social change enables readers to gain a stronger understanding of evolving American social values **More Perfect by Design** Angelo Baratta,2011-01-14 Excellence doesn't just happen. It needs to be designed, and even the best designs can be improved upon. That's something that Angelo Baratta, who spent more than thirty years leading more than a hundred projects for more than fifty organizations, discovered the hard way. While most of these projects succeeded, success rates were never as high as they should have been. This, he determined, was the direct result of the design of the business processes. By mastering process design, organizations can achieve much higher success rates, and all stakeholders can benefit. With this guidebook, you'll learn how to improve performance by employing the Relational Process Model, a systematic approach to designing business processes. You'll learn the power of linking execution to strategy, various strategies to make value visible, how to measure and promote excellence, ways to promote meaningful change, many other methods to improve business operations. It is essential to improve the design of business processes because organizations don't just deliver services; they are also where people spend a good portion of their lives. Connect strategy, processes, projects, and performance, and equip yourself with the tools you need to improve your organization with *More Perfect by Design*. *God's True Guide to Everlasting Life* Atum Osirion,2023-12-05 In this eye-opening book, Atum Osirion reveals the truth behind the Crucifixion of Christ and the misguided lies we have been fed in the Bible. The identity of the Messiah has been intentionally misleading as part of the Devil's plan to bring humanity to his realm after the Rapture. Through examining the truth in the Bible, historical events, and the progression of blood types, Osirion provides the ultimate guide in saving your soul from eternal damnation. About the Author: Atum Osirion resides in Tampa, Florida. He was the firstborn son to his mother and father. **Air Defense Artillery**,1988 **ADA**,1988-03
