production histories and critical analyses for every feature length iteration of bandaged horror *The São Paulo Law School and the Anti-Vargas Resistance (1938-1945)* John W. F. Dulles, 2014-07-03 The São Paulo Law School the oldest institution of higher learning in Brazil has long been the chief training center for that country's leadership For the members of the school's secret Burschenschaft society the training consisted principally in leading demonstrations for liberal causes such as the abolition of slavery and the overthrow of the monarchy During the Old Republic 1889-1930 the Brazilian presidency and other high posts in Rio de Janeiro were usually occupied by alumni of the powerful society while its members in São Paulo continued to agitate for political reform But in the 1920s when they formed the Nationalist League and the Democratic Party schisms resulted Thus the Burschenschaft was weakened before the long rule of Brazil by Getúlio Vargas starting in 1930 brought an end to the society's influence The role of the school in these and other historical events is carefully reviewed by Dulles before he turns to the school's well known resistance to the dictatorship of Vargas That resistance the most persistent confronting the dictator appeared to be unified especially when it provoked the police into shooting the students But as Dulles discovered when interviewing participants and consulting documents and scrapbooks of the early 1940s the movement was characterized by heated internal strife In the end however the idealism and courage of the participants and the ultimate effectiveness of the movement contributed mightily to the fall of Vargas This book is another in Dulles's series of narrative histories in which he gives flesh and blood to the names and breathes life into the events of twentieth century Brazilian politics *Amra*, Vol 2, No 28 (June, 1964) George H. Scithers, 2020-04-19 George Scithers published AMRA a leading sword and sorcery fanzine beginning in 1959 The term swords and sorcery first appeared there and AMRA became a leading proponent of the subgenre Several of the articles originally published in AMRA were later reprinted as part of two volumes about Conan the Barbarian which Scithers co-edited with L Sprague de Camp Contributors to the magazine included all the leading fantasists of the day This issue includes contributions from Poul Anderson Lin Carter L Sprague de Camp and Larry Kafka **Fearing the Dark** Edmund G. Bansak, 2003-10-09 Cat People 1942 and I Walked with a Zombie 1943 established Val Lewton's hauntingly graceful style where suggestion was often used in place of explicit violence His stylish B thrillers were imitated by a generation of filmmakers such as Richard Wallace William Castle and even Walt Disney in his animated Adventures of Ichabod and Mr Toad 1949 Through interviews with many of Lewton's associates including his wife and son and extensive research his life and output are thoroughly examined *The Enigma of Loch Ness* Henry H. Bauer, 2012-05-11 Like UFO's Big Foot and the Bermuda Triangle the Loch Ness monster continues to fascinate us by the persistence of its mystery While many authors have focused upon the search for Nessie Bauer is the first to present a detailed and balanced look at the history of the controversy surrounding this search Bauer is much more concerned with examining the sociological psychological and philosophical aspects of the Loch Ness controversy than with proving or disproving Nessie's existence He shows that the Nessie phenomenon has much to tell us about how we acquire our beliefs

about the nature of the scientific enterprise and about the adversarial relationship between mainstream science and fringe subjects such as Nessie. The result of more than a decade of research, Bauer's study includes both famous and little known photos and illustrations, the most complete bibliography yet compiled on the subject, and a list of close to 800 reported sightings. Whether you believe in Nessie or laugh at the mere thought of believing, you'll find *The Enigma of Loch Ness* both entertaining and enlightening.
