**Earth Reclaimed Series** Ann Gimpel, 2016-10-01 Earth Reclaimed includes the entire trilogy of Earth's Requiem, Earth's Blood, and Earth's Hope. Over 900 pages of award-nominated urban fantasy. Where the dark gods live. Bestselling dystopian urban fantasy available as a boxed set for the first time ever. Not for readers under 18. Resilient, kickass, and determined Aislinn Lenear has walled herself off from anything that might make her feel again. Until a wolf picks her for a bond mate and a Celtic god rises out of legend to claim her for his own. Power so old, deep, and chilling it hurts to think about it will overrun Earth if nothing changes. Targeted, furious, and fighting back, Aislinn gathers allies, putting her life on the line. Earth's Requiem: In a world turned upside down where virtually nothing familiar is left, Aislinn is conscripted to fight the dark gods responsible for her father's death. Stripped of every illusion that's ever comforted her and battling evil on her own terms, she's turned into a one-woman army. Fionn MacCumhaill, Celtic god of wisdom, protection, and divination, has been laying low since the dark gods stormed Earth. On a clear winter day, Aislinn walks into his life and suddenly all bets are off. Awed by her courage, he stakes his claim to her and to an Earth he's willing to fight for. Aislinn's not so easily convinced. Fionn's one gorgeous man, but she has a world to save. Emotional entanglements will only get in her way. Letting a wolf into her life was hard. Letting love in may well prove impossible. Earth's Blood: Clinging to their courage in a crumbling world, Aislinn and Fionn vow to save Earth, no matter what it takes. In a post-apocalyptic world where most people have been slaughtered, the Celtic gods and a few humans with magic are all that stand between survival and Earth falling into chaos. The combination of dark sorcery leveraged by the enemy is daunting. Destruction is all but certain if the small enclaves of humans who are left can't get past their distrust of the Celts. Blending dystopian urban fantasy with romance, Earth's Blood turns into a proving ground for Fionn and Aislinn's love. Headstrong and independent, the pair run up against each other's demands, time and time again. In the end, they learn to savor every moment in a bittersweet world where each day may well be their last. Earth's Hope: Aislinn Lenear has traveled a long road since the dark gods invaded Earth better than three years ago. After seeing her father slaughtered in front of her and her mother sink into madness, she built strong walls around her heart. First her bond wolf and then Fionn MacCumhaill changed all that, but she and Fionn are far from home, free. Four of the six dark gods are still sowing destruction, and they've joined forces with Lemurians, a desperate lot running just ahead of the tide of their own mortality. In a bold move, the Lemurians try to coopt a group of young dragons and very nearly succeed. In a fast-paced, tension-riddled closure, Earth's Hope sweeps from Ireland to the Greek Islands to the Pacific Northwest to borderworlds where the dark gods live. Fionn and Aislinn's relationship is strained to the breaking point as they struggle to work together without tearing one another to bits. Fionn is used to being obeyed without question, but Aislinn won't dance to his tune. If they can find their way, there may be hope for a ravaged Earth.
