Money Thou Art Loosed:

Money Thou Art Loosed Gloria Price, 2022-11-03 This book releases the compelling truth about the root of defeat in the Christian walk concerning Binding on earth and binding in heaven and loosing on earth and loosing in heaven Matthew 18 20 How many times have you gone through the motion of touching and agreeing and binding and loosing regarding certain matters only to find that nothing seemed to have changed Bound up finances have been a major source of strongholds for what seems like centuries in the lives of Christian believers Will you have yours Loosed today *Money Thou Art Loosed* Leroy Thompson, 1999-11 Readers learn God's purpose for money as Dr Thompson explains Christians covenant responsibility to obtain their financial inheritance *Rhetoric of the Protestant Sermon in America* Jonathan J. Edwards, Eric C. Miller, 2020-01-20 In *Rhetoric of the Protestant Sermon in America* Pulpit Discourse at the Turn of the Millennium ten scholars analyze notable sermons from the fifty year span between 1965 and 2015 during which the Protestant sermon has undergone significant change in the United States Contributors examine how this turbulent time period witnessed a variety of important shifts in the arguments evidences and rhetorical strategies employed by contemporary preachers Because religious practice is inextricably tangled in the culture politics and economy of its historical situation the public expression of a faith is certain to move with the times In their treatment of race sex gender class and citizenship sermons apply ancient texts to current events and controversies often to revealing effect This collection thoughtfully edited by Eric C Miller and Jonathan J Edwards demonstrates how the genre of the Protestant sermon has evolved or resisted evolution across the years Scholars of religion rhetoric communication sociology and cultural studies will find this book particularly useful *Paid in Full* Ray Noftsinger, Shirley Noftsinger, 2011-11-22 For the First Time The Faith Filled mindset of sowing seed for your harvest is coupled with practical step by step financial spending concepts and then merged with financial tools to accelerate your way out of debt In the same way your cars GPS takes you to your destination your Financial Goal Powered Spending GPS guides you to be Paid in Full The passion and sense of urgency with which Ray and Shirley Noftsinger operate their counseling programs extends far beyond their own needs Its never been about us says Ray When we became blessed abundantly through a sales contract I received we asked the Lord what He wanted us to do with the excess He told me Get my people out of debt Establishing their ministry from Isaiah 58 6 as it applies to debt Shirley and Ray have ministered nationwide Since 1996 over fifteen thousand families in debt from all backgrounds and faiths have become debt free Their desire to counsel educate and set people free from financial oppression is the driving force to their ministry Through extensive study of spiritual laws which tap the continuous flow of Gods covenant promises Shirley and Ray live as an example of the covenant of financial blessing provided in scriptures with all balances of course Paid In Full *Live Long and Prosper* Sandra L. Barnes, 2012-12-17 This pioneering new study of the Black megachurch phenomenon brings nuance and depth to the question Are Black megachurches more focused on prosperity than on people Black megachurches and their pastors are

often accused of failing to use their considerable resources to help the poor focusing on prosperity theology rather than on social justice requiring excessive monetary and time commitments of members and pilfering church coffers for their personal use The debate rages on about whether these congregations are doing all they can to address specific challenges facing African American communities Live Long and Prosper is a refreshing innovative study that reaches beyond superficial understandings of the Black megachurch phenomenon in a piercing interrogation of how powerful megachurches address or fail to address two social crises in the Black community HIV AIDS and poverty Live Long and Prosper offers an intriguing examination of sixteen representative Black megachurches and explores some of their motivations and subsequent programmatic efforts in light of prosperity or health and wealth theology Professor Barnes makes the case that the Black megachurch is a complex contemporary model of the historic Black church in response to globalism consumerism secularism religious syncretism and the realities of race She contends that many of these megachurches hold unique characteristics of adaptability and innovation that position them well to tackle difficult social issues Prosperity theology emphasizes two characteristics physical health and economic wealth as examples of godly living and faith This book considers whether and how efforts to address HIV AIDS a health issue and poverty a wealth issue are influenced by church and clergy profiles theology in general and prosperity theology in particular Frame analysis informs this mixed methodological study to compare and contrast experiences theological beliefs pastoral profiles and programs Live Long and Prosper is a must read for general readers academics and students alike indeed anyone interested in the contemporary Black megachurch's response to social problems and the link between theology and social action It is at once a fascinating readable narrative and a rich piece of scholarship complete with extensively documented endnotes statistics informative charts and tables and an exhaustive bibliography

Black Megachurch Culture Sandra L. Barnes, 2010 This book identifies how church cultural components are created developed and used to educate and empower adherents and whether and how these tools are associated with the historic Black Church The book is particularly interested in how large Black congregations megachurches use rituals found in worship theology racial beliefs programmatic efforts and other tools from their cultural repertoire to instruct congregants to model success in word and deed The book's findings illustrate that Black megachurches strive to model success on various fronts by tapping into effective historic Black Church tools and creating cultural kits that foster excitement expectation and entitlement
