Mommy, the Moon Smiled at Me Alice Elizabeth Avery,2003-09-01 Have you ever looked up into the sky at night and stared at the moon Have you ever noticed that at times it looks as if it has a face and is smiling at us Well a young boy does just that in Mommy the Moon Smiled at Me He asks his mother A a AWhat would make the moon smile A a A and he gets some surprising answers Find out for yourself what they are as you read this story Mommy the Moon Smiled at Me written and illustrated by Alice Elizabeth Avery *If the Moon Smiled* Chandani Lokuge,2017-04-21 I go down to the river unheeding my mother s disapproval I dip into the lazily flowing water Here at least nothing has changed The bath cloth balloons around my body and I press it down I loosen my hair and let it spread where it will I open my hands upwards on the water s surface languidly remembering All that is familiar The promise The promise of life As a young woman in Sri Lanka Manthri marvels at the promise of life and yearns for a future of fulfilled dreams Years on she finds herself in a loveless marriage in a foreign land and estranged from her two Australian children Torn between an idyllic past to which she cannot return and a present that breaks her heart she never loses touch with those dreams nor abandons her passionate enchantment with life *A boy with feathers. Life is a Story - story.one* Lee Sander,2023-08-31 This is not for little kids kids story about a human boy chosen by a goddess to be her son He created stars He created them for his mother the Moon every time she was sad when her brother the Sun and sister Mother Nature came by when she cried and when she was about to lose her son Now look at the sky and try to count the stars **Catalog of Copyright Entries** Library of Congress. Copyright Office,1962 **I Am Your Baby, Mother** Antony Theodore,2020-12-25 Antony Theodore s most famous poem is I Am Your Baby Mum It has been translated into more than 20 languages This deceptively simple yet powerful poem outwardly advocates against abortion of fetuses This is as per Antony s professed Catholic Christian faith However it also has much deeper spiritual meaning Love for God grows like a fertilised seed in the sanctuary of devotion in the heart of the sincere seeker Abandonment of spiritual quest before full God realisation is akin to abortion of one s own baby Therefore abortion is nothing but abandonment of God This book contains moving poems on the loving relationship between a mother and her baby These can also be interpreted as the eternal relationship between God and Man Just like a mother forgives her child s mistakes ever merciful God also forgives all sins of His children When a baby calls out to her mother she leaves all her urgent tasks to immediately attend to the baby s needs Similarly God also readily responds to the sincere seeker s earnest soul call The book provides a penetrative new interpretation of the universal truths contained in the scriptures of all world religions The One Truth has been expressed differently through Veda Bible Gita Quran and other sacred texts The book has been edited by the Indian poet Dr Tapan Kumar Pradhan who has also written its introduction in addition to translating several of the poems The book makes a startling revelation regarding Antony Theodore s extraordinary relationship with the mystic Kashmir poet scholar Hemangi Sharma Dr Tapan hints at a definite past life connection with Hemangi Sharma Antony

Moon and the Grave Digger William E. Thedford, 2010-07 The new bank President from Georgia is quickly accepted by the locals; however, his reputation plummets when he is suspected of mistreating his sweet wife. Moon, owner of the town's Shell Service station, is an accomplished pianist who takes pride in his hometown. He performs regularly on the state political circuit and even accompanied Opry legend Hargis Pig Robbins on a European tour. Moon prefers local gigs because of his love for the quaint place. Lloyd, the local grave digger, is mild and slow to anger; observed most all goings on in Ole Springo. However, when he gets turned down for a bank loan, he joins with Moon in an attempt to bring down the deceitful Banker Hawthorn. The only way to take the law into their hands.
