Audiology Fourth Edition is an excellent resource for students of communication sciences and disorders. It is often used as a textbook for courses in professional writing, clinical methods, and professional issues. Throughout the text, the authors use anecdotal material, self-help questions, and humor to illustrate that learning to be a better professional writer does not require drudgery. The authors cover a spectrum of subjects related to professional writing, including rules of writing, review of grammar, spelling, punctuation, semantics, and sentence structure; evidence-based writing and citing sources; ethics related to professional writing; writing diagnostic and clinical reports; and writing for professional career advancement. New to the Fourth Edition: More exercises throughout the book; Incorporates APA 7th edition style; Reorganized for a greater flow of information; Combined the chapters on Evidence-Based Writing and Ethics of Professional Writing; Combined the chapters on Referencing Resources and Internet Resources. Book now ends with chapter 8 on professional presentations. Expansion of English mechanics underlying syntax. Inclusion of the 2023 revised version of the ASHA Code of Ethics. Key Features: Exercises in each chapter. Numerous samples including Institutional Review Board Research Review Form, Authorization of Release of Information Form, Journal Article Critique, Diagnostic Reports and Protocol Worksheets, Therapy Goals and Progress Reports, Types of Professional Correspondence, Presentation Slides, Resumes, Disclaimer. Please note that ancillary content such as exercises and sample presentations are not included as in the original print version of this work. *Manual of pathology* William Michael Late Coplin, 1898
