Monsieur Lecoq is the creation of Emile Gaboriau just like Sherlock Holmes is for Conan Doyle and Hercule Poirot for Agatha Christie. Lecoq was created well before anyone had heard of Sherlock. In fact, it is a known fact that Doyle drew inspiration for Sherlock's character from Lecoq. The methodically scientific manner in which Lecoq solves crimes is interesting to read along with the ruthlessness of his conduct in some instances.

The Mystery of Orcival Émile Gaboriau, 2019-07-12 20:20:02Z

A murder is discovered. The authorities quickly arrest an obvious suspect. A detective spends hours at the scene in disguise before making himself known and proceeds to minutely examine the evidence with the assistance of a doctor among others before proclaiming the answer lies in a completely different direction. One would be forgiven for thinking the detective must be a certain famous Englishman and his doctor companion. But this detective is French rather than English, a professional working for the police rather than an amateur and indulges in candy lozenges rather than cocaine. If there is a straight line between Poe's Dupin and Doyle's Holmes, then Gaboriau's Lecoq lies right in the middle of it. He is a master of disguise, he is proud and sometimes arrogant, he notices infinitesimal things others do not, he makes great leaps in deduction while others are struggling to take small steps. He is both strikingly similar and distinctly different than his more famous English cousin. Although Monsieur Lecoq appeared in Gaboriau's first novel, there he played only a minor part. Here he is the main attraction. Solving the murder of a countess and disappearance of a count requires all of Lecoq's skills and as he steadily unravels the mystery, one sees the debt that is owed by all who came after him. This book is part of the Standard Ebooks project which produces free public domain ebooks.

Volume one of the collected cases of one of the first fictional detectives. Monsieur Lecoq is one of the earliest fictional detectives and his success with the reading public undoubtedly influenced Sir Arthur Conan Doyle in the creation of his more renowned fictional detective Sherlock Holmes. Lecoq, who was based on the actual former criminal turned police officer Eugène Vidocq, was the creation of Emile Gaboriau. 1832-73, a French author who

had tried his hand at several genres before he became a pioneer of detective fiction The Lerouge Case 1866 catapulted him to almost instantaneous fame His reputation secured more Lecoq stories followed and earned Gaboriau a substantial international readership though this was diminished by the arrival of the Sherlock Holmes stories Nevertheless Gaboriau continued to write crime novels and enjoyed considerable success especially in France until his untimely death aged just 40 years from pulmonary apoplexy In common with the life of the character upon whom he is based Lecoq has a dark side to his personality which contrasts sharply with the usual unambiguously moral personalities of most of the great detectives in this genre He has however the obligatory foil in the person of Taberet an armchair detective who acts as mentor to Lecoq and provides intellectual assistance to solve crimes without leaving his own bed Unlike Holmes Lecoq is not a private detective but an officer of the French Surete or La Surete Nationale which initially served as the detective branch of the Paris police force and was in fact created in 1812 by Vidocq who was its director until 1827 This Leonaux collection brings together all the Lecoq cases into one four volume edition for modern readers to enjoy In volume one readers will discover The Lerouge Case and The Mystery of Orcival Leonaux editions are newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands *The Mystery of Orcival* Gaboriau, 2018-11-18 The Mystery of Orcival by Gaboriau A classic detective story the second one in the Monsieur Lecoq series
