place in the Chapel of the Brighton Crematorium The final rites were performed by the novelist Louis Marlowe reading extracts from Crowley s Book of the Law The Brighton Echo denounced the whole ceremony as a Black Mass In 1952 Jack Parsons was blown up in his laboratory in Pasadena L Ron Hubbard died on his yacht as leader of the Church of Scientology But did the issue end with these three deaths Would Crowley as he claimed ever return from death to rule the world Why did US astronauts name a crater on the moon after Jack Parsons Is L Ron Hubbard really dead What had been generated by the ceremony in California that seemed to signal Crowley s demise And what happened to them missing pocket watch Unanswered questions till late in the twentieth century Dr Joshua Mathers brought a state of the art Interactive Suit from Cal Tech California to Cambridge in England to begin an experiment that unknown to mankind changed the course of our planet
