How to Read Like an Anti-Fascist Annette Wannamaker,2025-06-03 On the urgent need to promote critical reading skills amidst rising authoritarianism Children s author Philip Pullman famously said that There are some themes some subjects too large for adult fiction they can only be dealt with adequately in a children s book While the recent rise of fascist ideology in the United States might seem a subject too large and adult to be dealt with in literature for children or teens Annette Wannamaker proposes in *How to Read Like an Anti Fascist* that there are books aimed at future generations which critique and counter fascist propaganda and mythmaking Works of literature can reflect fascist ideology and promote it as well but Wannamaker proposes that some books also offer tools for understanding it Books written for beginners can introduce readers to complex concepts break big ideas into manageable parts and teach readers how to read the world outside of the book Antifascist books are ones that analyze fascistic rhetoric and storytelling educate about America s long history of authoritarianism and highlight various facets of fascism such as scapegoating others and reasserting patriarchal power From *The Emperor s New Clothes* and the tales of Superman to Mildred Taylor s *Roll of Thunder Hear My Cry* the 1619 Project and contemporary works such as *All Boys Aren t Blue* and *Donald Builds the Wall* Wannamaker shows how the ethos of authoritarianism is characterized by a strict hierarchy that places children at its very bottom In doing so she argues convincingly that books written for young people can provide a particular view from the bottom a perspective well suited to interrogating systems of power

Mind over Monsters Sarah Rose Cavanagh,2023-05-02 An investigation into the mental health crisis affecting young adults today and an impassioned argument for creating learning environments characterized both by compassion and challenge Alarming statistics in recent years indicate that mental health problems like depression and anxiety have been skyrocketing among youth To identify solutions psychologist and professor Sarah Rose Cavanagh interviews a roster of

experts across the country who are dedicating their lives to working with young people to help them actualize their goals and highlights voices of college students from a range of diverse backgrounds Cavanagh also brings the reader on an invigorating tour of pedagogical neuroscientific and psychological research on mental health one that involves her own personal journey from panic to equilibrium The result of these combined sources of inquiry indicates that to support youth mental health we must create what Cavanagh calls compassionate challenge first we need to cultivate learning and living environments characterized by compassion and then we need to guide our youth into practices that encourage challenge helping them face their fears in an encouraging safe and even playful way *Mind over Monsters* is a must read for teachers administrators parents and young people themselves

The Storied Life Jared C. Wilson, 2024-05-07 When writers write they are getting in touch with the image of God in them This is true in some way of all artistry but writers especially create worlds characters histories and transformation all ex nihilo out of nothing In *The Storied Life* veteran author Jared C Wilson explores the ins and outs of writers and writing exploring the myriad ways the craft is more about transformation than simply communication From decades of experience and with his signature wit Wilson brings well earned insight autobiographical reflections and meaningful meditations to the topic of writing as a way of life and as a way of worship showing how the concept of Story our personal stories and God's grand story of redemption shapes fiction and non fiction writers alike Chapters focus on topics like The liturgy of story Writing as a spiritual act Perseverance and endurance Writing as a calling Promotion publishing and platform Whether you're a long time writer or a beginning author a daily journaler or an occasional dabbler *The Storied Life* will help you improve your craft It will lead you to think more deeply about the disciplines and dispositions needed to write for transformation

The Morals of Monster Stories Leslie Ormandy, 2017-08-07 The simplicity of children's picture books stories told with illustrations and a few well chosen words or none at all makes them powerful tools for teaching morals and personal integrity Children follow the story and see the characters behaviors on the page and interpret them in the context of their own lives But unlike many picture books most children's lives don't feature monsters This collection of new essays explores the societally sanctioned behaviors imparted to children through the use of monsters and supernatural characters Topics include monsters as instructors the normalization of strangers or the other fostering gender norms and therapeutic monsters among others

Reading in the Dark Jessica R. McCort, 2016-04-28

Contributions by Rebecca A Brown Justine Gieni Holly Harper Emily L Hiltz A Robin Hoffman Kirsten Kowalewski Peter C Kunze Jorie Lagerwey Nick Levey Jessica R McCort and Janani Subramanian Dark novels shows and films targeted toward children and young adults are proliferating wildly It is even more crucial now to understand the methods by which such texts have traditionally operated and how those methods have been challenged abandoned and appropriated Reading in the Dark fills a gap in criticism devoted to children s popular culture by concentrating on horror an often neglected genre These scholars explore the intersection between horror popular culture and children s cultural productions including picture books fairy tales young adult literature television and monster movies Reading in the Dark looks at horror texts for children with deserved respect weighing the multitude of benefits they can provide for young readers and viewers Refusing to write off the horror genre as campy trite or deforming these essays instead recognize many of the texts and films categorized as scary as among those most widely consumed by children and young adults In addition scholars consider how adult horror has been domesticated by children s literature and culture with authors and screenwriters turning that which was once horrifying into safe funny and delightful books and films Scholars likewise examine the impetus behind such re envisioning of the adult horror novel or film as something appropriate for the young The collection investigates both the constructive and the troublesome aspects of scary books movies and television shows targeted toward children and young adults It considers the complex mechanisms by which these texts communicate overt messages and hidden agendas and it treats as well the readers experiences of such mechanisms

Supernatural Out of the Box Lisa Macklem, Dominick Grace, 2020-08-13

Supernatural is one of the most successful horror TV shows ever providing fifteen seasons of the adventures of Dean and Sam Winchester as they hunt monsters and save the world It has nurtured a passionate fan base which has been far more directly integrated into the show than is typical Wry and self aware Supernatural repeatedly breaks out of the televisual box to acknowledge its fans and its own fictionality Though there have already been several studies of Supernatural this volume is the first to focus extensively and intensively on the show s metafictional elements This essay collection argues that Supernatural is not merely a horror show but is a show about how horror works as a genre and how fans interact with their favorite material From exploring how the show has equated authorship with divinity to considering its incorporation of fandom and closely reading several key episodes the essays in this volume seek to examine the multiple layers of textuality found in Supernatural

Monster At The End Of This Introduction

In today's digital age, the availability of *Monster At The End Of This* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Monster At The End Of This* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Monster At The End Of This* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Monster At The End Of This* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Monster At The End Of This* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Monster At The End Of This* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Monster At The End Of This* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, *Monster At The End Of This* books and manuals for download have transformed the way

we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Monster At The End Of This books and manuals for download and embark on your journey of knowledge?
