Annual accountability hearing with Monitor Great Britain: Parliament: House of Commons: Health Committee,2011-09-14 In this first annual accountability hearing with Monitor the Health Committee welcomes the strengthened role given to the hospital regulator in the approval and regulation of Foundation Trusts The Committee strongly supports the view that the standards for authorizing Foundation Trusts must not fall as a result of the Government s desire to see all remaining NHS Trusts become Foundation Trusts It welcomes the extension of Monitor s oversight powers for Foundation Trusts to 2016 that the powers will then be reviewed and the fact that Monitor s new role as set out in the Health and Social Care Bill has been more clearly defined The Committee believes Monitor has established a reputation as an effective regulator of Foundation Trusts and that it is important to safeguard that hard won reputation That means insisting on the maintenance of a rigorous approvals system It also means maintaining an effective oversight regime in what are likely to be increasingly challenging times Finally following government amendments to the Health and Social Care Bill which were tabled at Commons Report Stage it means the operation of an effective distress and failure regime for Foundation Trusts
