Forty Fathers Tessa Lloyd, 2019-10-19 When Tessa Lloyd s sons in law became fathers she searched for resources that would help inspire them especially parenting stories from other fathers However that book didn t seem to exist As a counsellor for children and families Lloyd understood the ways a father child relationship can have a lasting effect through the generations Seeing a need Lloyd decided to gather these stories herself This resulting volume collects the stories and portraits of forty Canadian fathers who open up about both their own fathers and their deeply personal parenting experiences This diverse group includes Prime Minister Justin Trudeau writer Lawrence Hill academic Niigaan Sinclair athlete Trevor Linden restaurateur Vikram Vij anthropologist Wade Davis musician Alan Doyle artist Robert Bateman and philanthropist Rick Hansen The contributors reflect on their varied parenting experiences and challenges including parenting while incarcerated parenting across cultural barriers parenting through divorce parenting while transgender parenting as a celebrity and parenting with a disability Many common themes emerge throughout the stories including the process of overcoming cultural messages that encourage men to be strong authoritarian and emotionally unavailable The stories are extraordinarily candid and vulnerable as the fathers describe their own failings regrets and childhood traumas as well as the humbling process of trying to do better In one anecdote Dr Greg Wells describes the experience of meeting another father walking the empty streets at three a m with an infant and how that moment of shared recognition gave him strength at a difficult time The stories in this book offer a similar glimpse into the shared experiences and trials of fatherhood but also offer fascinating reflections on the more universal experiences of finding one s place within a family and striving to be a better person for the sake of others

My Father and Your Father William Landon,2003-10 This book is an

attempt to relate the wonderful biblical truths about the possibility of having a living personal relationship with God This truth comes down through the entire history of the Christian faith as well as in the Bible Yet there is very little teaching or promotion of this truth in organized religion This lack of a presentation of the message of God as our Father results in a corresponding lack of power and freedom for effective daily living in the Christian community Sadly many people in religious organizations not to mention people outside the religious system doubt if a personal relationship with God is even possible This is even sadder when we consider the Bible is very clear on this point The Bible tells us that a personal relationship with God as our Father is not only possible but this relationship is God s greatest desire for us It is Bill Landon s hope that this book will be an encouragement for those people who seek a spiritual life that has more practical impact on their daily living For those who wish to explore the possibilities of a greater peace and fullness in their living this book can be a help
