Beyond Harm Derek R. Brookes,2019-05-11 We have all been hurt by someone in some cases very seriously And we have all inflicted pain on someone else even if it was unintended The consequences have often been devastating and continue to this day We find ourselves stuck in anger fear isolation disbelief bitterness self blame denial guilt or shame Our friends and family plead with us to move on and put the past behind us But it s never that simple There is no magic wand that can instantly sweep away this kind of pain So what can we do How can we find some peace Is it possible to heal from what has

happened Would some kind of punishment make a difference Do we need to forgive Would an apology help How can we find a way out of this agonising hurt and negativity Will it ever be possible to make things right Beyond Harm explores all of these questions and offers a way forward The first Part looks at what it means to be wronged and why it hurts so much It sets out an explanation for why we react to wrongdoing in the ways that we do so many of which only cause us more suffering and pain And it offers an alternative a kind of justice that can bring the healing and peace that we crave This is a response that honours our moral values and acknowledges our common humanity It is also evidence based it takes seriously how we actually think and feel about wrongdoing The second Part builds on the first by exploring what it would take for this alternative to become a reality It shows how it is possible to make things right by using a tried and tested practice called restorative justice and what is needed for this approach to be safe and effective *Lout of Count's Family (Novel) Vol. 2* Yu Ryoo-Han,2024-12-03 When Kim Roksu mysteriously awakens inside an action packed fantasy novel he decides to make the most of it Now living as the rich noble Cale Henituse our protagonist collects flashy abilities and unexpected allies in his pursuit of a cushy life After foiling a mad mage s terrorist plot in the capital he travels to a coastline of vicious whirlpools to find his next Ancient Power There he meets siblings from the Whale Tribe who are as beautiful as they are deadly For ages the whales have kept their sworn enemies at bay the bloodthirsty mermaids but an unknown power from the depths of the Dark Forest has made their foes stronger than ever Will the mermaids monsters and magic of this vibrant fantasy world be enough to derail Cale s ambitions of a luxurious carefree future *Monster Cereal Box Premiums - The 1980's: A Totally Tubular Decade of Crunchy-Sweet Fun* Jonathon Jones,2020-12-30 A child of the 80 s Or perhaps just a big fan of the monster cereals Whatever the case may be this is the book for you Chock full of retro sugary goodness this guidebook is a continuation in the series which started with the 70 s It will make any fan long for the days when cereal was more than just cereal It was also FUN Keywords 1980s collectibles pop culture americana kids toys premiums **I Got a Monster** Baynard Woods,Brandon Soderberg,2020-07-21 The explosive true story of America s most corrupt police unit the Gun Trace Task Force GTTF which terrorized the city of Baltimore for half a decade When Baltimore police sergeant Wayne Jenkins said he had a monster he meant he had found a big time drug dealer one that he wanted to rob This is the story of Jenkins and the Gun Trace Task Force GTTF a super group of dirty detectives who exploited some of America s greatest problems guns drugs toxic masculinity and hypersegregation In the upside down world of the GTTF cops were robbers and drug dealers were the perfect victims because no one believed them When the federal government finally arrested the GTTF for robbery and racketeering in 2017 the stories of victims began to come out revealing a vast criminal enterprise operating within the Baltimore Police Department Cops planted heroin to cover up a fatal crash that resulted from a botched robbery They stole hundreds of thousands of dollars faked video evidence and forged a letter trying to break up the marriage of one of their victims to keep his wife from paying a lawyer And a homicide detective was killed the day before he was scheduled to testify
