Fr. Ralph Gorman

Monday Morning Jesus:

Monday Morning Jesus Joseph Moore, 1984 Written for teenagers who have just finished the experience of a retreat Format includes a meditation for each day for two months after the retreat and includes an activity suggestion which can enable the person to respond to a new sense of Christianity **Jesus; His Words and His Works According to the Four Gospels** William Dallmann, 1914 **Last Hours of Jesus** Fr. Ralph Gorman, 2018-01-18 Here for the ordinary reader is an unforgettable moment by moment account that brings to vivid life the powerful events that transpired between Jesus Agony in the Garden of Gethsemane and His death on the Cross at Golgotha Told accurately and in a manner in teresting and intelligible it actually provides a fuller treatment of the Passion than is found in the Gospels You see those Gospels were written for first century readers already familiar with many of the persons places parties and politics that colored events in those long past days Not so modern readers twenty centuries later Which is why Fr Ralph Gorman has here crafted for us a single detailed narrative out of the four Gospels weaving into his narrative relevant Old Testament passages and prophecies and facts from Jewish and Roman history laws beliefs traditions and practices plus helpful first century military political geographical and archaeological information Faithful to the Gospels while drawing on the best commentaries on them in English Latin French German and Italian these rich pages provide you a refreshing reading of the Gospels supplemented by reliable archaeological historical and theological information about the period places and persons in volved Plus you have the benefit of Fr Gorman s keen depictions of the Gospel places based on his three years residence there You can read this book straight through or one chapter a day as spiritual reading before Mass or during Lent Either way you ll come to understand better the malice of the crowds the dismay and confusion of Christ s friends and the speed with which the deadly events unfolded Most of all you ll come to grasp anew the depths of Christ s love for you awakening in you greater devotion to Him than ever before How about it Wouldn t it be good for you by reading and meditating on the contents of this book to spend with Jesus His last hours From these moving pages you ll come to learn scores of new and sometimes surprising things including The exact moment that Satan entered Judas can you name it The most terrible words Jesus spoke during his life on earth do you know them Pray they will never be said about you The real meaning of the agony in the garden Hint it was more than suffering How Jesus failed to fulfill popular hopes about the Messiah The dangerous political currents in Palestine that fueled the fatal events of holy week Fr Ralph Gorman explains them all That naked man who fled before Jesus and the soldiers after Jesus s arrest Was it really St Mark as some say Annas Caiaphas Herod the Great Herod Antipas Pilate the High Priests the Sanhedrin the Sadducees the Scribes and the Pharisees learn which of these many overlapping and often conflicting authorities and groups ruled what did what and why Why the groups that hated Jesus did not just kill him secretly The many and often shifting charges made against Jesus Why Jesus refused to answer many of His accusers The moment that under oath Jesus declared himself to be God do you know when that was Pontius Pilate before and after Christ s passion where he came

from and what happened to him afterwards He burst asunder and all his bowels gushed out St Luke s little known description of the death of JudasThe incestuous marriage that led to the death of John the BaptistPontius Pilate why he admired but condemned JesusWhat Barabbas really did and why that led the crowd to demand Pilate release him instead of JesusWhy so quickly Palm Sunday s Hosannas led to Good Friday s Crucify him Who Christ blamed for his plight and to what extentThe likely location of the crucifixion and that spot in particular was chosenThe statue of Venus erected over Golgotha and of Jupiter over the Holy Sepulcher who did it and how it helped later generations of ChristiansHow Roman methods deliberately increased the shame and pain of crucifixionHow Christ great sufferings on the cross confirmed rather than falsified the truth of his divinityWhy after His death the Sanhedrin still feared JesusAnd much more to enrich your knowledge understanding and love of Jesus

Messenger and Visitor ,1918 **Life with a Capital L** Matt Heard,2014-10-21 Matt Heard writes winsomely and compellingly answering that quiet aching so many people yes even Christians have that there must be more to life I highly recommend Life With a Capital L Joni Eareckson Tada Joni and Friends International Disability Center What is it that you long for Dream about Hunger after We all desire more than just the endurance of our daily routines But often we feel limited and stuck like we re merely existing instead of living That s not the way it was meant to be God intends the humanity in each of us to be deeply experienced lavishly enjoyed and exuberantly celebrated In fact this is what the gospel is all about Yes the gospel Contrary to conventional thinking inside and outside the church following Jesus is not about

