Kozloff, 2000-03-30 Since the birth of cinema film has been lauded as a visual rather than a verbal medium this sentiment was epitomized by John Ford's assertion in 1964 that When a motion picture is at its best it is long on action and short on dialogue Little serious work has been done on the subject of film dialogue yet what characters say and how they say it has been crucial to our experience and understanding of every film since the coming of sound Through informative discussions of dozens of classic and contemporary films from Bringing Up Baby to Terms of Endearment from Stagecoach to Reservoir Dogs this lively book provides the first full length study of the use of dialogue in American film Sarah Kozloff shows why dialogue has been neglected in the analysis of narrative film and uncovers the essential contributions dialogue makes to a film's development and impact She uses narrative theory and drama theory to analyze the functions that dialogue typically serves in a film The second part of the book is a comprehensive discussion of the role and nature of dialogue in four film genres westerns screwball comedies gangster films and melodramas Focusing on topics such as class and ethnic dialects censorship and the effect of dramatic irony Kozloff provides an illuminating new perspective on film genres

much you don't know If you change your mind tomorrow I won't be angry with you I won't lie to you Betty I'm afraid This entry tells you what type of scene this is dramatic where you'll find the selection act scene and page numbers the length of the scene the names and ages of the characters the context in which the characters are speaking and the first and last lines of the scene If the material seems appropriate all you have to do is get a copy of the play and get to work Because The Ultimate Scene and Monologue Sourcebook enables you to make informed decisions about the suitability of more than 1 000 monologues and scenes which you can find easily through the book's extensive cross indexes you'll gain a critical edge in the auditioning process **Paperbound Books in Print** ,1992 Bibliographic Guide to Theatre Arts 1991 Library of Congress, New York Public Library Theatre & Drama, 1992 **Library Media Connection** ,2003 **The High School Theatre Teacher's Survival Guide** Raina S.
