HIT PODCAST THE LAZARUS HEIST They have been accused of causing mayhem in Hollywood with 2014 s infamous Sony hack They re allegedly behind WannaCry a cyber attack which brought the NHS to a dangerous standstill And it has been claimed that they have stolen more than 1bn in an international crime spree They are the Lazarus Group a shadowy cabal of hackers accused of working on behalf of the North Korean state From the streets of Dhaka to the casinos of Macau to the secretive capital of Pyongyang this shocking story uncovers the secret world of the Lazarus Group their victims and those who have tried and so far failed to stop them Madly intriguing Guardian You ll never see North Korea the same way again Oliver Bullough Moneyland One of the most incredible cyber espionage stories I ve ever heard Jamie Bartlett The Missing Crypto Queen Pacy and eye popping Tom Burgis Kleptopia *All About Me* Sotirios Majoros,2019-11-29 When Sotirios Majoros s thirteen year old daughter asked him a seemingly simple question What is life little did she realize the explosion of thoughts and ideas that she would set off in her father s mind To answer her question Sotirios found himself looking back through time to the father of history Herodotus and across humanity s numerous cultures focusing in particular on how this question is expressed through various pieces of artwork such as sculptures and paintings He also looked back through his own life eventually realizing that lurking beneath his daughter s question was an even more fundamental question Who am I His attempt to answer this question forms the foundation of this book **Greek and Roman Slaveries** Eftychia Bathrellou,Kostas Vlassopoulos,2022-05-03 Greek and Roman Slaveries Slavery was foundational to Greek and Roman societies affecting nearly all of their economic social political and cultural practices Greek and Roman Slaveries offers a rich collection of literary epigraphic papyrological and archaeological sources including many unfamiliar ones This sourcebook ranges chronologically from the archaic period to late antiquity covering the whole of the Mediterranean the Near East and temperate Europe Readers will find an interactive and user friendly engagement with past scholarship and new research agendas that focuses particularly on the agency of ancient slaves the processes in which slavery was inscribed the changing history of slavery in antiquity and the comparative study of ancient slaveries Perfect for undergraduate and graduate students taking courses on ancient slavery as well as courses on slavery more generally this sourcebook s questions cross references and bibliographies encourage an analytical and interactive approach to the various economic social and political processes and contexts in which slavery was employed while acknowledging the agency of enslaved persons **The Visionary Realism of German Economics** Erik S. Reinert,2019-02-15 The Visionary Realism of German Economics forms a collection of Erik S Reinert s essays bringing the more realistic German economic tradition into focus as an alternative to Anglo Saxon neoclassical mainstream economics Together the essays form a holistic theory explaining why economic development by its very nature is a very uneven process Herein lie the important policy implications of the volume Civil Society and the Political Imagination in Africa John L. Comaroff,Jean Comaroff,1999 The essays in this important new collection explore the diverse unexpected and controversial ways in which the idea of civil society has recently entered into

populist politics and public debate throughout Africa In a substantial introduction anthropologists Jean and John Comaroff offer a critical theoretical analysis of the nature and deployment of the concept and the current debates surrounding it Building on this framework the contributors investigate the problem of civil society across their regions of expertise which cover the continent Drawing creatively on one another's work they examine the impact of colonial ideology postcoloniality and development practice on discourses of civility the workings of everyday politics the construction of new modes of selfhood and the pursuit of moral community Incisive and original the book shows how struggles over civil society in Africa reveal much about larger historical forces in the post Cold War era It also makes a strong case for the contribution of historical anthropology to contemporary discourses on the rise of a new world order **Trials from Classical Athens**

Christopher Carey, 2012-03-12 The ancient Athenian legal system is both excitingly familiar and disturbingly alien to the modern reader It functions within a democracy which shares many of our core values but operates in a disconcertingly different way Trials from Classical Athens assembles a number of surviving speeches written for trials in Athenian courts dealing with themes which range from murder and assault through slander and sexual misconduct to property and trade disputes and minor actions for damage The texts illuminate key aspects both of Athenian social and political life and the functioning of the Athenian legal system This new and revised volume adds to the existing selection of key forensic speeches with three new translations accompanied by lucid explanatory notes The introduction is augmented with a section on Athenian democracy to make the book more accessible to those unfamiliar with the Athenian political system To aid accessibility further a new glossary is included as well as illustrations for the first time Providing a unique and guided introduction to the Athenian legal system and explaining how the system reveals the values and social life of Classical Athens Trials from Classical Athens remains a fundamental resource for students of Ancient Greek history and anyone interested in the law social history and oratory of the Ancient Greek world
