Monitoring And Investigating Excessive Use Of Force:

Monitoring Border Violence in the EU Elspeth Guild, 2023-08-11 This book examines EU external border violence and the role of Frontex and how it can be made legally and politically accountable for these incidents The volume sets out what the international standards are for monitoring border violence and how monitors independence must be guaranteed and where these standards come from The book provides realistic options to resolve the crisis by focusing on how effective and independent border monitoring can ensure better human rights compliance at EU external borders At the centre of the book is the question how can we achieve effective monitoring of border police including Frontex by competent and independent state authorities which have as a mission human rights implementation The goal of the book is to examine how states can prevent and investigate allegations of such violence and diminish the apparent impunity of those border police who engage in it This book will be of interest to students of EU policy law migration and refugee studies and International Relations

Investigating Civilian Casualties in Time of Armed Conflict and Belligerent Occupation Alon

Margalit, 2018-07-10 In *Investigating Civilian Casualties in Time of Armed Conflict and Belligerent Occupation* Alon Margalit discusses the appropriate State response to civilian casualties caused by its armed forces Various legal and practical challenges arising when investigating the fatal consequences of the use of force are examined through the practice of the US the UK Canada and Israel during military operations in Afghanistan Iraq Somalia and the occupied Palestinian territory Alon Margalit considers this topical and sensitive issue within a broader context namely the public scrutiny of State behaviour and influence of human rights law during armed conflict The debate over the scope of the duty to investigate reflects competing approaches looking to re shape the balance between military necessity and humanitarian considerations *The April 2006*

Subcommittee on Oversight and Investigations,1989 **Indexes for Abstracts of Reports and Testimony** ,1996 The Air Force Law Review ,1999 **The Politics of Force** Regina G. Lawrence,2023 Published over twenty years ago Regina G Lawrence s *The Politics of Force* was the first scholarly book to look at the way in which media coverage of unexpected dramatic events shaped public consciousness about important social and political problems At a time when police brutality was rarely discussed in the news Lawrence examined police use of force in over 500 incidents with an in depth look at the Rodney King case In doing so she showed that when incidents of police brutality became news they offered one of the few real opportunities for marginalized voices and activists to find a public platform and take on the powerful In the intervening years the empirical and theoretical contributions of *The Politics of Force* have become more significant not only because police brutality is back in the news but because the media system itself has changed In this updated edition Lawrence contextualizes and extends these contributions while including a closer look at race and racial justice in incidents of police use of force Reflecting on the context in which the book was written a time when race and policing received limited coverage in the news and in the field of political communication Lawrence considers what has changed in media studies since the year 2000 what things haven t changed and why Moreover Lawrence examines coverage of more recent incidents of police violence and the ways in which the voices of citizen activists are treated in the news today In turn she addresses the important question of how defining political problems through such events might or might not produce more lasting policy change Expanding on her landmark publication Lawrence provides an accessible update on news production dynamics and police use of force for a new generation of scholars students and activists **Water-resources Investigations Report** ,2002 *Country Reports on Human Rights Practices* ,2001 Policing in Cincinnati, Ohio United States Commission on Civil Rights.
