#### Mona Lisa The Picture And The Myth:

Mona Lisa Roy McMullen, 1975 Feminism and Tradition in Aesthetics Peggy Zeglin Brand, Carolyn Korsmeyer, 2010-11-01 The Mona Lisa Myth Jean-Pierre Isbouts, Christopher Heath Brown, 2013-10-25 Following the announcement of another Mona Lisa portrait by Leonardo da Vinci held in a Swiss bank vault for over 40 years this book is the first to analyze the meaning of this astonishing discovery and how it radically changes our understanding of the Mona Lisa in the Louvre By tracing Leonardo s movements in Florence on an almost day to day basis Drs Isbouts and Brown are able to reconstruct the fascinating chronology of the Mona Lisa portrait and show how the subject ultimately became an obsession in the latter part of Leonardo s life The authors posit that whereas the Swiss Mona Lisa is clearly a portrait drawn from life of a young Florentine woman the Louvre Mona Lisa is the culmination of Leonardo s lifelong guest for the mystery of motherhood as expressed in his more than ten paintings of the Madonna motif Written as narrative history yet grounded in modern scholarship The Mona Lisa Myth not only shatters the portrait's mythology but also offers a bold new interpretation of the world's most famous painting that will revolutionize our understanding of Leonardo life and work Dianne Hales, 2014-08-05 Everybody knows her smile but no one knows her story Meet the flesh and blood woman who became one of the most famous artistic subjects of all time Mona Lisa A genius immortalized her A French king paid a fortune for her An emperor coveted her Every year more than nine million visitors trek to view her portrait in the Louvre Yet while everyone recognizes her smile hardly anyone knows her story Combining history whimsical biography personal travelogue and love letter to Italy Mona Lisa is an entertaining Publishers Weekly book of discovery about the world's most recognized face Who was she Why did the most renowned painter of her time choose her as his model What became of her And why does her smile enchant us still Dianne Hales author of La Bella Lingua became obsessed with finding the real Mona Lisa on repeated trips to Florence In Mona Lisa A Life Discovered she takes readers with her to meet Lisa s descendants uncover her family s long and colorful history and explore the neighborhoods where she lived as a girl a wife and a mother In the process we can participate in Lisa's daily rituals understand her personal relationships and see hear smell and taste her Florence Hales brings to life a time poised between the medieval and the modern a vibrant city bursting into fullest bloom and a culture that redefined the possibilities of man and of woman Mona Lisa is a readable and affectionate my search for story for art lovers and anyone interested in glorious and gory Florence in the fifteenth to sixteenth centuries and in the divine Leonardo in particular Hales s assiduous research has made it possible for us to know Mona Lisa just a bit enough to wonder if this otherwise ordinary Florentine housewife could ever have imagined her portrait enchanting millions for centuries USATODAY com Editing the Image Mark Cheetham, Elizabeth Legge, Catherine M. Soussloff, 2008-11-29 The editing process is a vital part of virtually every form of media Primarily associated with texts and written language editing is equally essential if less examined in regard to visual media Editing the Image looks at the editing of visual media as both a

Scotti, 2009-04-07 On August 21 1911 the unfathomable happened Leonardo da Vinci s Mona Lisa vanished from the Louvre More than twenty four hours passed before museum officials realized she was gone The prime suspects were as shocking as the crime Pablo Picasso and Guillaume Apollinaire young provocateurs of a new art As French detectives using the latest methods of criminology including fingerprinting tried to trace the thieves a burgeoning international media hyped news of the heist No story captured the imagination of the world quite like this one Thousands flocked to the Louvre to see the empty space where the painting had hung They mourned as if Mona Lisa were a lost loved one left flowers and notes and set new attendance records For more than two years Mona Lisa s absence haunted the art world provoking the question Was she lost forever A century later questions still linger Part love story part mystery Vanished Smile reopens the case of the most audacious and perplexing art theft ever committed R A Scotti s riveting ingeniously realized account is itself a masterly portrait of a world in transition Combining her skills as a historian and a novelist Scotti turns the tantalizing clues into a story of the painting s transformation into the most familiar and lasting
