This Must Be the Place Kate Racculia,2010-06-29 A sudden death a never mailed postcard and a longburied secret set the stage for a luminous and heartbreakingly real novel about lost souls finding one another The Darby Jones boardinghouse in Ruby Falls New York is home to Mona Jones and her daughter Oneida two loners and self declared outcasts who have formed a perfectly insular family unit the two of them and the three eclectic boarders living in their house But their small quiet life is upended when Arthur Rook shows up in the middle of a nervous breakdown devastated by the death of his wife carrying a pink shoe box containing all his wife s mementos and keepsakes and holding a postcard from sixteen years ago addressed to Mona but never sent Slowly the contents of the box begin to fit together to tell a story one of a powerful friendship a lost love and a secret that if revealed could change everything that Mona Oneida and

Arthur know to be true Or maybe the stories the box tells and the truths it brings to life will teach everyone about love how deeply it runs how strong it makes us and how even when all seems lost how tightly it brings us together With emotional accuracy and great energy Kate Racculia s This Must Be the Place introduces memorable charming characters that refuse to be forgotten **Mona's Choice** Annie-Hector Alexander,1887 Mona's Choice Mrs. Alexander,1887 The Cumulative Book Index ,1995 A world list of books in the English language **Herd Register** American Jersey Cattle Club,1929