denying our humanness but embracing it Rather than acting more spiritual or being more religious we re called and enabled to become more fully human and alive Matt Heard escorts us on a journey of discovery that Jesus didn t come to save us from our humanity Christ instead yearns to restore it to what God originally intended Matt then explores ten key areas where everyday life can become extraordinary Life Christ promised we could live life to the full He didn t just mean eventually Life with a Capital L is the Life you are longing for Now *An Unorthodox Faith* Kurt Struckmeyer,2017-02-14 The time is ripe for a new Christian reformation a profound transformation of theological substance not just liturgical style Jesus never intended to create a new religion of rites creeds and dogma that offered an eternal reward in heaven Instead he announced the subversive arrival of the kingdom of God a social and economic revolution of the heart based on a lifestyle of radical love lavish generosity extravagant forgiveness inclusive hospitality compassionate action selfless service a passion for justice creative nonviolence and simple living He invited his followers to transform their lives and change the world A postmodern Christianity will call people to engage in the Jesus revolution a conspiracy of love that rises up against the unjust systems of the world through everyday acts of kindness compassion and resistance An Unorthodox Faith provides a framework for a faithful life based on the Way of Jesus a way of living authentically and humanely for the sake of others It offers countless people those who remain in the church those who have left and those who have never ventured near with a life of faith that is meaningful intelligent and passionate **Three Day Series Book 1 the Darkness** , *BIBLE MATH* Tommy B.

Saggau,2025-07-23 Tommy B Saggau found himself woefully unprepared to answer Bible critics when he was in college in the 1980s The hardest questions to answer were always those questioning the chronology of Christian traditions In this book he painstakingly goes through the ten days of the Passion Week to address the problem that Good Friday through Easter morning has never equaled three days and three nights no matter how many apologetics we use The author seeks to answer questions such as As it pertains to the math in the Bible why have Christian scholars and leaders of the church been willingly ignorant for two thousand years Why do modern churches typically stand on the traditional Passion Week chronology as a fact How can we be so sure that the God of the Bible is the true God Other topics include how Jesus inherited David s throne through Mary which corrects two important criticisms of Matthew s genealogy of Jesus why Jewish scribes removed three kings of Judah and how Mary is a direct descendant of David in Jesus s lineage Armed with this book the next time a Christian goes to college or out in the world and faces questions about the Bible they will have answers *The Christian's Daily Treasury: ... Nelson DO,2025-01-22 The religious authorities in the days of Christ had encrusted God s law with so many rules regulations and traditions that the beauty of the law was lost and keeping of the law a heavy burden The joy of righteousness and salvation had become drudge and dreary This work is purposed to clear away the rubbish accumulated through the change of

the meaning of words through the years since the King James Version was written the obfuscation occasioned by highly critical theologians and the difficulty of turning Koine Greek Aramaic and Hebrew phrases and colloquialisms into common English of today by illuminating principles that can be applied to every text making the meaning to be clear as sunlight thereby drawing the reader to appreciate the beauty of holiness and the Jesus who exemplified the true Christian virtues

The Passion of the Servant Don N. Howell, 2009-01-26 The New Testament opens with four Gospel accounts that introduce the reader to Jesus Christ From the very beginning the redemptive drama moves toward the cross The final week of Jesus's life Passion Week takes up nearly 40 percent of the entire narrative The canonical Gospels provide four different perspectives on the life of Jesus He is portrayed in this fourfold account as King and covenant keeper Matthew as obedient Son servant Mark as the perfect Man among men Luke and as the eternal Son of God John the only person ever born whose central purpose in living is to die The Gospels are Passion narratives with extended introductions This is the governing principle of the present work as Jesus moves toward the culmination of his saving mission From early adumbrations to deepening shadows to direct predictions and finally to the detailed narratives of Passion Week the Gospels follow the Lord's inexorable journey to the cross This synthetic study which follows the life of Jesus in a chronological sequence while attempting to preserve the unique contribution of each of the four Gospel accounts draws upon the long established tradition of harmonies of the Gospels dating back to Tatian's Diatessaron AD 170 The ordering of the data follows with minor rearrangements The NIV Harmony of the Gospels edited by Robert L Thomas and Stanley N Gundry In The Passion of the Servant eighteen chapters with thirteen maps trace the geographical context of Jesus's ministry Biblical quotations are taken from the English Standard Version ESV except where otherwise noted The chronology adopted in this work one that assumes a spring AD 30 date for the crucifixion is appended along with a brief bibliography of works that have been particularly helpful to the author The front cover is a portrait of the risen Lord instructing the two disciples near Emmaus that the events surrounding his death and resurrection fulfilled the sacred prophecies of the Old Testament Luke 24:25-27 [Life In The New Testament World](#) Armin J Panning, 2011-07-01 What was life like during the time of Jesus It's easy to read references about this time period in the Bible and move on without really knowing what they mean Just as a historical reenactment helps you understand what life was like for the people who came before you this insightful book helps you step into the sandals of Christians who lived through the events you read about in the Bible Life in the New Testament World will satisfy your curiosity about biblical history as it reveals the occupations politics routines and customs of people living in the New Testament By helping you understand their daily lives this book will bring the characters of the Bible to life in a real and profound way for you [Food for the Journey Themes](#) Elizabeth McQuoid, 2024-06-20 This 365 devotional provides Bible readings for the whole year from trusted Bible teachers at the Keswick Convention Featuring well known speakers such as Alistair Begg Don Carson Jonathan Lamb Peter Maiden and many more it offers daily encouragement to draw closer to

