Weston

Rook,2001-05-21 WWW BWESTONROOK COM I first met Deems Ellison in Grand Junction Colorado while serving my two year mission for the Church of Jesus Christ of Latter day Saints At the time however I didnt know his real name I knew him as Elder Andrew McConkie the standoffish young missionary who was transferred into my district and put in charge of training a brand new Elder I only knew him for a short time and he never seemed to be anything more than a rock in my shoe an annoyance that I couldnt seem to shake Back then I had no clue of the grand adventure that was going on right under my nose But I guess thats the point I wasnt supposed to know I didnt learn what really happened until eight years later when Deems Ellison unexpectedly telephoned me at my home in Sacramento California and asked me to meet with him He had discovered that I fancied myself a writer and he wanted me to help him tell this story I jumped at the chance There was nothing for me to lose The Sacramento Union the oldest daily in the West was shutting down its presses forever and I would soon be facing unemployment lines My first attempt at writing a novel had failed miserably culminating in a dozen dog eared

copies of my manuscript stacked in my closet But I think the biggest reason for my eagerness to work on this project with Deems Ellison was my overwhelming curiosity I had a lot of questions about what happened in Grand Junction during August of 1988 So when Mr Ellison one of the few people who knew the real story called me eager to spill his guts the temptation was too great to resist It was like finding expired milk in the back of the refrigerator I knew it was going to stink but I just couldn't resist taking a whiff Ellison wanted to meet me back where it all happened So I told my family I needed a vacation alone and I made tracks for Grand Junction It amazed me how little his appearance had changed His face was still youthful and his silvery hair was close cropped just as it had been in the mission field However the more time I spent with him the more I realized I had misjudged him when I was his District Leader and knew him as Elder McConkie He was actually a very likable person In fact I found myself admiring him and envying the excitement he had seen Unfortunately I think the Deems Ellison of today is a man filled with regret Not the average kind of regret that comes from doing something wrong but the agonizing enigma of wondering how things could have been if only he had done something right Still he seems to look back on our time in Grand Junction with a fondness and sentimentality that even I cannot fully share We got connecting rooms at the Westgate Inn and I spent nearly every waking hour with my former annoyance for a week recording his story and making outlines for this book He shared with me a thick binder full of notes and reminders from that time He said he had been planning to tell this story for a long time but wasn't sure how he was going to do it until he discovered my occupation What follows is Deems Ellison's story in essentially his own words taken from my interviews with him and his journal notes One more thing my attorney tells me that I would face a stack of lawsuits unless I present this story as a work of fiction So it is fiction Elder Andrew McConkie never served in the Colorado Denver Mission Deems Ellison is a fictional character as are all of the others in this book If any people or events in this story resemble real life it is just a coincidence Everything in this book is just a figment of my overactive imagination B WESTON ROOK Missions Howard Benjamin Grose, 1915 **Making a Good Church Great** Steve Sjogren, 2010-02-25 Bestselling author Steve Sjogren untangles the complex jumble commonly known as greatness in today's megachurch mega everything world As a successful pastor he launched the servant evangelism movement but along the way he discovered that significance was not where or what he thought it would be Now in a very practical book he focuses on genuine greatness Is it the size of the sanctuary The number of new believers baptized each year The youth attendance The quantity of bestselling books the pastor has written The list of television shows radio shows or podcasts the pastors appears on Or is it something more What is the buzz on good churches that become great in God's eyes Sjogren argues that greatness is not a point at which you arrive rather it is an ongoing process of worshipping serving and living in God's presence It not a slick program rather it is a family a hospital an army and a school When God is present his people are empowered When God empowers his people a good church becomes great **Remissioning Church** Josh Hayden, 2025-04-15 Rediscover Your Church's Mission Many churches are struggling to connect with their communities

and are facing a decline But there s hope God is inviting His church to be reborn from the inside out transforming into a new missional presence that brings life and flourishing to their neighborhoods Using inspiring vision practical tools and field tested methods pastor Joshua Hayden offers church leaders solutions for resurrecting their congregations If you re a church leader longing to bring your declining church back from the brink Remissioning Church is your essential companion that outlines the path of inside out transformation through discipleship while focusing on serving your neighbors and the world God is inviting your church to a new beginning Remissioning Church is the guide you need to answer that call and lead your congregation into a future filled with purpose and mission

My Covenant Right Dr. Darren J. Barrow Sr.,2021-07-29 My Covenant Right is a fascinating book if you want to know the things you have a right to just by having a covenant with God an agreement so powerful not even death can break it One thing is God cannot lie and if he said it then that settles it It is not a matter of if it will happen but when because when you have a promise all you have to do is wait for it
