**Death En Voyage** Richard Grindal,2015-12-14 The English should confine their murders to their own country is the view held by Parisians when Lady Dorothy Strathy sister of the Earl of Tain is discovered stabbed in her hotel room This opinion is held by none more strongly than Courtrand the head of the S ret an outrageous snob who regards the case as closed when it is discovered that Lady Strathy s paid companion Miss Newbolt was the first on the scene However Inspector Gautier is not so easily swayed and comes up with a number of awkward clues which throw doubt on Courtrand s theory facing in the process the shady underworld of male prostitution and back street throat cutting alongside more personal troubles including the death of his ex wife in a case with a startling d nouement      Death Stalk Richard Grindal,2016-01-14 The small Hebridean island of Alsaig is facing a crisis It is famous for its only export a particularly fine malt whisky upon which most of the islanders depend for their livelihood But the distillery is threatened with a takeover by an American firm which would not only make many of the workforce redundant but also adulterate the product But owner Alisdair Matheson is refusing to sell despite threats of sabotage and an attempt on his life The situation is complicated further by an actual murder on the island which the locals believe to have been committed by American Mike MacDonald Tension mounts as storms lash the island isolating it from the outside world and locking the killer in with the islanders      **Madman's Whisper** Richard Grindal,2015-12-14 When car trouble forces private detective John Bryant to spend the night in the small village of Foxall he
