Monsters And Angels:

Monsters and Angels Anne Marie Andrus, 2017-06-23 Fledgling nurse Sorchia Alden knew she had the skills to save lives but she never dreamed her own life would be the one in danger Driven by tragedy to honor her family name Sorchia embarks on a journey that takes her from the bleak but familiar streets of New York through the sultry and seductive city of New Orleans and into the brutal jungles of Nepal Forging friendships and carrying on her mother's mission of healing was her dream Plunging into a love affair with the mysterious Dr Ashayle could have been a fairytale Being murdered and waking up as a blood thirsty monster became her living nightmare Torn away from a life that had just begun Sorchia returns to New Orleans as a newborn vampire forced to start over in a cutthroat underworld of devilry and decadence Complicated politics bitter rivals and jealous ancestors stand between her and the promises she's still determined to keep In a realm where the boundary between good and evil is as murky as the Mississippi River and immortal does not mean invincible will Sorchia ever risk her shattered heart and love again Can the magical harmony of the Crescent City give her enough courage to fulfill her eternal destiny Sorchia's final word will make your jaw drop *Monsters & Angels* Rose Wood, 2015-01-20 Are those eyes looking out from the closet door Are you really by yourself when you are playing outside These are common fears that a child will question as they learn more about themselves and the world around them especially when it comes to monsters in their closets and angels around them Author Rose Wood brings readers into the circumstances of these questions in her two story children's book *Monsters and Angels* Both stories show what a child feels when they believe monsters live in their closet or that an angel might be protecting them from danger Yet Rose goes further into the faith of a child showing prayer occurring when the main character is frightened but sees the truth behind seeing is believing As the child sees more of his her protection through the grace of God the child begins to believe even more of a Heavenly Father watching over him her *I have seen monsters and angels* Eugène Jolas, 1938
