Wright,2022-09-08 Taking Mary Shelley's novel as its point of departure this collection of essays considers how her creation has not only survived but thrived over 200 years of media history in music film literature visual art and other cultural forms In studying monstrous figures torn from the deepest and darkest imaginings of the human psyche the essays in this book deploy the latest analytical approaches drawn from such fields as musicology critical race studies feminist studies queer theory and psychoanalysis The book interweaves the manifold sounds sights and stories of monstrosity into a conversation that sheds light on important social issues aesthetic trends and cultural concerns that are as alive today as they were when Shelley's landmark novel was published 200 years ago **Chevy Drag Racing 1955-1980: A Celebration of Bowtie's Success at the Drag Strip** Doug Boyce,2020-03-15 Relive the glorious first 25 years of Chevy drag racing in this comprehensive and nostalgic history With the introduction of Chevy's OHV V 8 in 1955 the brand's domination on the drag strip immediately snowballed Drag racers loved the compact V 8 It was lightweight revved high and responded like no other engine previously produced to modification Chevy saw a record year in sales in 1955 thanks to a combination of a restyled body and the new mill It was the age of ingenuity and those who could get their hands on the new engine were swapping it into engine bays that once housed other weaker mills Ford's flathead one that had dominated for so long was rendered obsolete almost overnight Chevy had a winner and dominated the sales charts for years to come Aftermarket manufacturers got on board and offered up all the go fast goodies needed to make Chevy a winner no matter what category they ran From Dragsters to Stock Chevy's success was immediate And it was a long term success thanks to a combination of years of great styling and a vast array of driveline combinations Accomplished racing author Doug Boyce takes a celebratory look at those

years of success with a focus on the first 25 years 1955 through 1980 Chevrolets gave rise to such stars as Bill Grumpy Jenkins Jungle Jim Liberman Sneaky Pete Robinson Dyno Don Nicholson Sox Martin Dick Harrell Dave Strickler and many more World champs and fan favorites all drove Chevys The success showed in the record books No brand has won more races and events or has set more national records than Chevrolet And unlike the other manufacturers Ford and Chrysler it was done with little to no factory support Whether you are a hardcore Chevy fan or just love catching up on the history of drag racing during the golden age this nostalgic look at Chevy racing history is sure to entertain for hours on end
