

The background of the cover is a composite of microscopic images. The upper portion is a vibrant red, featuring various circular and oval structures, likely representing cells or tissue sections. A prominent, dark, branching structure, possibly a blood vessel or a neural pathway, traverses the red area. The lower portion of the cover is a deep blue, showing a large, detailed image of a cell with a prominent nucleus, possibly a retinal cell or a glial cell. The overall aesthetic is scientific and professional.