God through his Word The book is an omnibus of the Food for the Journey Themes series with a theme for each month of the year It features three brand new themes that are only available in this volume Grace Suffering and The Holy Spirit and is expertly edited by Elizabeth McQuoid **The 52 Greatest Stories of the Bible** Kenneth Boa, John Alan Turner, 2008-09-02 Classic Weekly Devotional through Some of the Bible's Most Fascinating Stories How well do everyday Christians know the stories that have shaped their faith More than just a collection of significant and entertaining stories The 52 Greatest Stories of the Bible impresses upon readers the beautiful interconnectedness of the varied narratives we find in the Bible It connects the dots demonstrating how each individual story is really one chapter in the larger story shows how Jesus especially his death and resurrection is the point of the story even when the Son of God is not a key player helps readers build a biblical worldview that answers the ultimate questions of life Readers will gain a better grasp of the whole story of Scripture and most importantly why these stories are the ones God chose to preserve for us through the writers of the Bible *Daniel's Calendar Decoded from the Elephantine Papyri* Randall Sawyer, Set foot on an enlightening journey into the mysterious world of Daniel's time prophecies The Sacred Oracles shed light on a path that leads into the recesses of the celestial Sanctuary system that shapes every aspect of our lives While colorful prophecy books may spark our imagination they ultimately prove empty We use a grounded approach Our study has roots in the historical interpretation of Bible prophecy tracing back to the early Christian pioneers who laid the foundation Together we will navigate through time building upon a tapestry of truths that faithful stalwarts from many persuasions have woven together We will sweep through simple astronomy and decode the papyri Then shifting gears we will apply the calendar to reveal prophetic dates for the Lord's Passover the nativity and the births of the patriarchs Celestial clues historical accounts artifacts and symbolic meanings breathe life into Daniel's prophecies and stand them on their feet The ancient Passover ritual intertwines with a divine sacrifice of unmatched significance Witness how a dramatic covenant unfolds converging choice sacrifice and surrender into a tumultuous battle of wills that culminates in our triumphant achievement The imagery of a solitary figure silhouetted against the backdrop of the full Passover moon and swaying under the weight of human destiny is moving Join the hosts of heaven in a solemn vigil as a momentous decision reshapes the course of history Observe how the fire of affliction forged an iron bond between the Father His Son and His people The Sanctuary process leads along a winding trail Rise to the challenge and weigh the evidence Let it be a springboard to higher heights Grasp the Sword of Truth and cut through the dry vines Persevere onward to the far reaches of understanding until both feet are planted at the threshold of the highest gate and still pointed onward Follow along while we brush away the literal sands of time to reconstruct the old Hebrew calendar and see how God fulfilled history's longest prophecy with laser-like accuracy *People of the Way* Kurt Struckmeyer, 2023-04-05 In first century Palestine the countercultural Jesus movement defied the social norms of the Roman Empire by creating alternative communities of shared life and goods in service to the poor Jesus proclaimed an unconventional society that

challenged systems of male domination social inequality economic disparity and violence This way of life defined Christianity for three hundred years until the emperor Constantine invited the church to help rule an empire and its countercultural lifestyle was replaced by a dogmatic belief system In the postmodern secular world of the Global North the shrinking church has lost its prophetic voice and has proven ineffectual in the face of evil and injustice This book is a call to return to the countercultural Way of Jesus It proposes a way forward through the creation of new communities of resistance small cells of cultural nonconformity that conspire for justice and strive for peace in the world
