air creating works which continue to fascinate and inspire us today as much as they did his contemporaries One of the founding fathers of Impressionist art Monet's works consistently reflect the artist's profound love of nature Many of his paintings were directly inspired by the gardens that played such an important role in his life the gardens at his two homes in Argenteuil in the 1870s followed by a garden at his estate in Vetheuil Yet the most famous of Monet's gardens was the expansive park in Giverny which inspired his masterful handling of light and color for more than thirty years and provided motifs for hundreds of individual paintings and series that remain immensely popular today among them the masterpieces of his Water Lilies series
